## **Germaine A Portrait Of Madame De Stael:**

Germaine Wayne Andrews,1991      Germaine de Staël Biancamaria Fontana,2016-05-17 The first in depth look at Staël's political life and writings Germaine de Staël 1766 1817 is perhaps best known today as a novelist literary critic and outspoken and independent thinker Yet she was also a prominent figure in politics during the French Revolution Biancamaria Fontana sheds new light on this often overlooked aspect of Staël's life and work bringing vividly to life her unique experience as a political actor in a world where women had no place The banker's daughter who became one of Europe's best connected intellectuals Staël was an exceptionally talented woman who achieved a degree of public influence to which not even her wealth and privilege would normally have entitled her During the Revolution when the lives of so many around her were destroyed she succeeded in carving out a unique path for herself and making her views heard first by the powerful men around her later by the European public at large Fontana provides the first in depth look at her substantial output of writings on the theory and practice of the exercise of power setting in sharp relief the dimension of Staël's life that she cared most about politics She was fascinated by the nature of public opinion and believed that viable political regimes were founded on public trust and popular consensus Fontana shows how Staël's ideas were shaped by the remarkable times in which she lived and argues that it is only through a consideration of her political insights that we can fully understand Staël's legacy and its enduring relevance for us today      *Germaine : A portrait of Madame de Stael* ,1964      Women Founders of the Social Sciences Lynn McDonald,2013-12-01 Ground breaking and original this book debunks the myth that empirical social science has been dominated by its male founders and methodologists The author re analyses the critical role British French and American women played in creating the field from the 16th through the early 20th centuries Included are Mary Astell Mary Wollstonecraft Harriet Martineau Beatrice Webb Catharine Macauley Florence Nightingale Madame de Staël and Jane Addams      Mme de Staël John Fox,2025-01-10 During the French Revolution and the Napoleonic Wars Germaine de Staël's troubled personal and public life singled her out as one of the most noteworthy characters and greatest political writers of her epoch She recommended wise policies seeking to bring stability to a perturbed France Not only were her words ignored but she was persecuted as a woman and held responsible for plots riots and satirical pamphlets with which she had no connection Her publications promoting individual liberty freedom of religion freedom of speech and equality for women brought her into direct conflict with the dictator Napoleon Bonaparte Her confrontation with Napoleon eventually forced her to flee making her a celebrity throughout Europe There are many books about Mme de Staël but nothing published recently in English In the highly troubled waters of the French Revolution she promoted Republican policies but because she remained faithful to all her friends was often accused of being a Royalist Tens of thousands of political figures of all parties were guillotined but Mme de Staël survived      **The Myth of the French Bourgeoisie** Sarah Maza,2003-04-30 Table of contents      **Madame de Staël** Bella Duffy,1887      *Stael's Philosophy of the Passions* Tili Boon Cuillé,Karyna Szmurlo,2013

Sensibility or the capacity to feel played a vital role in philosophical reflection about the natural sciences the social sciences and the arts in eighteenth century France Yet scholars have privileged the Marquis de Sade s vindication of physiological sensibility as the logical conclusion of Enlightenment over Germaine de Staël s exploration of moral sensibility s potential for reform and renewal that paved the way for Romanticism This volume of essays showcases Staël s contribution to the affective revolution in Europe investigating the personal and political circumstances that informed her theory of the passions and the social and aesthetic innovations to which it gave rise Contributors move seamlessly between her political philosophical and fictional works attentive to the relationship between emotion and cognition and aware of the coherence of her thought on an individual national and international scale They first examine the significance Staël attributed to pity happiness melancholy and enthusiasm in *The Influence of the Passions* as she witnessed revolutionary strife and envisioned the new republic They then explore her development of a cosmopolitan aesthetic in such works as *On Literature* *Corinne or Italy* *On Germany* and *The Spirit of Translation* that transcended traditional generic national and linguistic boundaries Finally they turn to her contributions to the visual and musical arts as she deftly negotiated the transition from a Neoclassical to a Romantic aesthetic Staël s *Philosophy of the Passions* concludes that rather than founding a republic based on the rights of man Staël s reflection fostered international communities of women artists models and collectors authors performers and spectators enabling them to participate in the re articulation of sociocultural values in the wake of the French Revolution Contributors Tili Boon Cuill Catherine Dubeau Nanette Le Coat Christine Dunn Henderson Karen de Bruin M Ione Crummy Jennifer Law Sullivan Lauren Fortner Ravalico C C Wharram Kari Lokke Susan Tenenbaum Mary D Sheriff Heather Belnap Jensen Fabienne Moore Julia Effertz

