# George Curry 1861 1947 An Autobiography

**Richard E. Killblane**

## **George Curry 1861 1947 An Autobiography:**

*George Curry 1861* George Curry, 2003-01-01      *New Mexico's Quest for Statehood, 1846-1912* Robert W.

Larson, 2013-08-15 Why did New Mexico remain so long in political limbo before being admitted to the Union as a state Combining extensive research and a clear and well organized style Robert W Larson provides the answers to this question in a thorough and comprehensive account of the territory s extraordinary six decade struggle for statehood This book is no mere chronology of political moves however It is the history of a turbulent frontier state sweeping into the current almost every colorful character of the territory Not only politicians but ranchers outlaws soldiers newspapermen Indians merchants lawyers and people from every walk of life were involved This is a book for the reader who is interested in any aspect of southwestern territorial history

**They Were the Rough Riders** Richard E. Killblane, 2022-06-03 After just four weeks of training Colonel Theodore Roosevelt s Rough Riders a regiment of cowboys recruited into the First U S Volunteer Cavalry fought in Cuba during the Spanish American War with the skill of seasoned regulars The unit reflected the future president s character as a wealthy Ivy Leaguer who went west to experience frontier life Most of the Rough Riders were seasoned cowhands from the Southwest but Ivy League athletes sons of millionaires and lawmen filled out the ranks Roosevelt molded this diverse group into a cohesive efficient fighting force and led them to victory on San Juan Hill Told from the perspective of the men in the regiment this book traces the history of the Rough Riders from conception to disbanding and Roosevelt s transformation into an American hero

**Governors and the Progressive Movement** David R. Berman, 2019-06-15 *Governors and the Progressive Movement* is the first comprehensive overview of the Progressive movement s unfolding at the state level covering every state in existence at the time through the words and actions of state governors It explores the personalities ideas and activities of this period s governors including lesser known but important ones who deserve far more attention than they have previously been given During this time of greedy corporations political bosses corrupt legislators and conflict along racial class labor management urban rural and state local lines debates raged over the role of government and issues involving corporate power racism voting rights and gender equality issues that still characterize American politics Author David R Berman describes the different roles each governor played in the unfolding of reform around these concerns in their states He details their diverse leadership qualities governing styles and accomplishments as well as the sharp regional differences in their outlooks and performance and finds that while they were often disposed toward reform governors held differing views on issues and how to resolve them *Governors and the Progressive Movement* examines a time of major changes in US history using relatively rare and unexplored collections of letters newspaper articles and government records written by and for minority group members labor activists and those on both the far right and far left By analyzing the governors of the era Berman presents an interesting perspective on the birth and implementation of controversial reforms that have acted as cornerstones for many current political issues This book will be of interest to students and

scholars of US history political science public policy and administration      Murder on the White Sands Corey Recko,2007 The evidence pointed at three men former deputies William McNew James Gililand and Oliver Lee These three men however were very close with powerful ex judge lawyer and politician Albert B Fall It was even said by some that Fall was the mastermind behind the plot to kill Fountain Forced to wait two years for a change in the political landscape Garrett finally presented his evidence to the court and secured indictments against the three suspects The trial took place in the secluded town of Hillsboro The murders of the Fountains became an afterthought as the accused men defended by their attorney Fall pleaded innocence Missing witnesses plagued the prosecution and armed supporters of the defendants who packed the courtroom intimidated others The verdict not guilty      **The Development of the Law of Gambling** National Institute of Law Enforcement and Criminal Justice,1977      **Encyclopedia of Western Gunfighters** Bill O'Neal,1979 Sifting factual information from among the lies legends and tall tales the lives and battles of gunfighters on both sides of the law are presented in a who s who of the violent West      **Deadly Dozen** Robert K. DeArment,2012-11-27 Think gunfighter and Wyatt Earp or Billy the Kid may come to mind but what of Jim Moon Joel Fowler Zack Light A host of other figures helped forge the gunfighter persona but their stories have been lost to time In a sequel to his Deadly Dozen celebrated western historian Robert K DeArment now offers more biographical portraits of lesser known gunfighters men who perhaps weren t glorified in legend or song but who were rightfully notorious in their day DeArment has tracked down stories of gunmen from throughout the West characters you won t find in any of today s western history encyclopedias but whose careers are colorfully described here Photos of the men and telling quotations from primary sources make these characters come alive In giving these men their due DeArment takes readers back to the gunfighter culture spawned in part by the upheavals of the Civil War to a time when deadly duels were part of the social fabric of frontier towns and the Code of the West was real His vignettes offer telling insights into conditions on the frontier that created the gunfighters of legend These overlooked shooters never won national headlines but made their own contributions to the blood and thunder of the Old West people less than legends but all the more fascinating because they were real Readers who enjoyed DeArment s Deadly Dozen will find this book equally captivating as gripping as a showdown twelve times over      Forty-Seventh Star David V. Holtby,2012-09-28 New Mexico was ceded to the United States in 1848 at the end of the war with Mexico but not until 1912 did President William Howard Taft sign the proclamation that promoted New Mexico from territory to state Why did New Mexico s push for statehood last sixty four years Conventional wisdom has it that racism was solely to blame But this fresh look at the history finds a more complex set of obstacles tied primarily to self serving politicians Forty Seventh Star published in New Mexico s centennial year is the first book on its quest for statehood in more than forty years David V Holtby closely examines the final stretch of New Mexico s tortuous road to statehood beginning in the 1890s His deeply researched narrative juxtaposes events in Washington D C and in the territory to present the repeated collisions between New Mexicans seeking to control their

