## Germany In The Ages Of Kaiser Wilhelm II:

**Germany in the Age of Kaiser Wilhelm II** James Retallack, 1996-05-01 This lively and concise book uses a dual approach to introduce students and non specialists to Wilhelmine Germany 1888 1918 It surveys social economic political cultural and diplomatic developments in an age of tumultuous upheaval It also explains why historians have so often reversed the interpretative switches guiding research on this period By highlighting the breadth of historical change under Wilhelm II and the evolution of opposing viewpoints about its significance this book provides easy access to an epoch and a debate characterised more by controversy than consensus

**Kaiser Wilhelm II** Charles River Editors, 2013-11 Includes pictures Includes a bibliography for further reading You will be home before the leaves fall from the trees Kaiser Wilhelm II to German troops leaving for the front at the start of World War I Kaiser Friedrich Wilhelm II who occupied the throne of the German Empire for more than 30 years from June 1888 November 1918 remains as much an enigma in death as he was in life Over 70 years after his death in 1941 the mention of his name still sparks unsettled debates among historians Was he the duty bound hands on leader and passionate pro British reformer who ruled in challenging times seemingly mild by comparison with Hitler Or was he an inept mentally imbalanced and reckless seeker of attention Was he even possibly a tragic hero that could only fail at his task given the complexities of his age At the core of such diverse opinions are the contradictory assumptions found within the vast amount of scholarship that exists on the emperor and his era On one point however there is agreement his influence on imperial Germany was enormous The earliest writings on Wilhelm II tended to treat him either bitterly as the most hated man in Europe and an out of touch autocrat who mismanaged his government and left the world embroiled in the greatest war it had ever seen or as a respectful and loyal servant of the state and faithful husband But in the past 50 years historiography has favored a dispassionate approach that has transcended the earlier writings depiction of the Kaiser either slavishly or as the cause of the age s tribulations This dispassionate trend in scholarship originated with a seminar on Kaiser Wilhelm II as a Cultural Phenomenon given in 1977 at the University of Freiburg by Professor John R hl and based on his discovery of new archival materials Two years later R hl and others met in Corfu and presented a series of pioneering studies about the influence of the Kaiser on German politics R hl believed he found in Wilhelm II the key to understanding the recklessness and downfall of Imperial Germany The Kaiser according to R hl s theory promoted the policies of naval and colonial expansion so extensively that they inevitably caused a sharp deterioration in British relations before 1914 Given that he was a longstanding emperor of one of World War I s major combatants it seems odd that it would take 50 years of research to come to the conclusion that the Kaiser played a major role in the march to war But the early exculpatory research also had its arguments In 1919 German diplomat Bernhard von B low removed from German archives any documents that might support the view that Germany was responsible for the war so only documents which lessened Germany s role in bringing about World War I could be seen by researchers From 1923 1927

the German Foreign Ministry published dozens of volumes from the archives and carefully edited them to make it appear that the war was the result of a breakdown of international relations Holger Herwig has concluded that most if not all research on Germany's role in the First World War prior to Fritz Fischer's book *Griff nach der Weltmacht* is little more than an ideologically driven sham

**Kaiser Wilhelm II** The Life and Legacy of Germany's Emperor during World War I examines the life of one of the 20th century's most important rulers and the debates over his legacy Along with pictures of important people places and events you will learn about Germany's most famous Kaiser like you never have before

