

A GERMAN WOMEN'S MOVEMENT

CLASS & GENDER IN HANOVER, 1880-1933

NANCY R. REAGIN

German Womens Movement Class And Gender In Hanover 1880 1933

Nancy R. Reagin

German Womens Movement Class And Gender In Hanover 1880 1933:

A German Women's Movement Nancy R. Reagin,1995

A German Women's Movement Nancy Ruth Reagin,1995

Nancy Reagin analyzes the rhetoric strategies and programs of more than eighty bourgeois women s associations in Hanover a large provincial capital from the Imperial period to the Nazi seizure of power She examines the social and demographic foundati *Germany, 1914-1933* Matthew Stibbe,2013-12-19 *Germany 1914 1933* Politics Society and Culture takes a fresh and critical look at a crucial period in German history Rather than starting with the traditional date of 1918 the book begins with the outbreak of the First World War in 1914 and argues that this was a pivotal turning point in shaping the future successes and failures of the Weimar Republic Combining traditional political narrative with new insights provided by social and cultural history the book reconsiders such key questions as How widespread was support for the war in Germany between 1914 and 1918 How was the war viewed both from above by leading generals admirals and statesmen and from below by ordinary soldiers and civilians What were the chief political social economic and cultural consequences of the war In particular did it result in a brutalisation of German society after 1918 How modern were German attitudes towards work family sex and leisure during the 1920s What accounts for the extraordinary richness and experimentalism of this period The book also provides a thorough and comprehensive discussion of the difficulties faced by the Weimar Republic in capturing the hearts and minds of the German people in the 1920s and of the causes of its final demise in the early 1930s

Gendering Modern German History Karen Hagemann,Jean H. Quataert,2008-08 To provide a critical overview in a comparative German American perspective is the main aim of this volume which brings together experts from both sides of the Atlantic Through case studies it demonstrates the extraordinary power of the gender perspective to challenge existing interpretations and rewrite mainstream arguments

Women and Achievement in Nineteenth-Century Europe Linda

L. Clark,2008-04-17 A history of European women s professional activities and organizational roles between 1789 and 1914

The Making of a German Constitution Margaret Barber Crosby,2008-03-15 It is impossible to comprehend the political development of the United States England or France without considering the US Constitution English common law or the Code Napoleon respectively Why then has legalism been neglected in the study of German politics Drawing on constitutional and legal history this book reconsiders the creation of the German state and the nature of the bourgeois revolution The author reviews the critical time period of 1814 1930 to demonstrate the links between the legal code and political evolution She argues that German liberals perceived that the ends of revolution could be achieved legislatively thus Germany was able to attain a modern political and social system while avoiding or at least delaying violent movements This book provides a republican synthesis of German political development through time

The Surplus Woman Catherine L. Dollard,2012 The first German women s movement embraced the belief in a demographic surplus of unwed women known as the *Frauen berschu* as a central leitmotif in the campaign for reform Proponents of the female surplus held that the advances

of industry and urbanization had upset traditional marriage patterns and left too many bourgeois women without a husband. This book explores the ways in which the realms of literature, sexology, demography, socialism, and female activism addressed the perceived plight of unwed women. Case studies of reformers including Lily Braun, Ruth Br. Elisabeth Gnauck, K. hne Helene Lange, Alice Salomon, Helene St. cker, and Clara Zetkin demonstrate the expansive influence of the discourse surrounding a female surfeit. By combining the approaches of cultural, social, and gender history, *The Surplus Woman* provides the first sustained analysis of the ways in which imperial Germans conceptualized anxiety about female marital status as both a product and a reflection of changing times.

Sexuality and German Fascism Dagmar Herzog, 2005. This volume makes a significant contribution to the field of German history, allowing experts in the field as well as researchers in other areas a forceful immersion into the workings and deployment of sexual categories and policies during and following the Third Reich. There is little doubt that it will become a standard text for teaching and future research. Sexuality, instead, they emphasize the interrelationships between incitement to sexual activity and persecution and mass murder. Dagmar Herzog is Professor of History at the Graduate Center, City University of New York, and the author of *Sex after Fascism: Memory and Morality in Twentieth Century Germany* (Princeton, 2004) and *Intimacy and Exclusion: Religious Politics in Pre-revolutionary Baden* (Princeton, 1996).

