

George Clinton And P Funk

Timothy Koozin

George Clinton And P Funk:

For the Record 5: George Clinton & P-Funkadelic Dave Marsh,1998-06-01 Booming out from the depths of disco in the 1970s was an unmistakable new sound a danceable beat and bass riff laid under an exquisitely tight and inventive horn ensemble all coaxed out by an ultra hip narrator whose spoken revelations believably proclaimed they came from another planet The speaker actually the rapper was musical mastermind George Clinton Under his inspired direction the groups Parliament and Funkadelic established what he called P Funk as the modern outgrowth of soul its irresistible funky genius paving the way for everything from rap and hip hop to techno and alternative The authors take you aboard the P Funk mothership for candid reflections from Clinton himself and from bandmates Bootsy Collins Fuzzy Haskins Bernie Worrell Fred Wesley Garry Shider album cover wizard Pedro Bell and many others In their own words they tell you how it feels to lay down uncut funk with one of pop music s greatest innovators and get booties shaking from coast to coast [George Clinton & The Cosmic Odyssey of the P-Funk Empire](#) Kris Needs,2014-06-16 The first in depth biography of one of music s most fascinating colourful and innovative characters This book is the most comprehensive history yet of the life music and cultural significance of the last of the great black music pioneers and the era which spawned him Clinton stands alongside James Brown Jimi Hendrix and Sly Stone as one of the most influential black artists of all time who along with his vast P Funk army took black funk into the US charts and sold out stadiums by the mid 1970s with his mind blowing shows and legendary Mothership extravaganzas The book contains first hand interview material with Clinton Bootsy Collins Jerome Bigfoot Brailey Junie Morrison Bobby Gillespie Afrika Bambaataa Jalal Nuriddin Last Poets Juan Atkins John Sinclair Rob Tyner MC5 Ed Sanders The Fugs Chip Monck The Voice of Woodstock plus other P Funk associates and friends The book presents an insiders view of the rise of Parliament and Funkadelic from the doowop era and LSD crazed early shows through to P Funk s huge rise the era of the Mothership and beyond [Where'd You Get That Funk From?](#) Lloyd Bradley,2008-02 Where d You Get That Funk From goes beyond the wigs and the boots and through a series of in depth interviews and sharp cultural analyses that put George Clinton in his proper context That is as a radical part of black America s turbulent 1960s as being as musically representative of Detroit as Motown as leading the first soul group to employ circus hands among their roadies as being able to pull together music as diverse as that of Bach the Beatles James Brown Frank Zappa the Moonglows and the Supremes to create P Funk which became a cornerstone of West Coast hip hop Clinton s principal groups Parliament and Funkadelic were two of the most dynamic and successful American bands of the 70s but their wild shows and badass party sounds represented just one facet of their remarkable leader s talent Seminal songs such as Atomic Dog Flashlight Up for the Down Stroke Give Up the Funk and Bop Gun became the basis of countless hip hop hits throughout the next two decades

George Clinton & the Cosmic Odyssey of the P-Funk Empire KRIS. NEEDS,2024-09-03 The biography of George Clinton one of music s most fascinating colourful and innovative characters featuring a new cover and foreword by critic Miles

Marshall Lewis The most comprehensive history of the life music and cultural significance of a great Black music pioneer and the era which spawned him Clinton stands alongside James Brown Jimi Hendrix and Sly Stone as one of the most influential Black artists of all time who along with his vast P Funk army took black funk into the US charts and sold out stadiums by the mid 1970s with his mind blowing shows and legendary Mothership extravaganzas The book contains first hand interview material with Clinton Bootsy Collins Jerome Bigfoot Brailey Junie Morrison Bobby Gillespie Afrika Bambaataa Jalal Nuriddin Last Poets Juan Atkins John Sinclair Rob Tyner MC5 Ed Sanders The Fugs Chip Monck The Voice of Woodstock plus other P Funk associates and friends An insiders view of the rise of Parliament and Funkadelic from the doowop era and LSD crazed early shows through to P Funk s huge rise the era of the Mothership and beyond

Brothas Be, Yo?' Like George George Clinton, 2014-10-21

Legendary leader of Parliament and Funkadelic George Clinton is unique in pop music and his story is like nothing you ve ever heard before Growing up in 50s New Jersey Clinton was obsessed with doo wop and R B Nothing unusual there But how many kids like that ended up playing to tens of thousands of rabid fans while wearing a diaper How many of them built a spaceship complete with light and sound effects and landed it onstage during concerts How many of them put their stamp on four decades of pop music from the mind expanding sixties to the hip hop dominated nineties and beyond How many of those kids were artistic visionaries merry pranksters out of control drug addicts and savvy businessmen all rolled into one Just the one So what does an older wiser more sober George Clinton do He tells his story Now finally after fifty years in the business Clinton is ready to deliver the whole P Funk saga It s a story without compare the musical innovations the rock and roll debauchery the ups and downs of his career More to the point it s a story told by the man who made it happen and told in his own unique style which combines an almost photographic recollection of the events of his life with an impish sense of humour and a philosophical bent There s no one like George Clinton and no one better prepared to tell the tale of a half century of innovation triumph disappointment addiction contradiction artistry fandom fun and above all funk How George Clinton got from Point A to Point B and beyond how he got in fact all the way to Point Z is a story for the ages By the dawn of the seventies he had emerged as the leader of a wild and wildly creative musical movement Clinton s song titles give some sense of the range and energy of his vision Free Your Mind And Your Ass Will Follow Cosmic Slop Tear the Roof Off the Mother One Nation Under a Groove He made dance music for the mind and did seriously subversive things with joyfully silly comedy As the eighties dawned the P Funk Empire began to collapse under its own weight Clinton rose from the ashes as a solo artist starting with the brilliant Atomic Dog Rappers discovered him sampling him like crazy Artists as diverse as Prince the Red Hot Chili Peppers and Primal Scream all of whom named Clinton as a formative influence collaborated with him Clinton became a global icon with his instantly recognisable rainbow hair and his tireless dedication to spreading the gospel of funk music

