A Funny Thing Happened B. E. White, Jr., 2014-08-29 The humorous stories that Dr White tells about in this book are all about people in and out of the church and the ups and downs of life in the parsonage Funny things can happen at church and the behavior of some religious people can make you laugh and laugh Behind the humor in this book is often a spiritual truth But this is more than a religious book It is about changing times in North Carolina for three quarters of a century Dr White keeps telling about things he has learned during this time or maybe he is subtly teaching his readers to learn with him what religion is really all about The people in the stories may seem like

someone you know in your own church or family The comical stories will entertain you while you ponder their meaning The more serious ones may touch you deeply

***A Funny Thing Happened on the Way to the New Yorker** Roy Delgado,2007-12-03 [Funny Thing About Murder](#) David Geherin,2017-10-11 Focusing on crime fiction and films that artfully combine comedy and misdeed this book explores the reasons writers and filmmakers inject humor into their work and identifies the various comic techniques they use The author covers both American and European books from the 1930s to the present by such authors as Rex Stout Raymond Chandler Robert B Parker Elmore Leonard Donald E Westlake Sue Grafton Carl Hiaasen and Janet Evanovich along with films from The Thin Man to the BBC s Sherlock series

101 Funny Things About Global Warming Sidney Harris,2008-12-06 In this unexpectedly refreshing look at today s most inconvenient truths acclaimed cartoonist Sidney Harris looks at global warming with a little help from his friends Featuring never before seen work from artists like long time New Yorker contributors Matt Diffee Sam Gross and Lee Lorenz among others 101 Funny Things About Global Warming makes light of hot button environmental issues like unreliable hybrid cars pie in the sky alternative energy sources and the existential crisis of our own biodegradable nature Provocative timely and endlessly funny 101 Funny Things About Global Warming fits into the growing trend of ecocentric public events and media coverage by pointing out in black and white how far we ve come and how far we still have to go in improving the state of the world Great comedy can make you laugh and open your mind at the same time and 101 Funny Things About Global Warming succeeds at both Global Warming Activist and Producer Laurie David Praise for Sidney Harris The humor in science that is most widely laughed at comes from nonscientists like the cartoonist Sidney Harris New York Times Book Review Harris is a treasure American Scientist What s so funny about science Sidney Harris that s what Isaac Asimov

Many More Funny Things B. E. White, Jr.,2014-08-29 After his first book Dr White thought that he had exhausted his memory of funny things in his life and ministry but with the passing of time he has remembered many more funny things He has written them down to make us laugh out loud and silently reflect on what they have to say Brightie White tells amusing and interesting story after story about people in and out of the church You may have a hard time believing that some of the stories are true but if you can t believe a preacher whom can you believe Most of the stories are

humorous but some of them are unusual All are about real people and the way religion makes them act Lessons can be learned from their antics and how things used to be and sometimes still are during the years of the author s life *Funny Things: A Comic Strip Biography of Charles M. Schulz* Luca Debus,2023-08-30 Discover the man behind Charlie Brown Snoopy and the Peanuts gang in this imaginative and tender hearted tribute told in comic strip format Charles M Schulz was arguably the most influential and popular cartoonist of the 20th century and he poured many of his own emotions and experiences into the world of Peanuts over its iconic 50 year run Now Luca Debus and Francesco Matteuzzi pay tribute to the master by telling the story of Schulz s life in the medium that made him immortal the comic strip Every strip provides a laugh as well as a piece of insight into his remarkable life story Starting with the last days of his monumental career Funny Things jumps back and forth in time to narrate both Schulz s artistic achievements and the personal episodes that formed him as an author and human being ultimately shaping him into the most beloved cartoonist on the planet Filled with affection charm and poignant insight Funny Things imagines Schulz through the lens of the very world he created inviting us all to meet the man behind the blanket **Now That's Funny!** Peter Desberg,Jeffrey Davis,2017-06-07 There is a feeling of pure delight that comes from laughing out loud while watching a hilarious movie or a TV show Yet as funny as these lines may be they are the work of people you will never see The magic behind any comedy hit begins when an idea is hatched in the mind of a comedy writer and is then put down on paper And while few of us are privy to this fascinating process for writers Peter Desberg and Jeffrey Davis the challenge of observing and understanding how comedy is born has culminated in a unique new book Now That s Funny Desberg and Davis provide an intimate look into the minds of twenty four of Hollywood s funniest comedy writers who have given us such shows as Saturday Night Live Monk Everybody Loves Raymond The Simpsons Frasier Maude Home Improvement Valerie Modern Family Cheers There s Something about Mary The Honeymooners Suddenly Susan Newhart Sabrina the Teenage Witch Archie Bunker s Place The Tracey Ullman Show Wings Who s The Boss and more How do you get to see the creative wheels turn The authors premise was simple Using a Q and A format they provided each writer with a story idea and let them run with it Each of the writers was told there were no rules no boundaries and no limits Because everyone started with the same concept the authors could see how some writers jumped in and began creating while others asked lots of questions how some writers stuck closely to the premise while others turned it on its head What emerges is an entertaining look illuminating and hilarious in turn at the creative process behind hit TV shows and movies If you re one of the millions who have enjoyed watching the work of comedy writers here is an opportunity to go behind the scenes and see the madness unfold Now that s funny [How to Use Corpora in Language Teaching](#) John McH. Sinclair,2004-04-29 After decades of being overlooked corpus evidence is becoming an important component of the teaching and learning of languages Above all the profession needs guidance in the practicalities of using corpora interpreting the results and applying them to the problems and opportunities of the classroom This book is intensely practical written

