

George F Kennan An Annotated Bibliography

Raffaela Di Napoli

George F Kennan An Annotated Bibliography:

George F. Kennan ,1997-03-11 The writings of George F Kennan diplomat historian and Soviet expert are a rich source for anyone trying to understand 20th century United States diplomacy particularly the struggles surrounding the Cold War This bibliography is the first to bring together and annotate works by and about Kennan The first section provides comprehensive coverage of Kennan s books and journal articles It also includes his most significant newspaper articles book reviews and selected U S Federal Documents The second section covering works about Kennan includes articles biographies and monographs with substantial material on Kennan The section is selective focusing on recent comment but providing a range of interpretations A Russian specialist in the State Department from 1926 to 1953 Kennan served in Moscow for several years and was Ambassador to the Soviet Union and to Yugoslavia Kennan s most influential contribution was the policy of containment of the Soviet Union although he later became critical of the execution of that policy This bibliography is the first to bring together and annotate works by and about Kennan The book s first section provides comprehensive coverage of Kennan s books and journal articles It also includes his most significant newspaper articles his book reviews and selected U S Documents such as Congressional hearing transcripts The second section covers works about Kennan including articles biographies and monographs with substantial material on Kennan This section is selective emphasizing recent opinion and comment but the range of works provides differing interpretations and gives an overview of the historiographical developments in Cold War history

George Kennan John Lukacs,2007-04-24 A man of impressive mental powers of extraordinary intellectual range and last but not least of exceptional integrity George Frost Kennan 1904 2005 was an adviser to presidents and secretaries of state with a decisive role in the history of this country and of the entire world for a few crucial years in the 1940s after which he was made to retire but then he became a scholar who wrote seventeen books scores of essays and articles and a Pulitzer Prize winning memoir He also wrote remarkable public lectures and many thousands of incisive letters laying down his pen only in the hundredth year of his life Having risen within the American Foreign Service and been posted to various European capitals and twice to Moscow Kennan was called back to Washington in 1946 where he helped to inspire the Truman Doctrine and draft the Marshall Plan Among other things he wrote the X or Containment article for which he became and still is world famous an article which he regarded as not very important and liable to misreading John Lukacs describes the development and the essence of Kennan s thinking the perhaps unavoidable misinterpretations of his advocacies his self imposed task as a leading realist critic during the Cold War and the importance of his work as a historian during the second half of his long life

Kennan and the Cold War David Felix,2017-07-05 With his policy of containment US diplomat George F Kennan 1904 2005 devised a way to resist the Soviet Union s attempt to conquer the world for Communism That way was to go to the brink of war to prevent war His idea was first expressed in his famous Long Telegram from Moscow on February 22 1946 It took genius to see a wartime ally as a dangerous adversary and

to convince the American leadership to act upon it Back in the United States the young diplomat first acted as deputy commandant in the National War College He then operated as director of the State Department s Policy Planning Staff to restore Europe from wartime destruction By 1950 Kennan began to reverse his thinking believing that the military component of American policy was going too far While his old colleagues continued to develop US power given point by the atomic bomb Kennan withdrew from government and began a new career as a public intellectual campaigning for a more peaceable policy in his eighteen books and articles and talks The breakdown of the Soviet economy in the 1980s showed that Kennan was right the second time as well Always sympathetic to the Russian people and culture which the later Soviet leaders appreciated Kennan was able to welcome the new non Communist Russia into a more peaceable relationship with the democracies that ended the Cold War His life and works have become a national treasure Vietnam, an Annotated Bibliography ,1968 **Politics, Order and History** Glenn Hughes,Stephen McKnight,Geoffrey Price,2001-03-01 This volume brings together critical review papers many specially commissioned on key themes and questions in the work of the political scientist philosopher and religious thinker Eric Voegelin 1901 1985 Areas covered include 1 Political science Political Religions manifestations in Nazi Germany and in contemporary European and North American nationalism 2 International relations the Cold War in critical perspective 3 Philosophy Plato and Aristotle in the reading of Eric Voegelin contemporary assessments 4 Sociology Correspondence of Voegelin and Alfred Sch tz 5 New Testament studies and Christology questions and developments for Voegelin s interpretations 6 Old Testament studies questions and developments from Voegelin s Israel and Revelation 7 Historical sociology Revelation and order in axial age societies 8 Philosophy of history Voegelin and Toynbee in contrast 9 Literary studies Voegelin in contrast with contemporary literary theory critical readings of Milton Greek tragedy **Gnostic Wars** Stefan Rossbach,2019-08-07 Stefan Rossbach reminds us of the philosophical and spiritual underpinnings of the Cold War era drawing on the traditions of apocalypticism millenarianism and Gnostic spirituality *A Companion to Harry S. Truman* Daniel S. Margolies,2012-07-30 With contributions from the most accomplished scholars in the field this fascinating companion to one of America s pivotal presidents assesses Harry S Truman as a historical figure politician president and strategist Assembles many of the top historians in their fields who assess critical aspects of the Truman presidency Provides new approaches to the historiography of Truman and his policies Features a variety of historiographic methodologies *Presidents, Diplomats, and Other Mortals* Robert H. Ferrell,2007 From Abraham Lincoln s stance on international slavery to George W Bush s incursions on the world stage American presidents and other leaders have taken decisive actions to shape our country s foreign policy This new collection of essays provides analytical narratives of how and why policies were devised and implemented that would determine the place of the United States in the international arena from the 1860s to the present Showing what individuals do or choose not to do is central to understanding diplomacy in peace and war These writings by such prominent historians as Terry H Anderson and Eugene P

