**German is Fun** Elsie M. Szecsy, 1993      German Is Fun! Glenis Pickering, 2003-01-01      *Learning German the Fun Way in 15 Minutes a Day* Paul G. Graves, 1984      Learning a Language Can be Fun and Funny T. G. Thomas, Ron Deigh, 2009

Dr Ron Deigh began his study of the German language as a California community college student and his very humorous experiences associated with learning German began on the very first day of his exposure to the language Little did he know that the fun had just begun Following his Army assignment to Germany and his taking of a German wife Ron s learning of the language became one hilarious adventure after another Learning a language can indeed be fun and it can be funny and embarrassing at the same time      *Kolonie-Deutsch* Philip E. Webber, 2009-08 Founded as a communal society in 1855 by German Pietists the seven villages of Iowa s Amana Colonies make up a community whose crafts architecture and institutions reflect and to an extent perpetuate the German heritage of earlier residents In this intriguing blend of sociolinguistic research and stories from Colonists both past and present Philip Webber examines the rich cultural and linguistic traditions of the Amanas Although the Colonies are open to the outside world particularly after the Great Change of 1932 many distinctive vestiges of earlier lifeways survive including the local variety of German known by its speakers as Kolonie Deutsch Drawing upon interviews with more than fifty Amana German speakers in 1989 and 1990 Webber explores the nuances of this home grown German signaling the development of local microdialects the changing pattern in the use of German in the Colonies and the reciprocal influence of English and German on residents speech By letting his sources tell their own stories of earlier days in which the common message seems to be wir haben fun gehabt or we had fun working together he illuminates the history and unique qualities of each Colony through the prism of language study Webber s introduction to this paperback edition provides an up to date itinerary for visitors to the Colonies information about recent publications on Amana history and culture and an overview of expanded research opportunities for language study and historical inquiry The result is an informative and engaging study that will be appreciated by linguists anthropologists and historians as well as by general readers interested in these historic villages      Fun German Michael L.