Brothas Be, Yo Like George, Ain't That Funkin' Kinda Hard On You? George

Clinton, Ben Greenman, 2014 *Traces the funk music legend's rise from a 1950s barbershop quartet to an influential multigenre artist discussing his pivotal artistic and business achievements with Parliament Funkadelic* Black Power Music! Reiland Rabaka, 2022-06-13 *Black Power Music Protest Songs Message Music and the Black Power Movement* critically explores the soundtracks of the Black Power Movement as forms of movement music That is to say much of classic Motown soul and funk music often mirrored and served as mouthpieces for the views and values as well as the aspirations and frustrations of the Black Power Movement Black Power Music is also about the intense interconnections between Black popular culture and Black political culture both before and after the Black Power Movement and the ways in which the Black Power Movement in many senses symbolizes the culmination of centuries of African American politics creatively combined with and ingeniously conveyed through African American music Consequently the term Black Power music can be seen as a code word for African American protest songs and message music between 1965 and 1975 Black Power music is a new concept that captures and conveys the fact that the majority of the messages in Black popular music between 1965 and 1975 seem to have been missed by most people who were not actively involved in or in some significant way associated with the Black Power Movement **The Funk Movement** Reiland Rabaka, 2024-10-23 Rabaka explores funk as a distinct multiform of music aesthetics politics social vision and cultural rebellion that has been remixed and continues to influence contemporary Black popular music and Black popular culture especially rap music and the Hip Hop Movement The Funk Movement was a sub movement within the larger Black Power Movement and its artistic arm the Black Arts Movement Moreover the Funk Movement was also a sub movement within the Black Women's Liberation Movement between the late 1960s and late 1970s where women's funk especially Chaka Khan and Betty Davis's funk was understood to be a form of Black musical feminism that was as integral to the movement as the Black political feminism of Angela Davis or the Combahee River Collective and the Black literary feminism of Toni Morrison or Alice Walker This book also demonstrates that more than any other post war Black popular music genre the funk music of the 1960s and 1970s laid the foundation for the mercurial rise of rap music and the Hip Hop Movement in the 1980s and 1990s This book is primarily aimed at scholars and students working in popular music studies popular culture studies American studies African American studies cultural studies ethnic studies critical race studies women's studies gender studies and sexuality studies Funk Dave Thompson, 2001 *Celebrates funk music using biographies of such musicians as James Brown and George Clinton and provides descriptions of the genre historical perspectives and the story behind the death of funk following the introduction of disco* *The Hip Hop Movement* Reiland Rabaka, 2013-04-04 *The Hip Hop Movement offers a critical theory and alternative history of rap music and hip hop culture by examining their roots in the popular musics and popular cultures of the Civil Rights Movement and Black Power Movement Connecting classic rhythm blues and rock roll to the Civil Rights Movement and classic soul and funk to the Black Power Movement The Hip Hop Movement explores what each of these musics and*

movements contributed to rap neo soul hip hop culture and the broader Hip Hop Movement Ultimately this book's remixes as opposed to chapters reveal that black popular music and black popular culture have always been more than merely popular music and popular culture in the conventional sense and reflect a broader social political and cultural movement With this in mind sociologist and musicologist Reiland Rabaka critically reinterprets rap and neo soul as popular expressions of the politics social visions and cultural values of a contemporary multi issue movement the Hip Hop Movement Rabaka argues that rap music hip hop culture and the Hip Hop Movement are as deserving of critical scholarly inquiry as previous black popular musics such as the spirituals blues ragtime jazz rhythm blues rock roll soul and funk and previous black popular movements such as the Black Women's Club Movement New Negro Movement Harlem Renaissance Civil Rights Movement Black Power Movement Black Arts Movement and Black Women's Liberation Movement This volume equal parts alternative history of hip hop and critical theory of hip hop challenges those scholars critics and fans of hip hop who lopsidedly over focus on commercial rap pop rap and gangsta rap while failing to acknowledge that there are more than three dozen genres of rap music and many other socially and politically progressive forms of hip hop culture beyond DJing MCing rapping beat making break dancing and graffiti writing