Trani examine presidents and other diplomats at their best and worst in the practice of statecraft They take on issues ranging from America s economic expansion abroad to the relations of democracies with authoritarian leaders and rogue nations to advocacy of such concepts as internationalism unilateralism nation building and regime change In so doing they take readers on a virtual tour of American diplomatic history tracing the ideas and actions of individuals in shaping our foreign policy whether George F Kennan as author of Soviet containment or Ronald Reagan as progenitor of Star Wars The essays range over a variety of scenarios to depict leaders coming to grips with real world situations They offer original views on such topics as American diplomacy toward Nicaragua origins of U S attitudes toward Russia and the Soviet Union FDR s idiosyncratic approach to statecraft and food diplomacy as practiced by LBJ and Richard Nixon And in considering post Cold War crises they address Bill Clinton s military interventions George W Bush s war against Iraq and the half century background to the current nuclear standoff with Iran Additional articles pay tribute to the outstanding career of Robert H Ferrell as a scholar and teacher Throughout the volume the authors seek to exemplify the scholarly standards of narrative diplomatic history espoused by Robert Ferrell especially the notion that historians should attempt to explain fully the circumstances opportunities and pressures that influence foreign policy decisions while remembering that historical actors cannot with certainty predict the outcomes of their actions Presidents Diplomats and Other Mortals is both a collection of compelling historical studies and an overarching case study of the role of individuals in foreign policy making and an insightful review of some of history s most important moments Taken together these essays provide a fitting tribute to Ferrell the trailblazing scholar in whose honor the book was written

Mr. X and the Pacific Paul J. Heer, 2018-05-15 George F Kennan is well known as the preeminent American expert on the Soviet Union during the Cold War and the author of the doctrine of containment In *Mr X and the Pacific* Paul J Heer chronicles and assesses Kennan s work in affecting US policy toward East Asia Heer traces the origins development and bearing of Kennan s strategic perspective on the Far East during his time as director of the State Department s Policy Planning Staff from 1947 to 1950 The author follows Kennan s career and evolution of his thinking as he subsequently became a prominent critic of American participation in the Vietnam War *Mr X and the Pacific* offers readers a new view of Kennan revealing his importance and the totality of his role in East Asia policy his struggle with American foreign policy in the region and the ways in which Kennan s legacy still has implications for how the United States approaches the region in the twenty first century

Bulletin of Bibliography , 1998

Understanding War Christian P. Potholm, 2016-08-03 The third book in Professor Christian Potholm s war trilogy which includes *Winning at War* and *War Wisdom* *Understanding War* provides a most workable bibliography dealing with the vast literature on war and warfare As such it provides insights into over 3000 works on this overwhelmingly extensive material *Understanding War* is thus the most comprehensive annotated bibliography available today Moreover by dividing war material into eighteen overarching themes of analysis and fifty seminal topics and focusing on these *Understanding War* enables the reader to

access and understand the broadest possible array of materials across both time and space beginning with the earliest forms of warfare and concluding with the contemporary situation Stimulating and thought provoking this volume is essential for an understanding of the breadth and depth of the vast scholarship dealing with war and warfare through human history and across cultures

The Structure of Political Geography Julian Minghi, 2017-09-04 This volume seeks to provide a sense of purpose and order to the study of political geography The editors devise a conceptual structure for the field bringing political geography into line with trends in contemporary geography as a whole and with other social sciences Not only do the selections contain a wide variety of contributions from other fields but the introductory essays and annotated bibliographies suggest related research The structure of the book enjoys close parallels in other social sciences The organization of the book reflects the editors definitions and structuring of political geography Part I Heritage includes works that have contributed to the theoretical development of the field Part II Structure comprises the concern to which political geographers have devoted most of their past attention Parts III and IV Process and Behavior form the subject where much future theoretical and practical effort is needed Part V Environment provides the context in which spatial structure process and behavior occur The Structure of Political Geography includes selections from sociobiology history international relations political economy political science social psychology and sociology The classics in the field are an essential inclusion since the book would be incomplete without them The selections in the volume originally published in 1971 remain useful and pertinent to political geographers of diverse persuasion and to social scientists interested in geographical approaches The fact that there is a clear focus and conceptual interdependence in political geography is the volume s greatest contribution

