Georges Zuk: Selected Verse Georges Zuk, Robin Skelton, 1969 **Canadian Poets, 1960-1973** George Woodcock, 1976-01-01 Compiled in 1976 by George Woodcock this book lists works by 600 poets in 1200 books and booklets during the era leading up to Canada's literary coming of age This listing of the writings in verse of Canadian poets between 1960 and 1973 came into existence because I was invited by Carl F Klinck the General Editor of the Literary History of Canada to write for a new edition of that work the chapter covering poetry published in Canada since 1960 It was obvious that my first need was an adequate list for I very soon realized that in quantity even more than in character the poetry published in Canada during the past decade has differed radically from what had appeared at any other time in the literary progress of our country Introductory note by George Woodcock **The Underwear of the Unicorn** Georges Zuk, 1975
