George Lawsons Politica And The English Revolution:

George Lawson's 'Politica' and the English Revolution Conal Condren, 2002-08-08 This is the first full account analysis and subsequent history of George Lawson's *Politica* 1660-89. For long accepted as a significant figure through his criticism of Hobbes and his possible influence on Locke, Lawson has never been studied in depth nor has his biography been previously established. Professor Condren here provides the context and the analysis of Lawson's major work in the process of re-dating it and providing a quite different interpretation from previous readings. A substantial section is devoted to the history of the text and its use in controversies in the period 1660-89 and there is some reassessment of the relationship between Hobbes, Locke and Lawson. The study also uses Lawson's text to reopen questions about English seventeenth-century political theory in general and to prefigure a theoretical study on metaphor and political conceptualisation. The book thus operates on a number of levels: philosophical and linguistic as well as historical.

The Rhetoric of Politics in the English Revolution, 1642-1660 Elizabeth Skerpan-Wheeler, 1992 What happens to the discourse of a political community when the ideological assumptions that underlie that discourse are challenged? This book looks at the interdependency between discourse and ideology by examining the petitions, published speeches and pamphlets of the English Revolution.

The Language of Politics in Seventeenth-Century England Conal Condren, 2016-07-27 This is a study of the words of political discourse in seventeenth-century England from which we now reconstruct its theories. Taking its starting point in modern theories of language, intellectual history is first reconceptualised. Part 1 presents an overview of the political domain in the seventeenth century, arguing that what we see as the political was fugitive and subject to reductionist pressures from better established fields of discourse. Further, there were strong pressures leading towards an indiscriminate and relatively general vocabulary in turn facilitating the imposition of our anachronistic images of political theory. Part 2 focuses on a subset of the political vocabulary, charting the changing relationships between the words: subject, citizen, resistance, rebellion, the coinage of rhetorical exchange. The final chapter returns most explicitly to the themes of the introduction by exploring how the historians' own vocabulary can be systematically misleading when taken into the context of seventeenth-century word use.

John Locke and the Theory of Sovereignty Julian H. Franklin, 1978-03-30 This volume is a sequel to the author's earlier work on the development of European theories of sovereignty and constitutionalism. Professor Franklin here explains a major innovation associated with the English Civil Wars. It was only now, he shows, that there finally emerged a theory of sovereignty and resistance that was fully compatible with a mixed constitution. The new conception of resistance in a mixed constitution was to enter the main tradition via Locke, who stood alone among major writers of the 1680s in holding that the effect of tyranny by any constituted power, even by the King alone, was entire dissolution of the government and the reversion of power to the general community. When this familiar position is read against the background of preceding constitutionalist theory, the *Second Treatise* reveals a new dimension of novelty and historical significance.

Revolution by Degrees J.

Rudolph,2002-09-13 This book examines the Whig theory of resistance that emerged from the Revolution of 1688 in England and presents an important challenge to the received opinion of Whig thought as confused and as inferior to the revolutionary principles set forth by John Locke While a wealth of Whig literature is analyzed Rudolph focuses upon the work of James Tyrrell presenting the first full length study of this seminal Whig theorist and friend and colleague of John Locke This book provides a compelling argument for the importance of Whig political thought for the history of liberalism *The Political Bible in Early Modern England* Kevin Killeen,2017 This book explores the Bible as a political document in seventeenth century England revealing how it provided a key language of political debate **Lawson: Politica Sacra Et Civilis** George Lawson,1992 Lawson s *Politica* is a systematic treatise on politics in church and state and is arguably the most significant work of political theory to have been printed during the Restoration crisis of 1659 60 It was widely discussed during the seventeenth century and particularly the revolution of 1688 9 This new modern edition is based on and corrects the first printed editions of 1660 and 1689 and contains an extensive introduction and notes designed to make this significant work accessible to both students and specialists **Western Political Thought** Robert Eccleshall,Michael Kenny,1995 This is a guide to the vast amount of literature on the history of political thought which has appeared in English since 1945 The editors provide an annotation of the content of many entries and where appropriate indicate their significance controversial nature and readability **Political Discourse in Early Modern Britain** Nicholas Phillipson,Quentin Skinner,1993-02-26 Inspired by the work of intellectual historian J G A Pocock this 1993 collection explores the political ideologies of early modern Britain *The House of Lords in the Reign of Charles II* Andrew Swatland,2002-05-02 The first comprehensive account of the Lords and politics in the reign of Charles II *A Union for Empire* John Robertson,2006-11-02 This volume of essays explores the intellectual context of the Anglo Scottish Union of 1707 Challenging the received view of the Union as a simple political job it argues instead that the Union was a landmark in the history of political thought It investigates the ideas of union universal monarchy and empire current in Europe and Britain before 1707 focuses on the issues of sovereignty at the centre of the Union debate itself and concludes by studying the aftermath of the debate in eighteenth century discussions of Britain s relations to Ireland and the North American Colonies Underlining the vitality of Scottish intellectual life before the Enlightenment the volume also gives unprecedented attention to the English view of the Union to its European setting and to its consequences for the subsequent understanding of the British Empire **Catholic and Reformed** Anthony Milton,2002-05-09 Religious controversy was central to political conflict in the years before the English Civil War Where earlier historians have focused more narrowly on the doctrine of predestination Dr Milton analyses the broader attitudes which underlay notions of religious orthodoxy Through the first comprehensive analysis of how contemporaries viewed the Roman and foreign Reformed churches in the early Stuart period Milton demonstrates the way in which an author s choice of a particular style of religious discourse could be used either to mediate or to provoke religious conflict This study challenges

