Georges Feydeau Three Farces:

Feydeau: Three Farces George Feydeau, 2003-11-01 Georges Feydeau once considered as purveyor of slapstick farces is now accepted as France's best comic dramatist since Moliere. He once said that to make people laugh you have to place your cast in a dramatic situation and then observe them from a comic angle but they must never do or say anything which is not strictly demanded first by their character and secondly by the plot. Includes the plays *Fitting for Ladies*, *A Close Shave* and *Sauce for the Goose*. In *Fitting for Ladies* a man on the look out for a new romantic rendezvous is mistaken for a dressmaker. In *A Close Shave* a woman's would-be lover has to assume the identity of her artist husband who is about to be called up for military service. In *Sauce for the Goose* a man discovers that the woman he is pursuing is the wife of an old friend. **Three Farces** Georges Feydeau, 1986-03-25 **Georges Feydeau, Three Farces**, 1986 **Farce** Jessica Milner Davis, 2017-07-05 Farce has always been relegated to the lowest rung of the ladder of dramatic genres. Distinctions between farce and more literary comic forms remain clouded even in the light of contemporary efforts to rehabilitate this type of comedy. Is farce really nothing more than slapstick, the putting out of candles, kicking down of tables, falling over joyn't stools as Thomas Shadwell characterized it in the seventeenth century? Or was his contemporary Nahum Tate correct when he declared triumphantly that there are no rules to be prescribed for that sort of wit, no patterns to copy and 'tis altogether the creature of imagination? Davis shows farce to be an essential component in both the comedic and tragic traditions. Farce sets out to explore the territory of what makes farce distinct as a comic genre. Its lowly origins date back to the classic Graeco-Roman theatre but when formal drama was reborn by the process of elaboration of ritual within the mediaeval Church the French term farce became synonymous with a recognizable style of comic performance. Taking a wide range of farces from the briefest and most basic of fair ground mountebank performances to fully fledged five act structures from the late nineteenth century the book reveals the patterns of comic plot and counter plot that are common to all. The result is a novel classification of farce plots which serves to clarify the differences between farce and more literary comic forms and to show how quickly farce can shade into other styles of humor. The key is a careful balance between a revolt against order and propriety and a kind of Realpolitik which ultimately restores the social conventions under attack. A complex array of devices in such things as framing plot, characterization, timing and acting style maintain the delicate balance. Contemporary examples from the London stage bring the discussion up to date. **The Era Almanack, Dramatic & Musical** Edward Ledger, 1909 *The Era Almanack*, 1898 *Georges Feydeau and the Aesthetics of Farce* Stuart Eddy Baker, 1981 *The Lady from Maxim's* Georges Feydeau, Gene Feist, 2010-07-19 Farce 5m 4f extras Unit set A normally sober doctor awakens to find that he brought two things home from Maxim's last night, a hangover and a lady of the evening. His wife is diverted from discovering the tart by one of her famous visitations from a popular saint. The doctor's uncle returns after a long army tour in Africa and promptly mistakes the lady from Maxim's for his nephew's wife. Uncle's immediate business is marrying off a niece to a young
