George Macaulay Trevelyan A Portrait In Letters:

A Very British Family Laura Trevelyan, 2012-11-10 It is a rule that no Trevelyan ever sucks up either to the press or the chiefs or the right people The world has given us money enough to enable us to do what we think is right We thank it for that and ask no more of it but to be allowed to serve it G M Trevelyan The Trevelyans are unique in British social and political history a family which for several generations dedicated themselves to the service and chronicling of their country Often eccentric priggish high minded and utterly self regarding they have nonetheless left their mark on our past This engaging history dispassionately explores the lives and achievements of this unique family and the part they played in shaping the history of Great Britain From their inauspicious beginnings in a small dwelling in Cornwall to the present day some Trevelyans have been famous and distinguished others less so but for a hundred years from the mid nineteenth to the mid twentieth century family members from Lord Macaulay to G M Trevelyan contributed to both the writing and the making of history This book is primarily the tale of the five men who flourished during this period Charles Edward George Otto Charles Philips George Macaulay and Humphry Trevelyan and the clever and formidable women they married Including many vivid portraits of the most influential members of this remarkable family The Trevelyans casts light on the period of enormous social and cultural change in which they lived and examines why they chose not to simply exploit their position as landed gentry but instead to take their place at the centre of scholarship and politics *Culture, Thought and Belief in British Political Life Since 1800* Paul Readman, Geraint Thomas, 2024-10-15 Brings together agenda setting essays that illuminate the complex relationship between ideas and political activity in modern British history Ideas matter in modern British political life culture thought and belief are integral to the fabric of politics high and low foreign and domestic They are woven into the day to day business of debate policy and decision making This book shows how and why they have mattered so much Inspired by the work of Jonathan Parry it explores the cultural and intellectual influences on politics both formal and informal since the turn of the nineteenth century Featuring original interventions by some of the world's leading historians the essays in the volume are organised around themes of central relevance to the understanding of modern British political history They explore a wide range of subjects across political life and its intellectual and cultural hinterlands including constitutionalism and international political thought anticolonial activism race and imperial commemoration female political thinkers parliament monarchy and the law the politics of religion and patriotism and national identity This is an agenda setting text that will be essential reading for anyone wishing to understand the complex relationship between ideas and political activity in modern British history Paul Readman is Professor of Modern British History at King's College London Dr Geraint Thomas is Fellow and Director of Studies in History at Peterhouse University of Cambridge Contributors Michael Bentley John Bew Paul Bew David Cannadine Matthew Cragoe Tom Crewe Ben Griffin Boyd Hilton Michael Ledger Lomas Joanna Lewis Helen McCarthy Alex Middleton Susan D Pennybacker Kathryn Rix James Thompson Philip Williamson **Liberal Reform and**

Industrial Relations: J.H. Whitley (1866-1935), Halifax Radical and Speaker of the House of Commons John A.

Hargreaves, Keith Laybourn, Richard Toye, 2017-10-25 J H Whitley came from an established business family in Halifax where he engaged in youth work and municipal politics before becoming MP for Halifax from 1900 to 1928 He was a Liberal Radical who worked with Labour gave his name to the industrial councils of the First World War was Speaker of the House of Commons 1921-28 presiding over the debates at the time of the General Strike of 1926 In 1929-31 he toured India as chairman of the Royal Commission on Indian Labour and was chairman of the BBC between 1930 and 1935 He was thus a vitally important political figure who was active at the rise of Labour and the decline of Liberalism involved in the Liberal reforms of the Edwardian age and deeply concerned about industrial relations in early twentieth century Britain and beyond This volume brings together leading academics and provides new information and analysis on the life work and times of J H Whitley offering a study of his career in British politics and society focusing particularly on the last decade of the nineteenth century and the first three decades of the twentieth century *Clio's Lives* Doug Munro, John G. Reid, 2017-10-09 Including contributions from leading scholars in the field from both Australia and North America this collection explores diverse approaches to writing the lives of historians and ways of assessing the importance of doing so Beginning with the writing of autobiographies by historians the volume then turns to biographical studies both of historians whose writings were in some sense nation defining and those who may be regarded as having had a major influence on defining the discipline of history The final section explores elements of collective biography linking these to the formation of historical networks A concluding essay by Barbara Caine offers a critical appraisal of the study of historians biographies and autobiographies to date and maps out likely new directions for future work *Clio's Lives* is a very good scholarly collection that advances the study of autobiography and biography within the writing of history itself taking theoretical questions in significant new directions The contributors are well known and highly respected in the history profession and write with an insight and intellectual energy that will ensure the book has considerable impact They examine cutting edge issues about the writing of history at the personal level through autobiography and biography in diverse and innovative ways Together the writers have provided reflective chapters that will be widely read for their impressive theoretical advances as well as being inspirational for new entrants to the disciplinary area Patricia Grimshaw University of Melbourne *Clio's Lives* brings together a most interesting and varied cast of contributors Its chapters contain sophisticated and well penned ruminations on the uses of biography and autobiography among historians These are clearly connected with the general themes of the volume This delightfully mixed bag makes very good reading and as well will serve as a substantial contribution to the study of the biography and autobiography Eric Richards Flinders University *The First World War and the Mobilization of Biblical Scholarship* Andrew Mein, Nathan MacDonald, Matthew A. Collins, 2019-03-07 This fascinating collection of essays charts for the first time the range of responses by scholars on both sides of the conflict to the outbreak of war in August 1914 The volume examines

how biblical scholars like their compatriots from every walk of life responded to the great crisis they faced and with relatively few exceptions were keen to contribute to the war effort Some joined up as soldiers More commonly however biblical scholars and theologians put pen to paper as part of the torrent of patriotic publication that arose both in the United Kingdom and in Germany The contributors reveal that in many cases scholars were repeating or refining common arguments about the responsibility for the war In Germany and Britain where the Bible was still central to a Protestant national culture we also find numerous more specialized works where biblical scholars brought their own disciplinary expertise to bear on the matter of war in general and this war in particular The volume s contributors thus offer new insights into the place of both the Bible and biblical scholarship in early 20th century culture Hayek: A Collaborative Biography R. Leeson, 2015-01-15 F A Hayek 1899 1992 the co leader of the Austrian free market school embraced the transparently fraudulent assertion made by Donald McCormick aka Richard Deacon in The British Connection which accused A C Pigou the co leader of the Cambridge market failure school of being a Soviet spy **The Selected Letters of Bertrand Russell** Bertrand Russell, 2002 This long awaited second volume of Russell s best letters reveals the inner workings of a philosophical genius and an impassioned campaigner for peace and social reform The letters only three of which have been published before cover most of Russell s adult life a period in which he wrote over thirty books including his famous History of Western Philosophy Richly illustrated with photographs from Russell s life the collection includes letters to Ho Chi Minh Tito Jawaharlal Nehru and Albert Einstein **Mural Painting in Britain 1840-1940** Clare A.
