Cultural Link Kanada, Deutschland David Gethin John,2003 Das Buch ist der erfolgreichen Geschichte eines akademischen Austauschs gewidmet Es dokumentiert die Magister und Doktorarbeiten mit

denen mehr als 100 Studierende einen doppelten Studienabschluss erlangten einen deutschen und einen nordamerikanischen Titel Die Beiträge reflektieren persönliche Erfahrungen entwickeln innovative Konzepte interkulturellen Lehrens und Lernens analysieren linguistische und gesellschaftliche Aspekte des Kulturkontakts Intertextualität Austauschprozesse sowie Kooperation und Partnerschaft für große kulturelle Inszenierungen **Ethnography and the Corporate Encounter** Melissa Cefkin, 2010 Businesses and other organizations are increasingly hiring anthropologists and other ethnographically oriented social scientists as employees consultants and advisors The nature of such work as described in this volume raises crucial questions about potential implications to disciplines of critical inquiry such as anthropology In addressing these issues the contributors explore how researchers encounter and engage sites of organizational practice in such roles as suppliers of consumer insight for product design or marketing or as advisors on work design or business and organizational strategies The volume contributes to the emerging canon of corporate ethnography appealing to practitioners who wish to advance their understanding of the practice of corporate ethnography and providing rich material to those interested in new applications of ethnographic work and the ongoing rethinking of the nature of ethnographic praxis **The German Way** Hyde Flippo, 1996-06-01 For All Students Ideal for a variety of courses this completely up to date alphabetically organized handbook helps students understand how people from German speaking nations think do business and act in their daily lives **Communicating Globally** Wallace V. Schmidt, 2007-02-13 Communicating Globally Intercultural Communication and International Business provides students with a cultural general awareness of diverse world views valuable insights on understanding and overcoming cultural differences and a clear path to international business success This text integrates the theory and skills of intercultural communication with the practices of multinational organizations and international business The book discusses the implications of these approaches and the new competencies needed for conducting international business and entering the world marketplace It examines intercultural transitions and cross cultural relationships as well as how virtual groups or teams and constant change influence multinational organizations Communicating Globally Intercultural Communication and International Business provides further insights into doing business abroad by examining significant geographic regions and emphasizing cultural themes and patterns business conduct and characteristics and emerging trends Also included is a regional resource guide that establishes a sensible foundation for readers to continue their own cross cultural or international business research personally transforming their understanding into individually instructive significance **Germany** William Reginald Horne, Zoran Pavlovic', 2007 Overview of Germany's people geography history government economy and culture **Germany** Ann Byers, 2004-12-15 An overview of the history and culture of Germany and its people including the geography myths arts daily life education industry and government with illustrations from primary source documents **Fascism** Brian E. Fogarty, 2009 When the Nazis took power in 1933 most Germans did not foresee the oncoming storm Many were wildly enthusiastic some were alarmed most

were worried but trusted that things would work out In short they felt much as Americans have felt from time to time Brian E Fogarty s *Fascism Why Not Here* draws parallels between German culture of the early twentieth century and American culture today While Fogarty postulates that it would take a confluence of events and circumstances to propel Americans into the arms of fascism he concludes that it is not entirely unlikely Today less than a decade after his original warning some of those events are beginning to unfold As Americans become more divided as formerly nonpartisan institutions are politicized and as Congress becomes increasingly paralyzed we are forced to ask how do we respond to a political outsider s rally cries to make America great again In examining the similarities and differences between Nazi Germany and America today Fogarty finds many reasons for hope that Americans will not fall victim to such chauvinistic appeal but he also finds plenty to worry about He points out that contemporary Americans and Germans of the 1920s and 1930s share many similar values ideals fears and beliefs Fogarty s strong words of caution will resonate with anyone concerned about America s political future and the freedoms we too often take for granted
