German Actors of the Eighteenth and Nineteenth Centuries Simon Williams,1985-05-21      *German Actors of the Eighteenth and Nineteenth Centuries* Simon Williams,1985-05-21      **Theater and Nation in Eighteenth-Century Germany** Michael J. Sosulski,2017-03-02 In 1767 more than a century before Germany was incorporated as a modern nation state the city of Hamburg chartered the first Deutsches Nationaltheater What can it have meant for a German playhouse to have been a national theater and what did that imply about the way these theaters operated Michael Sosulski contends that the idea of German nationhood not only existed prior to the Napoleonic Wars but was decisive in shaping cultural production in the last third of the eighteenth century operating not on the level of popular consciousness but instead within representational practices and institutions Grounding his study in a Foucauldian understanding of emergent technologies of the self Sosulski connects the increasing performance of body discipline by professional actors soldiers and schoolchildren to the growing interest in German national identity The idea of a German cultural nation gradually emerged as a conceptual force through the work of an influential series of literary intellectuals and advocates of a national theater including G E Lessing and Friedrich Schiller Sosulski combines fresh readings of canonical and lesser known dramas with analysis of eighteenth century theories of nationhood and evolving acting theories to show that the very lack of a strong national consciousness in the late eighteenth century actually spurred the emergence of the German Nationaltheater which were conceived in the spirit of the Enlightenment as educational institutions Since for Germans nationality was a performed identity theater emerged as an ideal space in which to imagine that nation      ,      *Shakespeare on the German Stage: Volume 1, 1586-1914* Simon Williams,2004-11-11 Professor Williams focuses on the classical period of German literature and theatre when Shakespeare's plays were first staged in Germany in a relatively complete form and when they had a potent influence on the writings of German drama and dramatic criticism      Liszt and the Symphonic Poem Joanne Cormac,2017-10-26 A fresh evaluation of Liszt's symphonic poems based on contextual philosophical and musical evidence      *The Literature of Weimar Classicism* Simon Richter,2005 New essays providing an account of the shaping beliefs preoccupations motifs and values of Weimar Classicism In Germany Weimar Classicism roughly the period from Goethe's return to Germany from Italy in 1788 to the death of his friend and collaborator Schiller in 1805 is widely regarded as an apogee of literary art But outside of Germany Goethe is considered a Romantic and the notion of Weimar Classicism as a distinct period is viewed with skepticism This volume of new essays regards the question of literary period as a red herring Weimar Classicism is best understood as a project that involved the ambitious attempt not only to imagine but also to achieve a new quality of wholeness in human life and culture at a time when fragmentation division and alienation appeared to be the norm By not succumbing to the myth of Weimar and its literary giants but being willing to explore the phenomenon as a complex cultural system with a unique signature this book provides an account of its shaping beliefs preoccupations motifs

and values Contributions from leading German British and North American scholars open up multiple interdisciplinary perspectives on the period Essays on the novel poetry drama and theater are joined by accounts of politics philosophy visual culture women writers and science The reader is introduced to the full panoply of cultural life in Weimar its accomplishments as well as its excesses and follies Emancipatory and doctrinaire by turns the project of Weimar Classicism is best approached as a complex whole Contributors Dieter Borchmeyer Charles Grair Gail Hart Thomas Saine Jane Brown Cyrus Hamlin Roger Stephenson Elisabeth Krimmer Helmut Pfotenbauer Benjamin Bennett Astrida Orle Tantilillo W Daniel Wilson Simon J Richter is Associate Professor of German at the University of Pennsylvania

*Music in German Immigrant Theater* John Koegel, 2009 A history the first ever of the abundant traditions of German American musical theater in New York and a treasure trove of songs and information Nineteenth century New York was after Berlin and Vienna the third largest German populated city in the world German language musical plays and light operas held an important niche in the lives of German immigrants and their families John Koegel's *Music in German Immigrant Theater* New York City 1840 1940 tells for the first time the engrossing story of these theater works and the many musical numbers from them that became popular as separate songs Koegel documents performances in German of plays by Shakespeare and Goethe and operas by Offenbach Verdi and Johann Strauss And he draws long needed attention to German American musical comedies written beginning in the 1890s by ethnic parodist Adolf Philipp As their titles suggest *Der Corner Grocer aus der Avenue A* and *Der Pawnbroker von der Eastside* these musicals related directly to the daily experiences of the immigrant population *Music in German Immigrant Theater* is enriched by copious photographs sheet music title pages and musical examples as well as numerous sets of song lyrics some uproarious others touching in German and in English translation The accompanying CD includes recordings of many of the songs discussed in the book John Koegel is Professor of Musicology at California State University Fullerton WINNER 2009 ForeWord Reviews Book of the Year Award music category This book is also included in the AAUP's 2010 University Press Books Selected for Public and Secondary School Libraries along with a number of other URP books