Prisoners of War and Local Women in Europe and the United States, 1914-1956 Matthias Reiss, Brian K. Feltman, 2022-04-19. This book brings together historians from Great Britain, the United States, Germany, France, Canada, Austria, and Latvia who have worked and published on fraternisation between Prisoners of War and local women during either the First or Second World War, providing the first comparative study of this multi-faceted phenomenon in different belligerent countries. By focusing on prisoners as wartime migrants and studying the nature and impact of their interactions with the local female population, this book expands the existing framework on prisoner of war studies. Its substantial scope and comparative approach make it an important point of reference in the growing research field of POW studies.

Sex, Freedom, and Power in Imperial Germany, 1880-1914 Edward Ross Dickinson, 2014-02-17. This is a study of the intense, complex, and escalating debate over sexuality and sexual morality that roiled politics in Germany between 1880 and 1914. That debate was grounded in the rapid evolution and growing complexity of German society: the multiplication of cultural groupings, professional associations, and social movements; the emergence of new social groups, social milieus, and professions; the rapid development of the media and commercial entertainments; and so on. All parties involved understood it to be a debate over the most fundamental question of modern political life: how to secure both national power and individual freedom in the context of rapid social and cultural change.

Cities, Sin, and Social Reform in Imperial Germany Andrew Lees, 2002. An important examination of the colorful histories of urbanization and social reform in Imperial Germany.

Sexual Treason in Germany during the First World War Lisa M. Todd, 2017-04-29. This book is the first comprehensive study of sexual lives in Germany and occupied Europe during the First World War. Reconsidering sex in

war brings to life a whole cast of characters too often left out of the historical narrative widowed women who worked as prostitutes fresh faced recruits who experienced the war in a VD hospital eugenicists who conflated sex and national decline soldiers wives ostracized by neighbourhood rumour mills By considering the confluence of public discourse state policy and everyday life Lisa M Todd adds to the growing body of knowledge on war and society in the twentieth century By incorporating the 1914 1918 experience into the longer frame of the pre war sex reform movement and the post war Allied occupation of the Rhineland this book is able to more fully evaluate the impact of the war years on the history of intimate relations in early twentieth century Germany

Life and Times in Nazi Germany Lisa Pine, 2016-02-25 Lisa Pine assembles an impressive array of influential scholars in *Life and Times in Nazi Germany* to explore the variety and complexity of life in Germany under Hitler's totalitarian regime The book is a thematic collection of essays that examine the extent to which social and cultural life in Germany was permeated by Nazi aims and ambitions Each essay deals with a different theme of daily German life in the Nazi era with topics including food fashion health sport art tourism and religion all covered in chapters based on original and expert scholarship *Life and Times in Nazi Germany* which also includes 24 images and helpful end of chapter select bibliographies provides a new lens through which to observe life in Nazi Germany one that highlights the everyday experience of Germans under Hitler's rule It illuminates aspects of life under Nazi control that are less well known and examines the contradictions and paradoxes that characterised daily life in Nazi Germany in order to enhance and sophisticate our understanding of this period in the nation's history This is a crucial volume for all students of Nazi Germany and the history of Germany in the 20th century

Right-Wing Women Paola Bacchetta, Margaret Power, 2013-01-11 An oft neglected subject right wing women are an important component in understanding the many racist fascist and anti feminist movements of the 20th century Providing original research on an array of right wing groups around the world the contributors paint a disturbing and complicated portrait of the women involved in these movements From Mussolini supporters to Klanswomen this collection provides an eye opening look at extremist women

Gender and Fascism in Modern France Melanie Hawthorne, Richard Joseph Golsan, 1997 Discovering the ways gender issues are articulated in the cultures of the extreme right in modern France

Beyond Totalitarianism Michael Geyer, Sheila Fitzpatrick, 2009 These essays rethink the nature of Stalinism and Nazism and establish a new methodology for viewing their histories that goes well beyond outdated twentieth century models of totalitarianism ideology and personality They offer a new understanding of the intertwined trajectories of socialism and nationalism in European and global history

