

Elijah

The background of the cover is a deep red with a subtle, grainy texture. In the upper left, a large, bright yellow sun or moon is partially visible, its light creating a soft glow. In the lower right, the dark silhouette of a person is shown from the waist up, with their arms raised in a gesture of praise or prayer. The overall mood is dramatic and spiritual.

Elijah A Man Of Like Nature:

Elijah Theodore Herman Epp,1965 *Elijah: A Man of Like Nature* Theodore H. Epp,2014-03-04 When the enemy of God brought Baal into Israel like a flood the Spirit of God raised up Elijah against him The Lord used a lowly Tishbite to accomplish His purposes Yet Elijah was as human as the rest of us Where he differed from the average believer was in his single minded devotion to God When God commanded Elijah trusted and obeyed Theodore Epp founder and first Bible teacher on the Back to the Bible broadcast explains that although Elijah was a man of like nature he was also an example of faithfulness to God amidst spiritual apostasy who believers can learn from today **The Life and Legacy of George**

Müller George Müller,Susannah Grace Sanger Müller,Arthur T. Pierson,2020-12-17 Musaicum Books presents to you this meticulously edited George Müller collection The word of God alone is our standard of judgment in spiritual things the Holy Spirit alone can teach us about our state by nature show us the need of a Saviour enable us to believe in Christ explain to us the Scriptures help us in preaching etc The first evening that I shut myself into my room to give myself to prayer and meditation over the Scriptures I learned more in a few hours than I had done during a period of several months previously But the particular difference was that I received real strength for my soul in doing so George Müller 1805 1898 was a Christian evangelist and the director of the Ashley Down orphanage in Bristol England He cared for 10 024 orphans during his lifetime and provided educational opportunities for the orphans to the point that he was even accused by some of raising the poor above their natural station in British life He established 117 schools which offered Christian education to more than 120 000 The theology that guided George Müller's work was shaped by an experience in his middle twenties when he came to prize the Bible alone as his standard of judgement Müller wrote frequently about the stewardship of money and the non reliance on earthly riches and how God would bless the man who kept to these principles and felt that laying his own experiences bare would prove the truth of his claims His personal income from unsolicited gifts he refused any kind of salary rose from 151 in 1831 to more than 2 000 in 1870 However he retained only around 300 a year for himself and his family the rest he gave away Müller's faith in God strengthened day by day and he spent hours in daily prayer and Bible reading Content Paths to Power The Pursuit of God The Divine Conquest How to be Filled with the Holy Spirit The Root of the Righteous The Knowledge of the Holy **A Believing Behaving Faith:** Dr. John Thomas Wylie,2015-03-30 This publication A Believing

Behaving Faith is but one in a series of biblical expositions not intended to be an exhaustive study but rather a simple biblical approach that is a practical commentary and reader friendly in content This is a work that would certainly be appreciated by many clergy and laity alike The purpose of any exposition from the Word of God should always be whether spoken or written to guide inspire teach encourage others to Christ and to live for Christ only In this publication James has much to contribute concerning Christian ethics Again and without doubt we should be hearers of the Word We receive the Word but not as believers only but as doers of the Word Not just as believers of the faith but as doers of the faith in our daily walk with Christ

If we truly believe the Word of God then we ought to live a life true and obedient to the Word of God a life acceptable and holy unto God which is our reasonable service a living sacrifice My brothers and sisters read on draw nigh to Christ as he draws closer to you in a more personal and fulfilling way Refer the Bible often and prayerfully as you read the contents of this publication Expect something miraculous and wondrous to take place as you read Live your life in expectancy of even a more blessed abundant life Ask God not only to bless you during and after reading this blessing but also to make you a blessing to others Thank you for supporting this book ministry To God be the glory When asked Why do you write Dr Wylies refers to Habakkuk 2 24 and Ps 97 1112 **The Expositor's Bible** Alfred Plummer, 2014-12-09 Example in this ebook