Madame de Staël Bella Duffy, 2019-12-19 In *Madame de Staël* Bella Duffy presents a nuanced exploration of the illustrious life and intellectual contributions of Germaine de Staël a formidable figure in the Romantic literary movement Duffy employs a rich narrative style that intertwines biographical detail with critical analysis examining Staël s profound influence on French literature and politics during the tumultuous late 18th and early 19th centuries The text delves into themes of exile identity and the interplay between personal and political spheres situating Staël within the broader literary context of the Enlightenment and the rise of Romanticism emphasizing her role in shaping modern thought and feminist discourse Bella Duffy a scholar with a deep interest in women s literature and the socio political dynamics of France draws upon extensive archival research and contemporary scholarship to illuminate Staël s significance Duffy s own academic background in gender studies and literary history informs her critical perspective enabling her to navigate the complexities of Staël s life including her passionate relationships and resistance against Napoleonic censorship Her insights reveal a multidimensional portrait of Staël as not only a writer but also a political thinker advocating for liberty and intellectual freedom This book is an essential read for anyone intrigued by the intersection of literature and politics as well as the evolution of feminist thought Duffy s scholarly yet accessible prose makes *Madame de Staël* not only an

informative academic text but also an engaging narrative that invites readers to reconsider the contributions of one of history's most overlooked literary giants. It is a profound tribute to a woman who defied the conventions of her time and whose legacy continues to resonate. **Matters of Telling: The Impulse of the Story** Carlo Comanducci, Alex

Wilkinson, 2018-11-26 In this book multiple authors and perspectives converge on the materiality of storytelling in order to court its potentialities and flesh out its tensions. Reflecting through its methodological multiplicity not only the vast array of discourses and disciplines that concern themselves with the study of narration but also the various and variable subjects of the act of telling, the collective effort of this volume is less to map or track than to amplify the possibilities of contingent situations embodied in relations and specific texts in which beyond the tale the telling itself speaks and matters. Madame de Staël Maria Fairweather, 2013-09-05 The influence of the salons of Paris on the thought and culture of the eighteenth century would be difficult to overstate. They were both intellectual powerhouses and also assemblies where the latest and most extreme fashion was displayed. Young gallants wearing silk waistcoats embroidered with Chinese pagodas making love to ladies reclining negligently against the cushions or accepting small cups of chocolate from the hands of Negro pages: thus Harold Nicolson describes the drawings of the time in his book *The Age of Reason*. These meeting places for the vanguard of society were presided over by a succession of brilliantly clever women: the salonnières and the most brilliant and clever of all of them was Madame de Staël. Although she died at the age of 51, she filled her life to the brim and enjoyed a hugely influential role among the great names of the day. Born Germaine Necker in Paris on 22 April 1766, her father was a powerful banker and her mother a Swiss pastor's daughter who never got over her good fortune in marrying a rich man. In 1786 Germaine was married to a secretary in the Swedish embassy called de Staël but although she thought him a perfect gentleman, she also found him dull and clumsy. She began to take lovers: the Vicomte de Narbonne and possibly Talleyrand and then Benjamin Constant in whom she at last met her intellectual equal. In 1806 her novel *Delphine* was published. It was an instant success and praised by Goethe and Byron among others. Her salon thronged with glittering visitors including the Tsar, Talleyrand and Wellington. Maria Fairweather gives an entrancing account of this vanished world so merciless to outsiders but for those of the inner circle incomparably glamorous and exciting. *General Catalogue of Printed Books*

British Museum. Department of Printed Books, 1969 **Madame de Staël** Helen Belle Smith Posgate, 1968 **Madame de Staël** Francine du Plessix Gray, 2009-11-17 Madame de Staël was born into a world of political and intellectual prominence as the daughter of Louis XVI's Minister of Finances Jacques Necker. Later she married Sweden's ambassador to the French court and for more than 20 years held the limelight as philosopher, political figure and prolific writer. She was however more than just a mind. Despite a plain appearance, she was notoriously seductive and enjoyed whirlwind affairs with some of the leading intellectuals of her time; she was a true force of nature. **Jean-Antoine Houdon** Anne L. Poulet, Jean Antoine Houdon, 2003-07-15 Jean Antoine Houdon 1741-1826 has long been recognized as the greatest European portrait sculptor of