destiny and politicians opposing them including Republican U S senators Albert J Beveridge of Indiana and Nelson W Aldrich of Rhode Island Holtby places the quest for statehood in national perspective while examining the territory s political economic and social development He shows how a few powerful men brewed a concoction of racism cronyism corruption and partisan politics that poisoned New Mexicans efforts to join the Union Drawing on extensive Spanish language and archival sources the author also explores the consequences that the drive to become a state had for New Mexico s Euro American Nuevomexicano American Indian African American and Asian communities Holtby offers a compelling story that shows why and how home rule mattered then and now for New Mexicans and for all Americans      **Such Men As Billy the Kid** Joel

Jacobsen,1997-07-01 A lively lucid compelling account of complex and confusing events about which scholars are still puzzling WASHINGTON TIMES This story of greed violence and death has entered American folklore through the mythologizing of the career of Billy the Kid and also through a tendency to see the Lincoln County War as emblematic of frontier lawlessness Illustrations      The Evolution of American Legislatures Peverill Squire,2012-06-25 Squire offers a

comprehensive history of legislatures core institutions in American political development      **Man-Hunters of the Old**

**West** Robert K. DeArment,2017-04-06 Settlers in the frontier West were often easy prey for criminals Policing efforts were scattered at best and often amounted to vigilante retaliation To create a semblance of order freelance enforcers of the law known as man hunters undertook the search for fugitives These pursuers have often been portrayed as ruthless bounty hunters no better than the felons they pursued Robert K DeArment s detailed account of their careers redeems their reputations and reveals the truth behind their fascinating legends As DeArment shows man hunters were far more likely to capture felons alive than their popular image suggests Although Wanted Dead or Alive reward notices were posted during this period they were reserved for the most murderous desperadoes Man hunters also came from a variety of backgrounds in the East and the West of the eight men whose stories DeArment tells one began as an officer for an express company and another was the head of an organization of local lawmen Others included a railroad detective a Texas Ranger a Pinkerton operative and a shotgun messenger for a stagecoach line All were tough survivors living through gunshot wounds snakebites disease buffalo stampedes and every other hazard of life in the Wild West They also crossed paths with famous criminals and sheriffs from John Wesley Hardin and Sam Bass to Wyatt Earp Butch Cassidy and the Sundance Kid Telling the true stories of famous men who risked their lives to bring western outlaws to justice Man Hunters of the Old West dispels long held myths of their cold blooded vigilantism and brings fresh nuance to the lives and legends that made the West wild      **Chasing the**

**Santa Fe Ring** David L. Caffey,2014-03-15 David L Caffey s book tells the story of the rise and fall of the Santa Fe Ring

looking beyond myth and symbol to explore the history of this remarkably durable alliance      **Six-Guns and Saddle**

**Leather** Ramon Frederick Adams,1998-02-25 Authoritative guide to everything in print about lawmen and the lawless from Billy the Kid to the painted ladies of frontier cow towns Nearly 2 500 entries taken from newspapers court records and more

