Future Females A Critical Anthology

Marleen S. Barr

Future Females A Critical Anthology:

Future Females, the Next Generation Marleen S. Barr, 2000 Almost 20 years after the publication of *Future Females A Critical Anthology* feminist science fiction pioneer Marleen S Barr together with a talented crew of the field's established and emerging theorists reveal new critical insights in *Future Females the Next Generation* This groundbreaking collection includes contributors from across the globe who find effective venues for imagining feminist thought experiments A multinational perspective runs through this innovative volume focusing on the latest dynamic trends in feminist science fiction These include such issues as race gender cyberfeminism the media and new writers in the field *Future Females the Next Generation* which establishes the generational continuity characterizing a vibrant area of feminist literary and cultural inquiry boldly goes where no feminist science fiction critical anthology has gone before *Future Females* Marleen S.

Barr, 1981 **Future Females**, 1981 *Jewish Women Science Fiction Writers Create Future Females* Marleen S. Barr, 2024-12-15 *Jewish Women Science Fiction Writers Create Future Females* Gender Temporality and Yentas the fourth volume in Marleen S Barr's *Future Females* critical feminist science fiction anthology series is the first essay collection devoted to Jewish women science fiction writers The anthology forges new alliances across disciplinary boundaries feminist theory science fiction and Jewish Studies by forming a scholarly force consisting of established critical voices and cutting edge fresh perspectives Acknowledging the growing cultural popularity of science fiction Barr's goal is to showcase new vistas for exploring gender through Jewish women's science fiction visions It is time for Jewish women science fiction writers to receive the focused critical examination they deserve **Feminism's Queer Temporalities** Sam McBean, 2015-07-16

Despite feminism's uneven movements it has been predominantly understood through metaphors of generations or waves *Feminism's Queer Temporalities* builds on critiques of the limitations of this linear model to explore alternative ways of imagining feminism's timing It finds in feminism's literary and cultural archive narratives of temporality that might now be diagnosed as queer where queer designates modes of being historical that exceed the linear and the generational Few theorists have looked to popular feminist figures literature and culture to theorize feminism's timing Through methodologically creative readings McBean explores non generational anti linear and asynchronous time in the figure of Antigone Marge Piercy's *Woman on the Edge of Time* the film *Ladies and Gentlemen The Fabulous Stains* Valerie Solanas and *SCUM Manifesto* and Alison Bechdel's *Fun Home* The first to substantially bring together the ways in which time has come to matter in both feminist and queer disciplines this book will appeal to students and scholars of feminist queer and gender studies cultural studies and literary studies **Utopian and Dystopian Writing for Children and Young Adults**

Carrie Hintz, Elaine Ostry, 2013-10-11 This volume examines a variety of utopian writing for children from the 18th century to the present day defining and exploring this new genre in the field of children's literature The original essays discuss thematic conventions and present detailed case studies of individual works All address the pedagogical implications of work that

challenges children to grapple with questions of perfect or wildly imperfect social organizations and their own autonomy The book includes interviews with creative writers and the first bibliography of utopian fiction for children Understanding Contemporary American Science Fiction Darren Harris-Fain, 2005 Understanding Contemporary American Science Fiction The Age of Maturity 1970 2000 explores the major trends and developments during three decades that witnessed science fiction's most dramatic progression from subliterate escapist entertainment to a more sophisticated literature of ideas Darren Harris Fain suggests that to understand American science fiction fully it is essential to realize that the current field with all its variety results from the preceding decades of writings In addition he contends that although much science fiction of merit was written in America prior to 1970 the latter decades of the twentieth century witnessed a dramatic improvement in quality even as the field fragmented into a variety of subgenres and as writers sought to transcend earlier critical dismissals Harris Fain discusses significant and representative works most of which mainstream literary scholars and critics ignore as he charts the historical and literary development of contemporary American science fiction the internal divisions along both literary and political lines experienced during the Vietnam era the influence of the feminist movement and other contemporary concerns the increasing contributions of female African American and gay and lesbian writers and the emergence of such significant trends as hard science fiction cyberpunk alternate history and shared world stories Harris Fain also considers literary science fiction's relationship to the mass media the effects the popularity of fantasy has on the field and academia's continued mispricing of the genre *Reading Science Fiction* James Gunn, Marleen Barr, Matthew Candelaria, 2018-01-19 Science Fiction is illuminated by world class scholars and fiction writers who introduce the history concepts and contexts necessary to understanding the genre Their groundbreaking approach provides insights into today's SF world and makes learning how to read Science Fiction an exciting collaborative process for teachers and students