Charles River Charles River Editors, 2017-12-20 Includes pictures Includes a bibliography for further reading You will be home before the leaves fall from the trees Kaiser Wilhelm II to German troops leaving for the front at the start of World War I Kaiser Friedrich Wilhelm II who occupied the throne of the German Empire for more than 30 years from June 1888 November 1918 remains as much an enigma in death as he was in life Over 70 years after his death in 1941 the mention of his name still sparks unsettled debates among historians Was he the duty bound hands on leader and passionate pro British reformer who ruled in challenging times seemingly mild by comparison with Hitler Or was he an inept mentally imbalanced and reckless seeker of attention Was he even possibly a tragic hero that could only fail at his task given the complexities of his age At the core of such diverse opinions are the contradictory assumptions found within the vast amount of scholarship that exists on the emperor and his era On one point however there is agreement his influence on imperial Germany was enormous The earliest writings on Wilhelm II tended to treat him either bitterly as the most hated man in Europe and an out of touch autocrat who mismanaged his government and left the world embroiled in the greatest war it had ever seen or as a respectful and loyal servant of the state and faithful husband But in the past 50 years historiography has favored a dispassionate approach that has transcended the earlier writings depiction of the Kaiser either slavishly or as the cause of the age's tribulations This dispassionate trend in scholarship originated with a seminar on Kaiser Wilhelm II as a Cultural Phenomenon given in 1977 at the University of Freiburg by Professor John Rühl and based on his discovery of new archival materials Two years later Rühl and others met in Corfu and presented a series of pioneering studies about the influence of the Kaiser on German politics Rühl believed he found in Wilhelm II the key to understanding the recklessness and downfall of Imperial Germany The Kaiser according to Rühl's theory promoted the policies of naval and colonial expansion so extensively that they inevitably caused a sharp deterioration in British relations before 1914 Given that he was a longstanding emperor of one of World War I's major combatants it seems odd that it would take 50 years of research to come to the conclusion that the Kaiser played a major role in the march to war But the early exculpatory research also had its arguments In 1919 German diplomat Bernhard von Bülow removed from German archives any documents that might support the view that Germany was responsible for the war so only documents which lessened Germany's role in bringing about World War I could be seen by researchers From 1923-1927 the German Foreign Ministry published dozens of volumes from the archives and carefully

edited them to make it appear that the war was the result of a breakdown of international relations Holger Herwig has concluded that most if not all research on Germany's role in the First World War prior to Fritz Fischer's book *Griff nach der Weltmacht* is little more than an ideologically driven sham Kaiser Wilhelm II *The Life and Legacy of Germany's Emperor* during World War I examines the life of one of the 20th century's most important rulers and the debates over his legacy Along with pictures of important people places and events you will learn about Germany's most famous Kaiser like you never have before

**The Kaiser and the Colonies** Matthew P. Fitzpatrick, 2022 Many view Kaiser Wilhelm II as having personally ruled Germany dominating its politics and choreographing its leap to global power but *The Kaiser and the Colonies* shows that he played a surprisingly muted role in the German Empire in contrast to the lively varied innovative responses to German imperialism from monarchs around the world

**Imperial Germany 1871-1918** James Retallack, 2008-04-10 An international team of twelve expert contributors provides both an introduction to and an interpretation of the key themes in German history from the foundation of the Reich in 1871 to the end of the First World War in 1918

**Germany since 1789** David G. Williamson, 2015-12-17 This essential text provides a clear and engaging introduction to the history of modern Germany The updated and expanded new edition now takes the story back to 1789 and brings it right up to the present day adopting a controversy led approach throughout Visual evidence maps documents and key event boxes support the text and aid learning

**Kaiser Wilhelm II** Christopher Clark, 2013-09-13 Kaiser Wilhelm II is one of the key figures in the history of twentieth century Europe King of Prussia and German Emperor from 1888 to the collapse of Germany in 1918 and a crucial player in the events that led to the outbreak of World War I Following Kaiser Wilhelm's political career from his youth at the Hohenzollern court through the turbulent peacetime decades of the Wilhelmine era into global war and exile the book presents a new interpretation of this controversial monarch and assesses the impact on Germany of his forty year reign

**Encyclopedia of the Age of Imperialism, 1800-1914** Carl C. Hodge, 2007-11-30 In 1800 Europeans governed about one third of the world's land surface by the start of World War I in 1914 Europeans had imposed some form of political or economic ascendancy on over 80 percent of the globe The basic structure of global and European politics in the twentieth century was fashioned in the previous century out of the clash of competing imperial interests and the effects both beneficial and harmful of the imperial powers on the societies they dominated This encyclopedia offers current detailed information on the major world powers and their global empires as well as on the people events ideas and movements both European and non European that shaped the Age of Imperialism

**Hitler and Nazi Germany** Jackson J. Spielvogel, David Redles, 2020-05-05 Hitler and Nazi Germany A History is a brief but comprehensive survey of the Third Reich based on current research findings that provides a balanced approach to the study of Hitler's role in the history of the Third Reich The book considers the economic social and political forces that made possible the rise and development of Nazism the institutional cultural and social life of the Third Reich World War II and the