CHAPTER I THE CATHOLIC EPISTLES This volume is to treat of the General Epistle of St James and the General Epistle of St Jude According to the most common but not invariable arrangement they form the first and the last letters in the collection which for fifteen centuries has been known as the Catholic Epistles The epithet General which appears in the titles of these Epistles in the English versions is simply the equivalent of the epithet Catholic the one word being of Latin generalis the other of Greek origin In Latin however e g in the Vulgate these letters are not called Generales but Catholic The meaning of the term Catholic Epistles has been disputed and more than one explanation may be found in commentaries but the true signification is not really doubtful It certainly does not mean orthodox or canonical although from the sixth century and possibly earlier we find these Epistles sometimes called the Canonical Epistles Epistol Canonic an expression in which canonical is evidently meant to be an equivalent for catholic This use is said to occur first in the Prologus in Canonicas Epistolas of the Pseudo Jerome given by 2 Cassiodorus De Justit Divin Litt viii and the expression is used by Cassiodorus himself whose writings may be placed between A D 540 and 570 the period spent in his monastery at Viviers after he had retired from the conduct of public affairs The term catholic is used in the sense of orthodox before this date but not in connexion with these letters There seems to be no earlier evidence of the opinion certainly erroneous that this collection of seven Epistles was called Catholic in order to mark them as Apostolic and authoritative in distinction from other letters which were heterodox or at any rate of inferior authority Five out of the seven letters viz all but the First Epistle of St Peter and the First Epistle of St John belong to that class of New Testament books which from the time of Eusebius H E III xxv 4 have been spoken of as disputed i e as being up to the beginning of the fourth century not universally admitted to be canonical And it would have been almost a contradiction in terms if Eusebius had first called these Epistles catholic H E II xxiii 25 VI xiv 1 in the sense of being universally accepted as authoritative and had then classed them among the disputed books Nor is it accurate to say that these letters are called catholic because they are addressed to both Jewish 3 and Gentile Christians alike a statement which is not true of all of them and least of all of the Epistle which generally stands first in the series for the Epistle of St James takes no account of Gentile Christians Moreover there are Epistles of St Paul which are addressed to both Jews and Gentiles in the Churches to which he writes So that this explanation of the term makes it thoroughly unsuitable for

the purpose for which it is used viz to mark off these seven Epistles from the Epistles of St Paul Nevertheless this interpretation is nearer to the truth than the former one To be continue in this ebook [Will's Commentary on the New Testament, Volume 10: Hebrews - James](#) Harold E. Will,1997-01-01 **Susan Clegg and Her Love Affairs** Anne Warner,2021-04-25 In Susan Clegg and Her Love Affairs Anne Warner crafts a compelling narrative that explores the complexities of romance social convention and individual agency within the backdrop of early 20th century America The novel employs a distinctively conversational and humorous style employing vivid characterizations and lively dialogue that reflect the changing dynamics of gender relations and personal aspirations during the Progressive Era Warner deftly intertwines themes of love and societal expectation creating a rich tapestry that challenges and entertains illuminating the struggles of women seeking autonomy amid prevailing patriarchal norms Anne Warner a notable author of her time drew upon her personal experiences and progressive ideals which were influenced by her upbringing in an era undergoing significant social transformation A prominent figure in the literary circles of her time Warner was immersed in the discourse surrounding women s rights and roles themes that permeate her writing She wrote to illuminate women s inner lives and romantic escapades employing sharp wit and a keen understanding of her characters motivations reflective of her belief in female empowerment Readers seeking a blend of humor and poignant insight into love s intricacies will find Susan Clegg and Her Love Affairs an engaging and thought provoking read Warner s adept storytelling not only offers a glimpse into the collective psyche of her characters but also resonates with contemporary audiences making it a timeless exploration of love and identity that remains relevant today **Meet Me on the Mountain** William J. Yourself Pablo Martinez,2021-12-14 They made me take care of the vineyards but my own vineyard I neglected Song of Songs 1 6b Paul urged Timothy to learn this vital principle when he was still young It contains one of the keys in Christian work If someone in ministry is not all right the quality of their ministry will be affected In Christian ministries it is easy to find workers who never think of themselves While selflessness is a Christlike trait at times we can push ourselves too far leading to the paradigm of stressed and burned out people In order to love God and serve others we often need to be still take a rest and be refreshed This book will help Christians find the balance between ministry and monastery between the urgent work of service and the place of rest and restoration Caring for our own vineyard the talents gifts and emotional resources of our personality is not only a privilege but a duty It is part of good stewardship an act of obedience as disciples of Christ Far from being a sign of a more spiritual attitude neglecting our own needs can be a serious mistake and even a sin