The Eternally Wounded Woman Patricia Anne Vertinsky, 1990 Transgressing Women Jamaluddin Aziz, 2012-01-17 Transgressing Women focuses on the literary and cinematic representation of female characters in contemporary noir thrillers The book argues that as the genre has grown expanded and been subverted since its initial conception along with the changing definition of gender the representation of a female character has also inevitably gone through some dramatic changes So the book asks some important questions What links the female characters in canonical noir to their contemporary counterparts Is gender division still relevant in a text that transgresses gender boundaries What happens when it is the human body itself that betrays the traditional definition or constitution of a human being While many have written about the male protagonists and the femmes fatales in the noir genre little attention has been given to the other female characters who inhabit the noir world and are transgressors themselves The main concern of the book is to trace the transgressive female characters in contemporary noir thrillers both novels and films by engaging itself with some of the most topical debates within both post feminist and postmodernist theories The book is structured around two key concepts space and the body

These temporal and spatial indicators are central in contemporary cultural theories such as postmodernism and post feminism along with other theorizations of gender and the noir genre This means that the analysis is drawn from the classical noir examples and will then arrive at the neo noir sub genre and then will move on to the most recent phenomenon in the genre future noir

The Woman Fantastic in Contemporary American Media Culture Elyce Rae Helford, Shiloh Carroll, Sarah Gray, Michael R. Howard II, 2016-11-02 Contributions by Marleen S Barr Shiloh Carroll Sarah Gray Elyce Rae Helford Michael R Howard II Ewan Kirkland Nicola Mann Megan McDonough Alex Naylor Rhonda Nicol Joan Ormrod J Richard Stevens Tosha Taylor Katherine A Wagner and Rhonda V Wilcox Although the last three decades have offered a growing body of scholarship on images of fantastic women in popular culture these studies either tend to focus on one particular variety of fantastic female the action or sci fi heroine or on her role in a specific genre villain hero temptress This edited collection strives to define the Woman Fantastic more fully The Woman Fantastic may appear in speculative or realist settings but her presence is always recognizable Through futuristic contexts fantasy worlds alternate histories or the display of superpowers these insuperable women challenge the laws of physics chemistry and or biology In chapters devoted to certain television programs adult and young adult literature and comics contributors discuss feminist negotiation of today s economic and social realities Senior scholars and rising academic stars offer compelling analyses of fantastic women from Wonder Woman and She Hulk to Talia Al Ghul and Martha Washington from Carrie Vaughn s Kitty Norville series to Cinda Williams Chima s The Seven Realms series and from Battlestar Gallactica s female Starbuck to Game of Thrones s Sansa and even Elaine Barrish Hammond of USA s Political Animals This volume furnishes an important contribution to ongoing discussions of gender and feminism in popular culture

Skeptical Feminism Carolyn Dever, 2004 In this major work Carolyn Dever analyzes the politics of feminist theory by looking at its popular activist and academic modes from the liberation movements of the 1970s to gender and queer studies now Using key moments in the history of modern feminism consciousness raising best selling books like *Sexual Politics* by Kate Millett and media representations of women s struggle for equality Dever outlines heated debates over psychoanalysis sexuality and activism and argues that a fundamental skepticism toward abstraction has been vital to the development of the movement Powerful illuminating and galvanizing *Skeptical Feminism* traces the strategies the women s movement has used to make theory matter and points toward a new politically engaged approach to feminist thought Book jacket