Holocaust World War II and the Holocaust are presented as logical outcomes of the ideology of Hitler and the Nazi movement This new edition contains more information on the Kaiserreich Imperial Germany as well as Nazi complicity in the Reichstag Fire and increased discussion of consent and dissent during the Nazi attempt to create the ideal Volksgemeinschaft people s community It takes a greater focus on the experiences of ordinary bystanders perpetrators and victims throughout the text includes more discussion of race and space and the final chapter has been completely revised Fully updated the book ensures that students gain a complete and thorough picture of the period and issues Supported by maps images and thoroughly updated bibliographies that offer further reading suggestions for students to take their study further the book offers the perfect overview of Hitler and the Third Reich **Germany at War** David T. Zabecki,2014-10-28 Written by experts for use by nonexperts this monumental work probes Germany s Genius for War and the unmistakable pattern of tactical and operational innovation and excellence evident throughout the nation s military history Despite having the best military forces in the world some of the most advanced weapons available and unparalleled tactical proficiency Germany still lost both World Wars This landmark four volume encyclopedia explores how and why that happened at the same time examining Germany as a military power from the start of the Thirty Years War in 1618 to the present day Coverage includes the Federal Republic of Germany its predecessor states and the kingdoms and principalities that combined to form Imperial Germany in 1871 The Seven Years War is discussed as are the Napoleonic Wars the Wars of German Unification including the Franco Prussian War World War I World War II and the Cold War In all more than 1 000 entries illuminate battles organizations leaders armies weapons and other aspects of war and military life The most comprehensive overview of German military history ever to appear in English this work will enable students and others interested in military history to better understand the sociopolitical history of Germany the complex role conflict has played in the nation throughout its history and why Germany continues to be an important player on the European continent **Professional Journal of the United States Army** ,2015

**France and Germany in an Age of Crisis, 1900-1960** Shamir,2023-04-12 France and Germany two great powers in Europe and the world had in many respects a similar fate in the first half of the twentieth century Both nations knew war and defeat social upheaval grave economic crisis as well as political turmoil including major changes in their political regime On the other hand the two countries also faced some very different experiences in the course of their history in this period Germany had the terrible experience of the Third Reich while France shared with other powers the agonies of decolonisation Here is a collection of twenty two studies dealing with important aspects of the history of the two nations The studies are grouped under seven headings and include topics like foreign policy in peace and war domestic changes the impact of ideologies the colonial and Jewish aspects Taken as a whole these studies offer many new perceptions and insights to the history of France and Germany in the twentieth century Europe's Long Century Spencer Di Scala,2013 The twentieth century has been interpreted as a short century marked by extremes According to this view the century lasted only from

1914 to 1989 or 1991 These dates coincide with the rise and fall of communism that came to power in Russia in 1917 and ended with the fall of the Berlin wall 1989 or that of the Soviet Union 1991 Thus the concept of a short century is unduly influenced by a Cold War perspective In Europe s Long Century Spencer Di Scala presents an alternative view that will be more helpful to undergraduate history students in the twenty first century namely that twentieth century Europe was actually a long century lasting approximately from 1900 to 2000 with patterns and antecedents discernible before the century began and that continue to be elaborated today Comprehensive current and affordable Europe s Long Century integrates the histories of Eastern Europe Scandinavia and the Balkans that are often neglected in similar treatments It also thoroughly covers the role of science in shaping modern European life and the book s biographical sketches profile the lives of important though not always well known people who influenced Europe s long century *The Age of Cunard* Daniel Allen Butler, 2004 For a century and a half the single most important sea lane in the world was the transatlantic route linking the Old World with the New For three hundred years sailing ships sufficed to carry cargoes and people but the demands of Steam Age business and commerce demanded more regularity Just as the steam engine had allowed railroads to replace the unpredictability of stagecoaches on land with dependable schedules steamships promised to bring this reliability to crossing the Atlantic This is where the story of the Cunard Line began The greatest influence Cunard would ever have on world events would be the leading role during the last half of the 19th century when the great migration of millions of emigrants transformed the populations of Europe the United States and Canada Wars devastation came to the Cunard Line with WW1 and WW2 as the power of the German submarine fleet built with one purpose in mind to sever the North Atlantic shipping lanes threatened Great Britain s very existence By 1963 more people chose to travel by airplane than by steamship and it was the beginning of the end Sir Winston Churchill observed You came into great things by the accident of sea power By an accident of air power you will probably cease to exist Readers' Guide to Periodical Literature Anna Lorraine Guthrie, Bertha Tannehill, Neltje Marie Tannehill Shimer, 1925 An author subject index to selected general interest periodicals of reference value in libraries **Age of Entanglement** Kris Manjappa, 2014-01-06 Age of Entanglement explores the patterns of connection linking German and Indian intellectuals from the nineteenth century to the years after the Second World War Kris Manjappa traces the intersecting ideas and careers of philologists physicists poets economists and others who shared ideas formed networks and studied one another s worlds Moving beyond well rehearsed critiques of colonialism this study recasts modern intellectual history in terms of the knotted intellectual itineraries of seeming strangers Collaborations in the sciences arts and humanities produced extraordinary meetings of German and Indian minds Meghnad Saha met Albert Einstein Stella Kramrisch brought the Bauhaus to Calcutta and Girindrasekhar Bose began a correspondence with Sigmund Freud Rabindranath Tagore traveled to Germany to recruit scholars for a new university and Himanshu Rai worked with Franz Osten to establish movie studios in Bombay These interactions Manjappa argues evinced

