German Politics 1945 1995:

German Politics, 1945-1995 Peter G. J. Pulzer, 1995 With the opening of the Berlin Wall in 1989 and the unification of 1990 a new German state emerged the fifth constitutional upheaval and the fourth change of frontiers in this century This book aims to introduce the reader to the legacy that present day Germany has inherited from both East and West and from the period before 1945 It looks at the way political life has evolved since the Second World War tracing the way the political parties the institutions of government and social forces have shaped the Germany that we know and frequently misunderstand today

The German Polity Eric Langenbacher, David P. Conradt, 2017-02-16 This thoroughly revised and updated edition provides a comprehensive introduction to contemporary Germany one of the world's leading economic and political powers Tracing the country's transformation since World War II the authors provide an in depth guide to Germany's institutions actors and challenges

A History of Modern Germany Martin Kitchen, 2011-05-02 Featuring revised and extended coverage the second edition of A History of Modern Germany offers an accessible and engagingly written account of German history from 1800 to the present Provides readers with a long view of modern German history revealing its continuities and changes Features updated and extended coverage of German social change and modernization class religion and gender Includes more in depth coverage of the German Democratic Republic Examines Germany's social political and economic history Covers the unification of Germany the German Empire the Weimar Republic the Third Reich post war division the collapse of Communism and developments since reunification Addresses regional history rather than focusing on the dominant role of Prussia

Continuity and Change in German Politics Stephen Padgett, Thomas Poguntke, 2002 Over three decades Gordon Smith has written authoritatively and with style on almost every aspect of German politics In this volume leading UK and German scholars use themes from his work in an examination of the evolution of German policy in the face of socio economic change globalisation European integration and the domestic upheaval of unification