Utopia Matters Marinela Freitas, 2005

Borderwork Margaret R. Higonnet, 2018-03-15 The first book to assess the impact of feminist criticism on comparative literature *Borderwork* recharts the intellectual and institutional boundaries on that discipline The seventeen essays collected here most published for the first time together call for the contextualization of the study of comparative literature within the areas of discourse culture ideology race and gender Contributors Bella Brodzki V V A Clark Chris Cullens Greta Gaard Sabine G Iz Sarah Webster Goodwin Margaret R Higonnet Marianne Hirsch Susan Sniader Lanser Fran oise Lionnet Fedwa Malti

Douglas Lore Metzger Nancy K Miller Obioma Nnaemakea Rajeswari Sunder Rajan Anca Vlasopolos **Amazons in America** Keira V. Williams, 2019-03-06 With this remarkable study historian Keira V Williams shows how fictional matriarchies produced for specific audiences in successive eras and across multiple media constitute prescriptive solution oriented thought experiments directed at contemporary social issues In the process Amazons in America uncovers a rich tradition of matriarchal popular culture in the United States Beginning with late nineteenth century anthropological studies which theorized a universal prehistoric matriarchy Williams explores how representations of women centered societies reveal changing ideas of gender and power over the course of the twentieth century and into the present day She examines a deep archive of cultural artifacts both familiar and obscure including L Frank Baum s The Wizard of Oz series Progressive era fiction like Charlotte Perkins Gilman s utopian novel Herland the original 1940s Wonder Woman comics midcentury films featuring nuclear families and feminist science fiction novels from the 1970s that invented prehistoric and futuristic matriarchal societies While such texts have at times served as sites of feminist theory Williams unpacks their cyclical nature and in doing so pinpoints some of the premises that have historically hindered gender equality in the United States Williams also delves into popular works from the twenty first century such as Tyler Perry s Madea franchise and DC Comics Warner Bros globally successful film Wonder Woman which attest to the ongoing presence of matriarchal ideas and their capacity for combating patriarchy and white nationalism with visions of rebellion and liberation Amazons in America provides an indispensable critique of how anxieties and fantasies about women in power are culturally expressed ultimately informing a broader discussion about how to nurture a stable equitable society **The Infernal Desires of Angela Carter** Joseph Bristow, Trev Lynn Broughton, 2014-10-13 Drawing on many aspects of contemporary feminist theory this lively collection of essays assesses Angela Carter s polemical fictions of desire Carter renowned for her irreverent wit was one of the most gifted subversive and stylish British writers to emerge in the 1960s Routledge Library Editions: Utopias Various, 2021-11-01 Routledge Library Editions Utopias 6 volume set contains titles originally published between 1923 and 1982 It includes volumes focusing on Utopian fiction both as a genre in its own right and also from a feminist perspective In addition there are sociological texts that examine the history of Utopian thought from the writings of Plato and beyond as well as specific examples of people who have tried to create Utopian communities Alternative Masculinities in Feminist Speculative Fiction Michael Pitts, 2021-06-01 Alternative Masculinities in Feminist Speculative Fiction A New Man traces efforts within American feminist utopias to imagine healthier conceptions of manhood As this analysis illuminates feminist works envisioning the improved society and its attending masculinities constitute an overlooked site for mining new masculinities During the years in which such utopias gained popularity the early 1970s to the mid 2010s these novels grew more complex challenging essentialist conceptions of masculinity and female experience These texts vary in their focus but share an interest in replacing patriarchal masculinities with an alternative informed by second wave and intersectional feminism This

book analyzes the centrality of alternative masculinities to these ideal societies and the ways feminist writers present new conceptions of manhood pivotal to discussions surrounding the ongoing crisis of American masculinity **Feminism, Utopia, and Narrative** Libby Falk Jones, Sarah McKim Webster Goodwin, 1990 *Freeing the Female Body* Fan Hong, 2013-01-11 This collection records the bravery of these forgotten inspirational figures whose determination challenged and overcame convention custom and prejudice to free women from the ranks of the sexualized controlled and oppressed
