Pettibone,2009-11 *Best Little Stories from World War II* C. Brian Kelly,2010-11-01 The untold stories of bravery triumph and redemption in the depths of the darkest world war Behind the great powers global military conflict and infamous battles

are more than 100 incredible stories that bring to life the Second World War During the six years of war were countless little known moments of profound triumph and tragedy bravery and cowardice and good and evil These amazing and unbelievable stories of brotherhood redemption escape and civilian courage shed new light on the war that gripped the entire world Experience the action through the eyes of people like Lieutenant Jacob Beser who was aboard both the Enola Gay and Bock's Car and felt the force of the shockwave that nearly destroyed the planes after dropping the H bombs that obliterated Hiroshima and Nagasaki Professor William Miller who collapsed during a death march of POWs in Germany and was saved by the same man who had rescued him from what would have been a fatal car wreck in Pennsylvania five years earlier The brave civilians who answered the British Admiralty's call to help rescue an army from Dunkirk during the height of a dangerous battle and sailed small fishing boats into relentless German fire ultimately saving 335 000 men from This is the perfect book for any history buff looking for the untold stories of military and civilian daring during World War 2

**The Organization and Order of Battle of Militaries in World War II** Charles D. Pettibone, 2012-01-16 There are numerous Order of Battle books on the market So what makes this one so special Why should one decide on this particular book Most Order of Battle books usually deal only at the division and corps level of a country's army Most higher commands are not covered This book deals with all the branches of a country's military giving a breakdown of all the major echelons of command from theater down to brigade under each component army group armies corps division and brigade and the equivalent command for the other military branches are included Second it attempts to give an overall command structure of the country's military showing the central headquarters command structure as well as the major components army groups armies corps etc Third most Order of Battle books list the commander and their dates of tenure This one includes those but also lists their next duty assignments or where they went after leaving the post One can literally trace a general officer's career through the upper echelons of command making this series completely different from all the others on the market

**World War II German Battle Insignia** Gordon Williamson, 2012-03-20 The remarkable war effort of the German armed forces on three fronts between 1939 and 1945 was recognised by a wider range of insignia than seen in the Allied armies While the Wehrmacht displayed fewer unit insignia than the Allies a glance at a German soldier's tunic could reveal much more about his actual combat experience In this book Gordon Williamson an experienced researcher explains and illustrates the Battle and Assault Badges of the Army Waffen SS and Luftwaffe ground troops the sleeve shields and cuffbands issued to mark service in particular campaigns wound badges commemorative medals and other types of insignia

**World War II Tank Spotter's Guide**, 2024-08-15 A beautifully illustrated pocket guide to 40 of the most iconic World War II tanks From the rapid blitzkrieg assaults to the great battles in North Africa and desperate clashes on the Eastern Front tanks played a vital role in World War II becoming one of the key components of the combined arms philosophy of warfare But how well do you know the most famous and infamous tanks of the period and how their speed armour and armament compare Which

Soviet tank proved impervious to German firepower Which stopgap design turned out to be the one of the best armed tanks of its day The World War II Tank Spotter's Guide answers all of these questions and more providing essential information on 40 legendary tanks such as the Panther Sherman and T 34 Featuring full colour artwork to aid recognition as well as all the details you need to compare their performance this is the perfect pocket guide to the Allied and Axis tanks of World War II