the late eighteenth century flourishing during both the American and French Revolutions as well as during the Directoire and Empire in France Whether sculpting a head of state an intellectual or a young child Houdon had an uncanny ability to capture the essence of his subject with a characteristic pose or expression Yet until now Houdon s exquisite sculptures have never been the subject of a major exhibition This lavish exhibition catalogue will immediately take its rightful place as the definitive work on Houdon With more than one hundred color plates and two hundred black and white halftones Jean Antoine Houdon Sculptor of the Enlightenment illustrates every stage of the sculptor s fascinating career from his early portrayals of Louis XVI and Marie Antoinette to his stunning portraits of American patriots such as George Washington the Marquis de Lafayette John Paul Jones Benjamin Franklin and Thomas Jefferson Indeed the images we hold dear of legendary Enlightenment figures like Diderot Rousseau d Alembert and Voltaire are based on works by Houdon More than mere representations these sculptures provide us fascinating intimate glimpses into the very core of who these figures were Houdon s genius animated even his less illustrious subjects like his portraits of his family and friends and filled his sculptures of children with delicacy and freshness Accompanying the images of Houdon s masterworks are four insightful essays that discuss Houdon s views on art based in part on a newly discovered manuscript written by the artist as well as his prominence in the highly varied cultures of eighteenth century France Germany and Russia From aristocrats to revolutionaries actors to philosophers Houdon s amazingly vivid portraits constitute the visual record of the Enlightenment and capture the true spirit of a remarkable age Jean Antoine Houdon finally gives these gorgeous works their due

**The Oxford Handbook of Nineteenth-Century Women Philosophers in the German Tradition** Kristin Gjesdal,Dalia Nassar,2024 This Oxford Handbook celebrates the work of trailblazing women in the history of modern philosophy Through thirty one original chapters it engages with the work of women philosophers spanning the long nineteenth century in the German tradition and covers women s contribution to major philosophical movements including romanticism and idealism socialism and Marxism Nietzscheanism feminism phenomenology and neo Kantianism It opens with a section on figures offering essays focused on fifteen thinkers in this tradition before moving on to sections of essays on movement and topics Across the volume s chapters essays examine women s contributions to key philosophical areas such as epistemology and metaphysics aesthetics ethics social and political philosophy ecology education and the philosophy of nature

**Mistress to an Age** J. Christopher Herold,2002 J Christopher Herold vigorously tells the story of the fierce Madame de Stael revealing her courageous opposition to Napoleon her whirlwind affairs with the great intellectuals of her day and her idealistic rebellion against all that was cynical tyrannical and passionless Germaine de Stael s father was Jacques Necker the finance minister to Louis XVI and her mother ran an influential literary political salon in Paris Always precocious at nineteen Germaine married the Swedish ambassador to France Eric Magnus Baron de Stael Holstein and in 1785 took over her mother s salon with great success Germaine and de Stael lived most of their married life apart She had many brilliant lovers Talleyrand was the first

Narbonne the minister of war another Benjamin Constant was her most significant and long lasting one She published several political and literary essays including A Treatise on the Influence of the Passions upon the Happiness of Individuals and of Nations which became one of the most important documents of European Romanticism Her bold philosophical ideas particularly those in On Literature caused feverish commotion in France and were quickly noticed by Napoleon who saw her salon as a rallying point for the opposition He eventually exiled her from France This winner of the 1959 National Book Award is excellent detailed full of color movement great names and lively incident The New York Times Mr Herold s full bodied biography is clear eyed intelligent and written with abundant wit and zest The Atlantic Monthly Catalogue of the General Assembly Library of New Zealand New Zealand. Parliament. Library,1897 **Mme de Staël and Political Liberalism in France** Chinatsu Takeda,2018-07-31 This book sheds light on the unique aspects of communal liberalism in Mme de Staël s writings and considers her contribution to nineteenth century French liberal political thought Focusing notably on the Considérations sur les principaux événements de la Révolution française it examines the originality of Stael s liberal philosophy Rather than contrasting liberalism with either multiculturalism or republicanism the book argues that Stael s communal liberalism challenges the conventions of nineteenth century political thought notably through her assertion of the need to institutionalize an organic intermediary connecting the two spheres an idea later advanced by thinkers such as Jürgen Habermas Offering a critical reappraisal of Stael s multifaceted work this book assesses the political impact of her work arguing that the political influence of the Considérations permeates the liberal historiography of the French Revolution up to the present day *Bulletin ... of Books Added to the Public Library of Detroit, Mich* Detroit Public Library,1908

## Germaine A Portrait Of Madame De Stael Introduction

In today's digital age, the availability of Germaine A Portrait Of Madame De Stael books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Germaine A Portrait Of Madame De Stael books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Germaine A Portrait Of Madame De Stael books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Germaine A Portrait Of Madame De Stael versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Germaine A Portrait Of Madame De Stael books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Germaine A Portrait Of Madame De Stael books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent

resource for literature enthusiasts. Another popular platform for Germaine A Portrait Of Madame De Stael books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Germaine A Portrait Of Madame De Stael books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Germaine A Portrait Of Madame De Stael books and manuals for download and embark on your journey of knowledge?

### FAQs About Germaine A Portrait Of Madame De Stael Books
