Further Cuttings From Cruiskeen:

Further Cuttings Flann O'Brien, 2000 When *The Best of Myles* was published in 1968 it was hailed by S J Perelman among others as one of the supreme comic achievements of the English language Now in response to the clamorous demands of men of science and the arts men of straw and of the law comes *Further Cuttings from Cruiskeen Lawn* Flann O'Brien adopted the name Myles na Gopaleen for the hilarious Cruiskeen Lawn column which he wrote for *The Irish Times* from 1940 1966 Whereas *The Best of Myles* covered the first five years of the column's life this companion edition covers the period from 1947 1957 Here can be found the true transcripts of Myles's clashes with the law courts on charges of larceny currency offenses marrying without the consent of his parents gang warfare and using bad language here too are bizarre obituaries bores banalities jovialities and immoralities and the return of the preposterous Brother Also included is the first ever Myles article

Further Cuttings from Cruiskeen Lawn Flann O'Brien, 1976 [Explorations in the Field of Nonsense](#), 2022-07-04 **The Playful Air of Light(ness) in Irish Literature and Culture** Marta Goszczyńska, Katarzyna Poloczek, 2011-05-25 While discussions in the field of Irish Studies traditionally gravitate towards themes of struggle oppression and death the present book originates from a contradictory impulse Without losing sight of Ireland's troubled history and the complexities that shape its present it centres on instances of playfulness light ness and air in Irish literature and culture Refracted through the prism of contemporary philosophy notably of Italo Calvino Luce Irigaray and Mar a Lugones these categories serve as the basis for thirteen essays by academics from Poland the UK Germany and Spain Some of these offer fresh readings of such seminal authors as W B Yeats Louis MacNeice Seamus Heaney and John Banville others look at lesser known figures such as Eimar O Duffy and Forrest Reid who before now have received little scholarly attention

Unauthorized Versions José Lanthers, 2000 Certain moments in history especially periods of cultural turmoil and political change appear to be conducive to the writing of Menippean satire *Unauthorized Versions* is the first integral study of Menippean satires written in Ireland in the three decades following the declaration of the Irish Free State in 1922 The book discusses works by Darrell Figgis Eimar O Duffy Austin Clarke Flann O'Brien and Mervyn Wall in the context of political and social developments particularly relating to economic policy the role of the Church and censorship Mikhail Bakhtin defines Menippean satire as an unresolved dialogue between actual and or implied voices designed to test a truth or philosophical idea The Irish satirists of the first half of the twentieth century use medieval Ireland as a setting for addressing contemporary concerns or borrow characters from medieval Irish texts that they place in a modern context Each satire thus creates a series of dialogues between the past and present between characters who represent opposing values and ideologies and between the older texts and their modern reworkings *Unauthorized Versions* reveals the double bind at the core of every Menippean satire Each writer discussed in the book expresses an awareness of the paradox of an author writing in the vacuum created by official censorship seeking to engage his audience in the dethroning of the very authorities by whom he is

deprived of his audience By revealing his own ambiguous position the satirist knowingly subverts his own authority along with that of his opponents This study will appeal to students and scholars interested in Irish literature genre studies the reception of the Middle Ages and the relationship between literature and history Jos Lanters associate professor of classics at the University of Oklahoma will begin her position as associate professor of English at the University of Wisconsin Milwaukee in Fall 2000 She is author of *Missed Understandings A Study of Stage Adaptations of the Works of James Joyce* and coeditor of *Troubled Histories Troubled Fictions Twentieth Century Anglo Irish Prose* Irish satire in the twentieth century has awaited a critic as intelligent and well informed as Jose Lanters whose *Unauthorized Versions* nicely complements Vivian Mercier's pioneering efforts For several of the works she discusses Lanters here provides the only substantial criticism they have received to date Her approach combines sensitivity to form and expression with a constant attentiveness to historical context while her study is anchored in a lucid and suggestive use of Bakhtin Every library with an interest in Irish writing will want this book R Brandon Kershner Alumni Professor of English University of Florida Lanters well argued volume will be a valuable resource for the study of modern Irish prose at the upper division undergraduate level and above Choice Works discussed in *Unauthorized Versions* Darrell Figgis *The Return of the Hero* Eimar O Duffy *King Goshawk and the Birds* The Spacious Adventures of the Man in the Street Asses in Clover Austin Clarke *The Bright Temptation* The Singing Men at Cashel The Sun Dances at Easter Flann O'Brien *At Swim Two Birds* The Third Policeman Mervyn Wall *The Unfortunate Fursey* *The Return of Fursey*