The Whole Wide World, Without Limits Mary McCune, 2005-06-14 An analysis of gender politics in the American Jewish community during the interwar period that reveals the role of gender and class in organizational politics and the importance of Jewish women in American political and activist history Often perceived as being removed from the rough and tumble world of male politics women involved in relief during World War I and the 1920s found themselves grappling daily with questions of ideology nationalism

and political statehood Participation in large scale relief work provided Jewish women with a firm sense of their own capabilities and contributed to their heightened sense of gender consciousness Their experience provides powerful evidence that women activists in the post suffrage period sustained a notable degree of separation from men even as they propounded gender equality thereby facilitating American Jewish women s entrance into the public realm without their having to sacrifice commitment to either Jewish or women s issues Gendered and separatist strategies enabled women to bring their concerns into the public sphere affect the course of American Jewish history and shape modern American Jewish identity The Whole Wide World Without Limits explores the international relief activities of three American Jewish organizations during this period the National Council of Jewish Women Hadassah the Women s Zionist Organization of America and the Workmen s Circle Women in all three organizations vigorously raised money for Jews in the war zones and continued to help them after the armistice Author Mary McCune demonstrates the significance of the work of each group while analyzing the interactions between class ethnicity religion and gender consciousness both inside the Jewish community and in the broader American context McCune looks at a wide variety of Jewish women Zionists and anti Zionists religious and secular capitalists and socialists wealthy and working class and sheds light on the myriad ways that personal identity shapes public activism More importantly this book reveals how women s charity work and their use of gendered strategies exerted influence over seemingly unrelated political events

Working Towards the Führer Anthony McElligott, Tim Kirk, 2003 Working towards the F hrer brings together leading historians writing on the Third Reich in honour of Sir Ian Kershaw whose own work along with that of the contributors to this volume has done much to challenge and change our understanding of the way Nazi Germany functioned Covering issues such as the legacy of the world wars the female voter propaganda occupied lands the judiciary public opinion and resistance this volume furthers the debate on how Nazi Germany operated Gone are the post war stereotypes of a monolithic state driven forward by a single will towards war and genocide Instead there is a more complex picture of the regime and its actions one that shows the instability of the dictatorship its dependence on a measure of consent as well as coercion which recognises the constraints on political action the fickleness of popular attitudes and the ambiguous ephemeral nature of acclamation and opposition alike This is a remarkable collection of essays by leading historians in the field that will undoubtedly be welcomed by students and lecturers of German History

A History of Women's Writing in Russia Adele Marie Barker, Jehanne M. Gheith, 2002-07-11 A History of Women s Writing in Russia offers a comprehensive account of the lives and works of Russia s women writers Based on original and archival research this volume forces a re examination of many of the traditionally held assumptions about Russian literature and women s role in the tradition In setting about the process of reintegrating women writers into the history of Russian literature contributors have addressed the often surprising contexts within which women s writing has been produced Chapters reveal a flourishing literary tradition where none was thought to exist They redraw the map defining Russia s literary periods they look at how Russia s

women writers articulated their own experience and they reassess their relationship to the dominant male tradition The volume is supported by extensive reference features including a bibliography and guide to writers and their works *The Heimat Abroad* K. Molly O'Donnell, Renate Bridenthal, Nancy Reagin, 2010-02-22 Germans have been one of the most mobile and dispersed populations on earth Communities of German speakers scattered around the globe have long believed they could recreate their Heimat homeland wherever they moved and that their enclaves could remain truly German Furthermore the history of Germany is inextricably tied to Germans outside the homeland who formed new communities that often retained their Germanness Emigrants including political economic and religious exiles such as Jewish Germans fostered a nostalgia for home which along with longstanding mutual ties of family trade and culture bound them to Germany The Heimat Abroad is the first book to examine the problem of Germany's long and complex relationship to ethnic Germans outside its national borders Beyond defining who is German and what makes them so the book reconceives German identity and history in global terms and challenges the nation state and its borders as the sole basis of German nationalism Krista O'Donnell is Associate Professor of History William Paterson University Nancy Reagin is Professor of History Pace University Renate Bridenthal is Emerita Professor of History Brooklyn College of the City University of New York

German Womens Movement Class And Gender In Hanover 1880 1933 Introduction

In today's digital age, the availability of German Womens Movement Class And Gender In Hanover 1880 1933 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of German Womens Movement Class And Gender In Hanover 1880 1933 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of German Womens Movement Class And Gender In Hanover 1880 1933 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing German Womens Movement Class And Gender In Hanover 1880 1933 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, German Womens Movement Class And Gender In Hanover 1880 1933 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing German Womens Movement Class And Gender In Hanover 1880 1933 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for German Womens Movement Class And Gender In Hanover 1880 1933 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, German Womens Movement Class And Gender In Hanover 1880 1933 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of German Womens Movement Class And Gender In Hanover 1880 1933 books and manuals for download and embark on your journey of knowledge?