**The Cambridge History of American Theatre** Don B. Wilmeth, Christopher Bigsby, 1998-02-28 The Cambridge History of American Theatre is an authoritative and wide ranging history of American theatre in all its dimensions from theatre building to play writing directors performers and designers Engaging the theatre as a performance art a cultural institution and a fact of American social and political life the History recognizes changing styles of presentation and performance and addresses the economic context that conditions the drama presented The History approaches its subject with a full awareness of relevant developments in literary criticism cultural analysis and performance theory At the same time it is designed to be an accessible challenging narrative Volume One deals with the colonial inceptions of American theatre through the post Civil War period the European antecedents the New World influences of the French and Spanish colonists and the development of uniquely American traditions in tandem with the emergence of national identity *The Oxford Companion to Theatre and Performance* Dennis Kennedy, 2010-08-26 An authoritative reference covering primarily actors playwrights directors styles and movements companies and organizations *The History of World Theater* Felicia Hardison Londré, Margot Berthold, 1999-01-01 Felicia Londré explores the world of theater as diverse as the Entertainments of the Stuart court and Arthur Miller directing Chinese actors at the Beijing People's Art Theater in *Death of a Salesman* Londré examines Restoration comedies the Comedie Francaise Italian opera seria plays of the Sturm und Drang movement Russian French and Spanish Romantic dramas American minstrel shows Brecht and dialectical theater Dighilev Dada Expressionism Theater of the Absurd productions and other forms of experimental theater of the late 20th century

**Acting** Mary Beth Osnes, 2001-12-07 A groundbreaking cross cultural reference work exploring the diversity of expression found in rituals festivals and performances uncovering acting techniques and practices from around the world *Acting An International Encyclopedia* explores the amazing diversity of dramatic expression found in rituals festivals and live and filmed performances Its hundreds of alphabetically arranged fully referenced entries offer insights into famous players

writers and directors as well as notable stage and film productions from around the world and throughout the history of theater cinema and television The book also includes a surprising array of additional topics including important venues from Greek amphitheatres to Broadway and Hollywood acting schools the Actor's Studio and companies the Royal Shakespeare performance genres from religious pageants to puppetry technical terms of the actor's art and much more It is a unique resource for exploring the techniques performers use to captivate their audiences and how those techniques have evolved to meet the demands of performing through Greek masks and layers of Kabuki makeup in vast halls or tiny theaters or for the unforgiving eye of the camera

The German-speaking Countries of Europe Margrit Beran Krewson, 1989

From the Holy Roman Empire to the Land of the Tsars Alexander M. Martin, 2022-03-03 In a manuscript in a Russian archive an anonymous German eyewitness describes what he saw in Moscow during Napoleon's Russian campaign Who was this nameless memoirist and what brought him to Moscow in 1812 The search for answers to those questions uncovers a remarkable story of German and Russian life at the dawn of the modern age Johannes Ambrosius Rosenstrauch 1768 1835 the manuscript's author was a man always on the move and reinventing himself He spent half his life in the Holy Roman Empire and the other half in Russia He was a barber surgeon an actor and a merchant as well as a Catholic a Freemason and a Lutheran pastor He saw the French Revolutionary and Napoleonic Wars founded a business that flourished for sixty years and took part in the Enlightenment the consumer revolution the Pietist Awakening and Russia's colonization of the Black Sea steppe A restless wanderer and seeker but also the progenitor of an influential merchant family he was a characteristic figure both of the Age of Revolution and of the bourgeois era that followed Presenting a broad panorama of life in the German lands and Russia from the Old Regime to modernity this microhistory explores how individual people shape and are shaped by the historical forces of their time

**The Persistence of Allegory** Jane K. Brown, 2013-04-23 In an impressively comparative work Jane K Brown explores the tension in European drama between allegory and neoclassicism from the sixteenth through the nineteenth century Imitation of nature is generally thought to triumph over religious allegory in the Elizabethan and French classical theater a shift attributable to the recovery of Aristotle's Poetics in the Renaissance But if Aristotle's terminology was rapidly assimilated Brown demonstrates that change in dramatic practice took place only gradually and partially and that allegory was never fully cast off the stage The book traces a complex history of neoclassicism in which new allegorical forms flourish and older ones are constantly revitalized Brown reveals the allegorical survivals in the works of such major figures as Shakespeare Calder n Racine Vondel Metastasio Goethe and Wagner and reads tragedy comedy masque opera and school drama together rather than as separate developments Throughout she draws illuminating parallels to modes of representation in the visual arts A work of broad interest to scholars teachers and students of theatrical form The Persistence of Allegory presents a fundamental rethinking of the history of European drama