Unfinished Business Maury Klein, 1994-04 A lively survey of the railroad industry by the field s leading historian

The 20th Century Go-N Frank N. Magill, 2014-03-05 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who s who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual s life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual s place in history All entries conclude with a fully annotated bibliography

In the Land of the Romanovs Anthony Cross, 2014-04-27 Over the course of more than three centuries of Romanov rule in Russia foreign visitors and residents produced a vast corpus of literature conveying their experiences and impressions of the country The product of years of painstaking research by one of the world s foremost authorities on Anglo Russian relations In the Lands of the Romanovs is the realization of a major bibliographical project that records the details of over 1200 English language accounts of the Russian Empire Ranging chronologically from the accession of Mikhail Fedorovich in 1613 to the abdication of Nicholas II in 1917 this is the most comprehensive bibliography of first hand accounts of Russia ever to be published Far more than an inventory of accounts by travellers and

tourists Anthony Cross's ambitious and wide ranging work includes personal records of residence in or visits to Russia by writers ranging from diplomats to merchants physicians to clergymen gardeners to governesses as well as by participants in the French invasion of 1812 and in the Crimean War of 1854-56 Providing full bibliographical details and concise but informative annotation for each entry this substantial bibliography will be an invaluable tool for anyone with an interest in contacts between Russia and the West during the centuries of Romanov rule **The Pacific Historical Review** Anna Marie Hager,1976 Congressional Record United States. Congress,1964 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789-1824 the Register of Debates in Congress 1824-1837 and the Congressional Globe 1833-1873 **American Studies** Jack Salzman,American Studies Association,1986-08-29 A major three volume bibliography including an additional supplement of an annotated listing of American Studies monographs published between 1900 and 1988 Joseph Stalin David R. Egan,Melinda A. Egan,2007-07-25 With the opening of Russian and communist bloc archives dating from the Soviet era there has been a significant increase of scholarly writings pertaining to Joseph Stalin Widely considered to be among the most influential historical figures of the twentieth century Stalin continues to be a source of intense study In the absence of a comprehensive compilation of periodical literature the need for Joseph Stalin An Annotated Bibliography of English Language Periodical Literature to 2005 is conspicuous Ranging from editorials and news reports to academic articles the more than 1 700 sources cited collectively cover the full range of his life the various aspects of his leadership and virtually all facets of the system and practices traditionally associated with his name The coverage in this bibliography extends beyond the person of Stalin to include the subjects of Stalinism the Stalinist system the Stalin phenomenon and those policies and practices of the Communist Party and Soviet state associated with him This volume also provides a record of scholarly opinion on Stalin and sheds light on the evolution and current state of Stalinology An effort has been made to list only those articles in which Stalin figures prominently but in some instances articles have been included which do not center on Stalin but are worthy of listing for other reasons The book is divided into fourteen main sections General Studies and Overviews Biographical Information and Psychological Assessments The Revolutionary Movement October Revolution and Civil War Rise to Power Politics Economics Society and Social Policy Nationalism and Nationality Policy Culture Religion Philosophy and Theory Foreign Relations and International Communism Military Affairs and De Stalinization Including a subject index of several hundred headings and even greater number of subheadings this comprehensive annotated bibliography should be of benefit to those individuals who for the purpose of research or classroom

George F Kennan An Annotated Bibliography Introduction

In today's digital age, the availability of George F Kennan An Annotated Bibliography books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of George F Kennan An Annotated Bibliography books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of George F Kennan An Annotated Bibliography books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing George F Kennan An Annotated Bibliography versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, George F Kennan An Annotated Bibliography books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing George F Kennan An Annotated Bibliography books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for George F Kennan An Annotated Bibliography books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library

hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, George F Kennan An Annotated Bibliography books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of George F Kennan An Annotated Bibliography books and manuals for download and embark on your journey of knowledge?

FAQs About George F Kennan An Annotated Bibliography Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. George F Kennan An Annotated Bibliography is one of the best book in our library for free trial. We provide copy of George F Kennan An Annotated Bibliography in digital format, so the resources that you find are reliable. There are also many Ebooks of related with George F Kennan An Annotated Bibliography. Where to download George F Kennan An Annotated Bibliography online for free? Are you looking for George F Kennan An Annotated Bibliography PDF? This is definitely going to save you time and cash in something you should think about.