The Complete Novels of Flann O'Brien Flann O'Brien, 2008-01-08 Flann O'Brien along with Joyce and Beckett is part of the holy trinity of modern Irish literature His five novels collected here in one volume are a monument to his inspired lunacy and gleefully demented genius O'Brien's masterpiece *At Swim Two Birds* is an exuberant literary send up and one of the funniest novels of the twentieth century The novel's narrator is writing a novel about another man writing a novel in a Celtic knot of interlocking stories The riotous cast of characters includes figures stolen from Gaelic legends along with assorted students fairies ordinary Dubliners and cowboys some of whom try to break free of their author's control and destroy him The narrator of *The Third Policeman* who has forgotten his name is a student of philosophy who has committed

murder and wanders into a surreal hell where he encounters such oddities as the ghost of his victim three policeman who experiment with space and time and his own soul who is named Joe The Poor Mouth a bleakly hilarious portrait of peasants in a village dominated by pigs potatoes and endless rain is a giddy parody aimed at those who would romanticize Gaelic culture A na ve young orphan narrates the deadpan farce The Hard Life and The Dalkey Archive is an outrageous satiric fantasy featuring a mad scientist who uses relativity to age his whiskey a policeman who believes men can turn into bicycles and an elderly bar tending James Joyce With a new Introduction by Keith Donohue **Collected Plays and Teleplays** Flann O'Brien,2013-08-15 In the same spirit as his novels O'Brien's plays are speculative inventive wickedly funny and a delightful addition to his collected works now available at last this volume collects Flann O'Brien's dramatic work into a single volume including Thirst Faustus Kelly and The Insect Play A Rhapsody on Saint Stephen's Green It also includes several plays and teleplays that have never before seen print including The Dead Spit of Kelly of which a film version is in production by Michael Garland The Boy from Ballytearim and An Scian only recently discovered as well as teleplays from the RT series O Dea's Your Man and Th Oul Lad of Kilsalaher **The Various Lives of Keats and Chapman** Flann O'Brien,2005-03 First appearing as columns in The Irish Times the hilarious escapades of Keats and Chapman based on the Romantic poet and the translator of Homer respectively that comprise this volume illuminate the extraordinary talent of Flann O'Brien Labeled by the author studies in literary pathology the vignettes each concluding in a terrible bathetic pun are the work of an extraordinarily funny mind exploring the limits of the shaggy dog story Book jacket An Irish Literature Reader Maureen O'Rourke Murphy,James MacKillop,2006-07-10 In a volume that has become a standard text in Irish studies and serves as a course friendly alternative to the Field Day anthology editors Maureen O'Rourke Murphy and James MacKillop survey thirteen centuries of Irish literature including Old Irish epic and lyric poetry Irish folksongs and drama For each author the editors provide a biographical sketch a brief discussion of how his or her selections relate to a larger body of work and a selected bibliography In addition this new volume includes a larger sampling of women writers Short Fiction of Flann O'Brien Flann O'Brien,2013-08-15 This riotous collection at last gathers together an expansive selection of Flann O'Brien's shorter fiction in a single volume as well as O'Brien's last and unfinished novel Slattery's Sago Saga Also included are new translations of several stories originally published in Irish and other rare pieces With some of these stories appearing here in book form for the very first time and others previously unavailable for decades Short Fiction is a welcome gift for every fan of Flann O'Brien *Political Ideology in Ireland* Olivier Coquelin,Patrick Galliou,Thierry Robin,2020-10-27 First delivered as part of an international conference held at Brest University in November 2007 under the aegis of the Centre de Recherche Bretonne et Celtique CRBC this collection of essays essentially aims at interrogating history in order to better understand the political and ideological complexity of early XXIst century Ireland This complexity reflects in many respects Ireland's uniqueness among the Western European nations Some of the multiple persuasions within the gamut of Irish political

ideology from the Enlightenment to the present are thus explored from diverse angles of approach dialectical taxonomic theoretical practical individual collective and through a diverse range of disciplines human sciences political science social sciences literature philosophy and art history and themes from Jonathan Swift's rhetorical complexity to the evolution of Irish republicanism after 9/11 including the reassessment of Daniel O'Connell's political ideology Owenism in Ireland Oscar Wilde's socialistic ideology the ideological development of the Republican and Loyalist prisoners This unique collection of essays far from being a static historiographical description provides food for thought and sheds light on the fascinating ambivalent dynamics lying at the heart of the building process of a modern nation resulting from the aggregate of individual will collective ideals and Zeitgeist The impressive variety of issues raised by authors of diverse origins United States Ireland Britain France including leading experts in the above mentioned areas Richard English Robert Mahony Jonathan Tonge Kieran Allen John Sloan Christopher Murray Vincent Geoghegan therefore widely contributes to the fact that the present book will be intellectually stimulating and enlightening at least as an introduction for all the students and scholars of Irish studies and other related disciplines

The Third Policeman Flann O'Brien, 1999 With the publication of *The Third Policeman* Dalkey Archive Press now has all of O'Brien's fiction back in print

The Hard Life Flann O'Brien, 1994 A comic look at Irish life The narrator is Finbarr an orphan raised amid the odor of good whisky and bad cooking With a mixture of admiration and unease he watches his brother Manus turn into a young man of business successful enough to move to England

At Swim-Two-Birds Flann O'Brien, 1998 A wildly comic send up of Irish literature and culture *At Swim Two Birds* is the story of a young lazy and frequently drunk Irish college student who lives with his curmudgeonly uncle in Dublin When not in bed where he seems to spend most of his time or reading he is composing a mischief filled novel about Dermot Trellis a second rate author whose characters ultimately rebel against him and seek vengeance From drugging him as he sleeps to dropping the ceiling on his head these figures of Irish myth make Trellis pay dearly for his bad writing hilariously funny and inventive *At Swim Two Birds* has influenced generations of writers opening up new possibilities for what can be done in fiction It is a true masterpiece of Irish literature