The Critics' Canon Richard Hudson Palmer, 1988-10-19 Palmer clearly states that his purpose is to explain 1the ways of critics to theatre

practitioners the ways of theatre to inexperienced reviewers and the dynamic convergence of theatre and critic to anyone interested in theatre The work is a well written primer for writers and it will be useful primarily to performers who object to unfavorable criticism without understanding the nature and purpose of reviewing Accessible to general readers and undergraduates Choice Palmer begins with an examination of the theatrical review as a medium for informing and entertaining theatregoers documenting events of artistic of community importance and supporting theatre through critical evaluation and publicity He next comments on how journalistic pressures affect reviewers Citing brief examples from hundreds of reviews the author devotes a chapter to each of the elements that needs to be covered in a review including performers script direction music and choreography together with stage and lighting design and other physical aspects of the production The final chapter develops criteria for assessing the strengths and weaknesses of a theatrical review based on aesthetic standards the cultural tastes of theatregoers and the interests of the community Palmer s experience as both a theatre professional and a journalist gives him an intimate understanding of the antagonism that often develops between reviewers and those who feel themselves to be the target of irresponsible criticism His book provides a clear perspective on theatrical matters and guidelines that will help to improve standards of reviewing and create an appreciation of the essential relationship between the theatre and its critics

**Ira Aldridge** Bernth Lindfors,2011 This book describes the glory years of Ira Aldridge s first Continental tour during which he won more awards and honors often conferred by royalty than any other actor of his day Ira Aldridge Performing Shakespeare in Europe 1852 1855 the third volume of Bernth Lindfors s award winning biography traces the American born black classical actor s itinerary on his first Continental tour Starting in Brussels and following Aldridge up the Rhine to Basel on to Berlin and Vienna and cities in Prussia and Hungary Lindfors recounts the major performances and analyzes audience responses to them Because European audiences wanted to see this African actor in Shakespearean roles rather than in the melodramas and farces that were popular in Britain Aldridge concentrated almost exclusively on performing as Othello Shylock Macbeth and Richard III He performed the roles in English even when acting with local companies who spoke in German Hungarian or another European language Aldridge s impressive manner of interpreting these characters won him many honors awards and medals some bestowed by heads of state or by national academies Drawing on myriad reviews playbills and letters many of them penned by Aldridge himself Lindfors examines in detail Aldridge s interpretations of these timeless characters and shows why these were Aldridge s glory years Bernth Lindfors professor emeritus of English and African Literatures University of Texas at Austin is the author of Ira Aldridge The Early Years 1807 1833 and Ira Aldridge The Vagabond Years 1833 1852 both published by the University of Rochester Press in 2011 *University Bulletin* University of California (System),1985

**A Serious Matter and True Joy** Margaret Eleanor Menninger,2022-03-21 This book offers a novel approach to the history of high culture and new perspectives on the history of civil society in provincial Germany It makes the concept of place a central means for understanding how art culture

was defined consumed and importantly distributed over the course of the long nineteenth century It shows how temples of culture come to be built where they were built It further demonstrates who participated in their planning funding construction and ultimate evolution into public institutions highlighting underexamined links between the history of art culture and that of urban history and civil society The Performance of Power Sue-Ellen Case, Janelle G. Reinelt, 1991-05 Recently in the field of theatre studies there has been an increasing amount of debate and dissonance regarding the borders of its territory its methodologies subject matter and scholarly perspectives The nature of this debate could be termed political and in fact concerns the performance of power the struggle over power relations embedded in texts methodologies and the academy itself This striking new collection of nineteen divergent essays represents this performance of power and the way in which the recent convergence of new critical theories with historical studies has politicized the study of the theatre Neither play text performance nor scholarship and teaching can safely reside any longer in the free politically neutral self signifying realm of the aesthetic Politicizing theatrical discourse means that both the hermeneutics and the histories of theatre reveal the role of ideology and power dynamics New strategies and concepts and a vital new phase of awareness appear in these illuminating essays A variety of historical periods from the Renaissance through the Victorian and up to the most contemporary work of the Wooster group illustrate the ways in which contemporary strategies do not require contemporary texts and performances but can combine with historical methods and subjects to produce new theatrical discourse

When somebody should go to the books stores, search introduction by shop, shelf by shelf, it is truly problematic. This is why we present the books compilations in this website. It will very ease you to see guide **German Actors Of The Eighteenth And Nineteenth Centuries Idealism Romanticism And Realism** as you such as.

By searching the title, publisher, or authors of guide you truly want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be every best place within net connections.
