

1996 Summer Olympics Games of the XXVI Olympiad

From July 19 through August 4, 1996, Atlanta hosted the Centennial Summer Olympic Games, the largest event in Atlanta's history. In 1990, the International Olympic Committee chose Atlanta over five other cities. Atlanta attorney Billy Payne and Mayor Andrew Young were the prime architects of the winning bid. Preparations had an estimated economic impact of at least \$5.14 billion. Civic leaders built new sports venues, created park space, improved sidewalks and streets, and altered housing patterns. During the Olympics more than 2 million visitors came to Atlanta, and an estimated 3.5 billion people around the world watched on television. For the first time, all nations invited sent athletes, more than 10,000 competitors from 197 nations. The 1996 Olympics promoted Atlanta's image as an international city, positioning it to play an important role in global commerce.

Mary Turner and the Mob Thomas Aiello, 2025-01-23 A reinterpretation of one of America s most notorious lynchings The 1918 lynching of Mary Turner by a white mob in Brooks County Georgia is remembered and studied mainly because of the horror of an allegedly pregnant woman s murder In Mary Turner and the Mob author Thomas Aiello asserts that the gruesome details of Turner s execution have distracted historians from investigating the larger context of these terrible events Turner was murdered but not pregnant the author contends and Walter White the NAACP investigator in the case knew this but obscured the facts because of the story s effectiveness Aiello approaches Turner s murder and broader violence in Brooks County not only as a series of lynchings in the rural South but also as events best understood as part of a sustained wave of racial violence during the long Red Summer beginning in East St Louis in 1917 and continuing until the Tulsa Massacre in 1921