When Cimarron Meant Wild David L. Caffey, 2023-04-27 The Spanish word cimarron meaning wild or untamed refers to a region in the southern Rocky Mountains where control of timber gold coal and grazing lands long bred violent struggle After the U S occupation following the 1846 1848 war with Mexico this tract of nearly two million acres came to be known as the Maxwell Land Grant When Cimarron Meant Wild presents a new history of the collision that occurred over the region s resources between 1870 and 1900 Author David L Caffey describes the epic late nineteenth century range war in an account deeply informed by his historical perspective on social political and cultural issues that beset the American West to this day Cimarron country churned with the tensions of the Old West land disputes lawlessness violence and class war among miners a foreign corporation local elites Texas cattlemen and the haughty Santa Fe Ring of lawyerly speculators And present still were the indigenous Jicarilla Apache and Mouache Ute people dispossessed of their homeland by successive Spanish Mexican and American regimes A Mexican grant of uncertain size and bounds awarded to Carlos Beaubien and Guadalupe Miranda in 1841 and later acquired by Lucien Maxwell marked the beginning of a fight for control of the land and set off overlapping conflicts known as the Colfax County War the Maxwell Land Grant War and the Stonewall War Caffey draws on new research to paint a complex picture of these events and of those that followed the sale of the claim to investors in 1870 These clashes played out over the following thirty years involving the new English owners miners and prospectors livestock grazers and farmers and Native Americans Just how wild was the Cimarron country in the late 1800s And what were the consequences for the region and for those caught up in the conflict The answers pursued through this remarkable work enhance our understanding of cultural and economic struggle in the American West

**A History of the Jews in New Mexico** Henry Jack Tobias, 1990 Ch I pp 7 21 traces the Jewish presence in the state of New Mexico to the Spanish period when the region was colonized between 1598 1680 Persecuted by the Inquisition in colonial Mexico in the 1590s and 1640s many Portuguese Conversos fled north to New Leon and New Mexico to seek refuge States that until recently many New Mexican Hispanics have been unaware that they observe Jewish traditions Some have complained of being called killers of Christ The present Jewish population is composed mainly of descendants of German Jews who emigrated after 1846 48 In New Mexico there were almost no manifestations of antisemitism apart from sporadic attacks against Jews e g in 1867 in the press which showed that personal politics or Jewish economic prominence could elicit latent antisemitism In 1982 a controversy broke out about the use of the swastika and Nazi like uniforms in the State University s yearbook and in 1967 Reies Tijerina a Christian fundamentalist accused Jews of having stripped the Hispanics of their ancestral lands

*The United States Marshals of New Mexico and Arizona Territories, 1846-1912* Larry D. Ball, 1982-02 The pathbreaking classic on law enforcement on the frontier of the American West

**Buried Treasures** Richard Melzer, 2007 Melzer offers an impressive new book about famous New Mexico gravesites usually the only monuments left to honor the human treasures who helped shape state national and often international history

*The West of Billy the Kid* Frederick Nolan, 2015-02-16 In The West of Billy the Kid

renowned authority Frederick Nolan has assembled a comprehensive photo gallery of the life and times of Billy the Kid In text and in more than 250 images many of them published here for the first time Nolan recreates the life Billy lived and the places and people he knew This unique assemblage is complemented by maps and a full biography that incorporates Nolan s original research adding fresh depth and detail to the Kid s story and to the lives and backgrounds of those who witnessed the events of his life and death Here are the faces of Billy s family friends and enemies John Tunstall and John Chisum Sheriff Pat Garrett and Governor Lew Wallace Jimmy Dolan and Bob Olinger Alexander McSween and Paulita Maxwell and many others Here are Santa Fe and Silver City as Billy the Kid saw them Lincoln Las Vegas and Tascosa Recent photographs show the Kid s haunts as they appear today      *The Boys of '98* Dale L. Walker,2025-08-22 In *The Boys of 98* Spur Award winning author Dale L Walker tells the colorful story of Americas most memorable fighting force the volunteer cavalry known as the Rough Riders From its members and their slapdash training in Texas and Florida to its battles at Las Gusimas and San Juan Hill under the command of Theodore Roosevelt who kept riding some say into the White House This lively and carefully detailed narrative of one of the more unlikely military units and of a short savage war celebrates some gallant men and catches their nation at the moment it emerged as a world power Kirkus Reviews At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied
