Robert R. Redfield

Gerald And His World:

Gerald and His World Robert M. Morris, 1987 Gerald's own testimony is used extensively in this book to introduce various themes from medieval life especially in relation to Wales The book looks at twelfth century Wales its land and society the Norman invasion of Ireland the Third Crusade the troubled reign of Henry II and the Welsh Church Gerald himself was a vitally important figure in the story of the Welsh Church at this time **The World's Best One Hundred Detective**

Stories, 1929 **The World's Greatest Literature**, 1900 *All the World's a Stage* Larry Van Guilder, 2006-02 Antoine was scarcely aware of the fading light and wintry stillness as he envisioned sagging stalls replaced by a stage a balcony where the drooping loft now stood and carpeted floors with rows of seats in place of the packed dirt floor This is it he thought Antoine would make his dream a reality Independent filmmaker Antoine Bouvier seems to have everything he ever wanted With unforgettable performances by Rancid Mudd Miracle B Hinds Joe and the beautiful and bountiful Cameron D Angelo Antoine creates an underground cinematic sensation Who could deny the genius behind a film about bowel movements set against a backdrop of Republican notables Certainly not Antoine But fame is a greedy mistress and Antoine must now answer filmmaking's age old question now that you've made a movie about crap where do you go from here For Antoine there is only one answer live theater Can he pull it off and bring his vision to the stage **The World's Greatest Books — Volume 05 —**

Fiction Unknown, 2015-12-27 The World's Greatest Books Volume 05 An enterprise such as THE WORLD'S GREATEST BOOKS is to be judged from two different standpoints It may be judged with respect to its specific achievement the material of which it consists or it may be judged with regard to its general utility in the scheme of literature to which it belongs In an age which is sometimes ironically called remarkable for its commercialism nothing has been more truly remarkable than the advancement in learning as well as in material progress and of all the instruments that have contributed to this end none has been more effective perhaps than the practical popularisation of literature In THE WORLD'S GREATEST BOOKS an attempt has been made to effect a compendium of the world's best literature in a form that shall be at once accessible to every one and still faithful to its originals or in other words it has been sought to allow the original author to tell his own story over again in his own language but in the shortest possible space However we are aware that even THE WORLD'S GREATEST BOOKS will not escape the criticism of a small class of people who will profess to object to this as to any kind of interference with an author's original in reply to which it can only be said that such objections are seldom if ever made in the true interests of learning or in a genuine spirit of inquiry and too often only proceed from a knowledge of books or love of them which goes no deeper than their title page The selections in THE WORLD'S GREATEST BOOKS have been collected and are alphabetically arranged in ten different divisions namely Fiction Lives and Letters History Religion Philosophy Economics Science Poetry and Drama Travel and Adventure and Miscellaneous Literature An important additional feature of the work is the brief yet highly critical biographical and bibliographical note which accompanies every author and every selection

throughout the twenty volumes To this must be also added the not less important Introductory and other explanations written by experts which often accompany the selections in the text cardinal examples of which will be found in particular in the section of Religion of this work in the articles dealing with such subjects as the Book of the Dead Brahmanism Confucianism the Koran Talmud etc The World's Sages, Infidels and Thinkers, Being Biographical Sketches, Etc. With a Portrait. De Robigne Mortimer BENNETT,1876 The World's Greatest Religious Leaders Scott E. Hendrix,Uchenna Okeja,2018-03-01 This book provides reliable information about important world religious leaders correcting the misinformation that can be on the internet Religious leaders have shaped the course of history and deeply affected the lives of many individuals This book offers alphabetically arranged profiles of roughly 160 religious leaders from around the world and across time carefully chosen for their impact and importance and to maximize inclusiveness of faiths from around the world Scholars from around the world each one an expert in his or her field and all holding advanced degrees came together to create an essential resource for students and for those with an interest in religion and its history Every entry has been carefully edited in a two stage review process guaranteeing accuracy and readability throughout the work Not strictly a biographical reference that recounts the facts of religious figures lives the book helps users understand how the selected figures changed history The entries are accompanied by excerpts of primary source documents and suggestions for further reading while the book closes with a bibliography of essential print and electronic resources for further research