shared responses to the hegemony of the British empire Germans and Indians hoped to find in one another the tools needed to disrupt an Anglocentric world order As Manjapra demonstrates transnational encounters are not inherently progressive From Orientalism to Aryanism to scientism German Indian entanglements were neither necessarily liberal nor conventionally cosmopolitan often characterized as much by manipulation as by genuine cooperation **German Diplomatic Relations**

**1871-1945** William Young, 2006 Examines the continuity of German Foreign Office influence in the formulation of foreign policy under the leadership of Otto von Bismarck 1862 1890 Kaiser William II 1888 1918 the Weimar Republic 1919 1933 and Adolf Hitler 1933 1945 **German Colonialism in a Global Age** Bradley Naranch, Geoff Eley, 2015-02-20 This collection provides a comprehensive treatment of the German colonial empire and its significance Leading scholars show not only how the colonies influenced metropolitan life and the character of German politics during the Bismarckian and Wilhelmine eras 1871 1918 but also how colonial mentalities and practices shaped later histories during the Nazi era In introductory essays editors Geoff Eley and Bradley Naranch survey the historiography and broad developments in the imperial imaginary of the nineteenth and twentieth centuries Contributors then examine a range of topics from science and the colonial state to the disciplinary constructions of Africans as colonial subjects for German administrative control They consider the influence of imperialism on German society and culture via the mass marketing of imperial imagery conceptions of racial superiority in German pedagogy and the influence of colonialism on German anti-Semitism The collection concludes with several essays that address geopolitics and the broader impact of the German imperial experience Contributors Dirk B nker Jeff Bowersox David Ciarlo Sebastian Conrad Christian S Davis Geoff Eley Jennifer Jenkins Birthe Kundus Klaus M hlhahn Bradley Naranch Deborah Neill Heike Schmidt J P Short George Steinmetz Dennis Sweeney Brett M Van Hoesen Andrew Zimmerman **Wilhelm II and the Germans** Thomas A. Kohut, 1991-08-01 This book explores the personification inherent in the notion of Wilhelmian Germany by investigating the psychological dimension of Wilhelm II's leadership of the Germans Despite his historical reputation many Germans welcomed the Kaiser's leadership The years between 1890 and 1914 were known as the Wilhelmian era in Germany and even critics of Wilhelm II thought it somehow fitting that he should be the German emperor The author argues that Wilhelm II's personal needs and the needs of Germans in an age of intense nationalism made him the symbol of the nation Business in the Age of Extremes Hartmut Berghoff, Jürgen Kocka, Dieter Ziegler, 2013-01-28 This collection of essays explores the impact that nationalism capitalism and socialism had on economics during the first half of the twentieth century Focusing on Central Europe contributors examine the role that businesspeople and enterprises played in Germany's and Austria's paths to the catastrophe of Nazism Based on new archival research the essays gathered here ask how the business community became involved in the political process and describes the consequences arising from that involvement Particular attention is given to the responses of individual businesspeople to changing political circumstances and their efforts to balance the demands of their consciences with the pursuit for profit

Getting the books **Germany In The Ages Of Kaiser Wilhelm Ii** now is not type of challenging means. You could not unaccompanied going behind book growth or library or borrowing from your friends to entre them. This is an no question easy means to specifically get guide by on-line. This online notice Germany In The Ages Of Kaiser Wilhelm Ii can be one of the options to accompany you similar to having extra time.

It will not waste your time. undertake me, the e-book will extremely express you additional event to read. Just invest little become old to door this on-line publication **Germany In The Ages Of Kaiser Wilhelm Ii** as skillfully as review them wherever you are now.