many current historical orthodoxies It identifies the theological novelty of Laudianism but also exposes areas of ideological tension within the Jacobean Church Its wide ranging conclusions will be of vital concern to students of early Stuart religion and the origins of the English Civil War **The Pillars of Priestcraft Shaken** J. A. I. Champion,1992-03-12 First published in 1992 this book examines the intellectual confrontation between priest and Freethinker from 1660 to 1730 and the origins of the early phase of the Enlightenment in England Through an analysis of the practice of historical writing in the period Champion maintains that historical argument was a central component for displaying defences of true religion Taking religion and specifically defences of the Church of England after 1660 as central to the politics of the period the first two chapters of the book explore the varieties of clericalist histories arguing that there were rival emphases upon regnum or sacerdos as the font of true religion The remainder of the book examines how radical Freethinkers like John Toland or the third Earl of Shaftesbury set about attacking the corrupt priestcraft of established religion but also importantly promoted a reforming civil theology **Stewards, Lords and People** D. R. Hainsworth,2008-04 Stewards Lords and People analyses the role of the estate steward in the social mechanisms of later Stuart England **King James VI and I and the Reunion of Christendom** W. B. Patterson,2000-09-14 This book shows King James VI and I king of Scotland and England in an unaccustomed light Long regarded as inept pedantic and whimsical James is shown here as an astute and far sighted statesman whose reign was focused on achieving a permanent union between his two kingdoms and a peaceful and stable community of nations throughout Europe **Constitutional Royalism and the Search for Settlement, C.1640-1649** David L. Smith,2002-05-02 An investigation into the Constitutional royalists and their role in the English Revolution **The Bishops' Wars** Mark Charles Fissel,1994-03-31 A study of Charles I s two unsuccessful attempts to bring religious conformity to Scotland **John Locke** John Marshall,1994-08-11 This book provides a contextual account of the development of John Locke s political religious social and moral thought It analyses many of Locke s unpublished manuscripts and relatively neglected works as well as the Two Treatises the Letter Concerning Toleration and the Essay Concerning Human Understanding Professor Marshall studies the development of Locke s political thought from absolutism to resistance and provides significant revisions to current explanations of the immediate contexts and purposes of composition of the Two Treatises He also sets out major accounts of Locke s moral social and religious thought both as extremely important subjects in their own right and in order to challenge many scholars interpretations of their influences on Locke s political thought **Protestantism and Patriotism** Steven C. A. Pincus,2002-05-09 A detailed study of the first two Anglo Dutch Wars and the ideological contexts in which they were fought **Cheap Print and Popular Piety, 1550-1640** Tessa Watt,1991 This book looks at popular belief through a detailed study of the cheapest printed wares in London in the century after the Reformation

George Lawsons Politica And The English Revolution Introduction

In today's digital age, the availability of George Lawsons Politica And The English Revolution books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of George Lawsons Politica And The English Revolution books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of George Lawsons Politica And The English Revolution books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing George Lawsons Politica And The English Revolution versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, George Lawsons Politica And The English Revolution books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing George Lawsons Politica And The English Revolution books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded.

Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for George Lawsons Politica And The English Revolution books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system.

Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, George Lawsons Politica And The English Revolution books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of George Lawsons Politica And The English Revolution books and manuals for download and embark on your journey of knowledge?

FAQs About George Lawsons Politica And The English Revolution Books

What is a George Lawsons Politica And The English Revolution PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a George Lawsons Politica And The English Revolution PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a George Lawsons Politica And The English Revolution PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a George Lawsons Politica And The English Revolution PDF to another file format?** There are multiple ways

to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a George Lawsons Politica And The English Revolution PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