mainly by a new generation of language teachers who are acknowledged experts in central aspects of the discipline It offers advice on what to do in the classroom how to cope with teachers queries about language what corpora to use including learner corpora and spoken corpora and how to handle the variability of language it reports on some current research and explains how the access software is constructed including an opportunity for the practitioner to write small but useful programs and it takes a look into the future of corpora in language teaching

Questions of Syntax Richard S. Kayne, 2019-03-22 There are far more syntactically distinct languages than we might have thought yet there are far fewer than there might have been Questions of Syntax collects sixteen papers authored by Richard S Kayne a preeminent theoretical syntactician who has sought over the course of his career to understand why both these facts are true With a particular emphasis on comparative syntax these chapters collectively consider how wide a range of questions the field of syntax can reasonably attempt to ask and then answer At issue among other topics are the relation between syntax and certain aspects of semantics the relation between syntax and what appear to be lexical questions the relation between syntax and morphology the relation between syntax and certain aspects of phonology insofar as silent elements and their properties play a substantial role and the extent to which comparative syntax can provide new and decisive evidence bearing on these different kinds of questions To Kayne comparative syntax can shed light on what may initially seem lexical questions and antisymmetry on the evolution of human language itself Taken as a whole these essays elucidate the theoretical contributions of one the most influential scholars in linguistics

Vance And Shepherd Mysteries - Books 1-4 John Broughton, 2023-11-12 The first four books in Vance And Shepherd Mysteries a series of crime mystery novels by John Broughton now in one volume The Quasimodo Killings Detective Inspector Jacob Vance and Detective Sergeant Brittany Shepherd are called upon to prevent a series of murders across London The Metropolitan Police Commissioner has provoked a psychopath with her inaugural speech and soon later receives a letter threatening a series of nine killings With time running out can the detectives capture the perpetrator and prevent him from killing again The London Tram Murders After a murder is committed in a quiet suburban subway under a tramline it becomes clear that the squad is dealing with a copycat killer The murder is an uncanny repeat of their previous case and their inquiries are complicated by the presence of the main suspect s doppelganger Melanie Bradshaw As the killings continue Vance and Shepherd face increasing pressure from above building Can they apprehend and bring the killer to justice The Thames Crossbow Murders After a crossbow bolt kills a birdwatcher in a remote site on the Thames the Metropolitan Police discover they have another serial killer on their hands Soon after a virtuoso pianist loses his life in the same manner The murders are all connected to the river Thames but the waters are muddied by the involvement of British and Russian secret services What do the international organizations have to do with the case and who is the killer The Thames Tigris Connection Vance and Shepherd are investigating a case in Central London Murders of prominent Iranian exiles present Vance with a powder keg primed to explode He and Shepherd must avoid a
