Chapin, Rhode Island Historical Society, 1926 **The Cult of the Mother of God in Byzantium** Leslie Brubaker, Mary B. Cunningham, 2016-12-05 This volume on the cult of the Theotokos Virgin Mary in Byzantium focuses on textual and historical aspects of the subject thus complementing previous work which has centred more on the cult of images of the Mother of God The papers presented here by an international team of scholars consider the development and transformation of the cult from approximately the fourth through the twelfth centuries The volume opens with discussion of the origins of the cult and its Near Eastern manifestations including the archaeological site of the Kathisma church in Palestine which represents the earliest Marian shrine in the Holy Land and Syriac poetic treatment of the Virgin The principal focus however is on the 8th and 9th centuries in Byzantium as a critical period when Christian attitudes toward the Virgin and her veneration were transformed The book re examines the relationship between icons relics and the Virgin asking whether increasing devotion to these holy objects or figures was related in any way Some contributions consider the location of relics and later icons in Constantinople and other centres of Marian devotion others explore gender issues such as the significance of the Virgin s feminine qualities and whether women and men identified with her equally as a holy figure The aim of this volume is to build on recent work on the cult of the Virgin Mary in Byzantium and to explore areas that have not yet been studied The rationale is critical and historical using literary artistic and archaeological sources to evaluate her role in the development of the Byzantine understanding of the ways in which God interacts with creation by means of icons relics and the Theotokos The Nile Sir Ernest Alfred Wallis Budge, 1910 **Sound of the Crowd: a Discography of the '80s (Fourth Edition)** Steve Binnie, 2018-11-05 SOUND OF THE CROWD A DISCOGRAPHY OF THE 80s is the ultimate record collector s guide to the 1980s In the era of multi formatting picture discs coloured vinyl multiple remixes funny shaped records and tiny CDs you could lose down the back of the sofa this book lists every format of every single EP and album released in the UK in the 1980s by over 140 of the decade s biggest acts from ABBA to Paul Young This fourth edition has been fully revised and expanded to include even more acts than ever before with additional sections to cover Band Aid style charity congregations and compilation albums from the early 80s K Tel efforts through to the Now That s What I Call

The Cult of Saint George in Medieval England Jonathan Good,2009 How St George became the patron saint of England has always been a subject of speculation He was not English nor was his principal shrine there the usual criteria for national patronage yet his status and fame came to eclipse that of all other saints Edward III s use of the saint in his wars against the French established him as a patron and protector of the king unlike other saints George was adopted by the English to signify membership of the community of the realm This book traces the origins and growth of the cult of St George arguing that especially after Edward s death George came to represent a good politics deriving from Edward s prosecution of a war with spoils for everyone and could be used to rebuke subsequent kings for their poor governance Most medieval kings came to understand this fact and venerated St George in order to prove their worthiness to hold their office The political dimension of the cult never completely displaced the devotional one but it was so strong that St George survived the Reformation as a national symbol one that continues in importance in the recovery of a specifically English identity James Madison Hood George C. Kingston,2013-02-07 Captain James Madison Hood was the real U S Consul in the novel Anna and the King of Siam but before his arrival in Bangkok he was also a merchant ship captain builder of clipper ships legislator in both Massachusetts and Illinois industrialist and land speculator He was present at the birth of the Republican Party As U S Consul he presided over the trial of Dr Dan Beach Bradley for libel of the French Consul Gabriel Aubaret a case which influenced the course of Southeast Asian history and got Anna Leonowens in trouble with King Mongkut Captain Hood lived large and was not above a little extralegal maneuvering to support his lifestyle His life is a tour through the politics economics and deal making of the mid 19th century *Southern Corridor, I-15 at Reference Post 3 Near St. George to State Route 9 Near Hurricane, Washington County* ,2005 **Biennial Report of the State Engineer to the Governor of Utah** Utah.