Avant Rock Bill Martin, 2015-12-14 In *Avant Rock* music writer Bill Martin explores how avant garde rock emerged from the social and political upheaval of the sixties He covers the music from its early stages revealing its influences outside of rock from musicians such as John Cage and Cecil Taylor to those more closely related to rock like James Brown and Parliament Funkadelic Martin follows the development of avant rock through the sixties when it was accepted into the mainstream with bands like the later Beatles The Who Jimi Hendrix The Velvet Underground King Crimson and Brian Eno His narration takes us into the present with an analysis of contemporary artists who continue to innovate and push the boundaries of rock such as Stereolab Mouse on Mars Sonic Youth and Jim O'Rourke Martin critiques the work of all important avant rock bands and individual artists from the well known to the more obscure and provides an annotated discography

The Ashgate Research Companion to Popular Musicology Derek B. Scott, 2016-03-23 The research presented in this volume is very recent and the general approach is that of rethinking popular musicology its purpose its aims and its methods Contributors to the volume were asked to write something original and at the same time to provide an instructive example of a particular way of working and thinking The essays have been written with a view to helping graduate students with research methodology and the application of relevant theoretical models The team of contributors is an exceptionally strong one it contains many of the pre eminent academic figures involved in popular musicological research and there is a spread of European American Asian and Australasian scholars The volume covers seven main themes Film Video and Multimedia Technology and Studio Production Gender and Sexuality Identity and Ethnicity Performance and Gesture Reception and Scenes and The Music Industry and Globalization The *Ashgate Research Companion* is designed to offer scholars and graduate students a comprehensive and authoritative state of the art review of current

research in a particular area The companion s editor brings together a team of respected and experienced experts to write chapters on the key issues in their speciality providing a comprehensive reference to the field

Hip Hop in America: A Regional Guide Mickey Hess,2009-11-25 An insightful new resource that looks at the rise of American hip hop as a series of distinct regional events with essays covering the growth of hip hop culture in specific cities across the nation Thoroughly researched thoroughly in tune with the culture Hip Hop in America A Regional Guide profiles two dozen specific hip hop scenes across the United States showing how each place shaped a singular identity Through its unique geographic perspective it captures the astonishing diversity of a genre that has captivated the nation and the world In two volumes organized by broad regions East Coast West Coast and Midwest and the Dirty South Hip Hop in America spans the complete history of rap from its 1970s origins to the rap battles between Queens and the Bronx in the 1980s from the well publicized East Coast vs West Coast conflicts in the 1990s to the rise of the Midwest and South over the past ten years Each essay showcases the history of the local scene including the MCs DJs b boys and b girls label owners hip hop clubs and radio shows that have created distinct styles of hip hop culture

All Music Guide to Soul Vladimir Bogdanov,2003-08 With informative biographies essays and music maps this book is the ultimate guide to the best recordings in rhythm and blues 20 charts

The 100 Greatest Bands of All Time David V. Moskowitz,2015-11-10 This one of a kind reference investigates the music and the musicians that set the popular trends of the last half century in America Many rock fans have at one time or another ranked their favorite artists in order of talent charisma and musical influence on the world as they see it In this same spirit author and music historian David V Moskowitz expands on the concept of top ten lists to provide a lineup of the best 100 musical groups from the past 60 years Since the chosen bands are based on the author s personal taste this two volume set provokes discussion of which performers are included and why offering insights into the surprising influences behind them From the Everly Brothers to the Ramones to Public Enemy the work covers a wide variety of styles and genres clearly illustrating the connections between them Entries focus on the group s history touring membership major releases selected discography bibliography and influence Contributions from leading scholars in popular music shed light on derivative artists and underscore the overall impact of the performers on the music industry

Presence and Pleasure Anne Danielsen,2024-08-06 Winner of the 2007 Irving Lowens Book Award from the Society for American Music Winner of IASPM s 2007 International Book Award In this exploration of the funk groove and its unique sounds author Anne Danielsen takes an in depth look at this under explored genre Danielsen concentrates on the golden age of funk in the late 1960s and the 1970s focusing on two of the era s artists who made a substantial impact on the landscape of popular music James Brown and George Clinton Parliament Aiming to understand funk not only as objectified musical meaning but also as lived experience she begins with the musical events themselves and draws on her experiences as both a fan and a scholar to capture how their particular organization creates the funk listener s pleasure Danielsen further examines issues surrounding race in the

construction and consumption of this music focusing her study with how white listeners responded to funk in the 1970s and arguing that African American music has remained a means of catharsis and of dealing with pleasures of the body Funk's crossover to international success among listeners of pop and rock music affected both the music itself and audiences understanding of it Presence and Pleasure shows us how Embodied Expression in Popular Music Timothy Koozin, 2024 This book explores the intimate connection between body and instrument in popular music explaining chords melodies riffs and grooves in terms of embodied movement which in turn informs the imagination in constructing meaning in songs Tracing connections from foundational blues gospel and rock musicians to current rap artists author Timothy Koozin demonstrates how a focus on body instrument interaction can illuminate creative strategies while leveling implied hierarchies of cultural value revealing how artists represent subjectivities of gender race and social class in shaping songs and whole albums
