*Your Eucharistic Identity* Gregory Pine, 2025-07-18 The Eucharist is no mere symbol It is the key to life More specifically it is the key to your very identity When we look carefully at the Blessed Sacrament under the signs of bread and wine we discover that we were made not simply to receive God to be nourished by his gifts or to draw close to him In fact we were made to become Him In Your Eucharistic Identity Father Gregory Pine shows that Christ through the Sacrament divinizes us in our whole being But the Eucharist is not magic We have to receive the gift of his Eucharistic presence and preparing for such a great banquet requires time work and attention To become like Christ we must be ready to be given to others in a free radical gift of love Father Pine's sacramental guide to the fullness of life at once thought provoking and practical ancient and new offers Christians a simple clear guide for their path

meditation it also provides prayer for specific topics Whether one is a beginner or highly advanced in prayer there is a prayer suitable for nearly every occasion These magnificent prayers echo from prison cells hospital beds battlefields and even treetops It gives special emphasis to the prayers and meditations of the three great Carmelite mystics Teresa of Avila John of the Cross and Th r se of Lisieux But the other twenty two saints include a wonderful variety with Elizabeth of the Trinity Simon Stock Titus Brandsma Edith Stein and many more Illustrated *Ponder* Mahri Leonard-Fleckman,2020-08-15 2021 Association of Catholic Publishers third place award in Scripture 2021 Catholic Media Association Award honorable mention award in popular studies *Ponder* Contemplative Bible Study is a three volume series designed to accompany hearers and preachers of the Word as they pray with and ponder the Sunday readings throughout the liturgical year The Sunday readings are provided along with brief commentary engaging reflections and clear guidance on how to use this resource alone or with a group This volume guides readers through the Year B lectionary *The Light of Christ* Thomas Joseph White,2017-09-14 This introduction to Catholicism combines scholarly depth with an engaging style to present the what and why of Catholic belief with exceptional clarity Charles J Chaput OFM Cap Archbishop of Philadelphia In *The Light of Christ* Fr Thomas Joseph White provides an accessible presentation of Catholic doctrine that is both grounded in traditional theology and engaged with contemporary concerns Inspired by the theologies of Irenaeus Thomas Aquinas and John Henry Newman Father White covers the major doctrines of the Christian religion including knowledge of God the mystery of the Trinity the incarnation and the atonement the sacraments and the moral life eschatology and prayer *The Light of Christ* also addresses topics such as evolution the modern historical study of Jesus and the Bible and objections to Catholic moral teaching Authoritative yet accessible this book serves as an excellent introduction for general readers or as a helpful text for theology courses in a university context This is a book that offers itself as a companion My goal is to make explicit in a few broad strokes the shape of Catholicism I hope to outline its inherent intelligibility or form as a mystery that is at once visible and invisible ancient and contemporary mystical and reasonable Father White from the Introduction *The Apologetic Value of Human Holiness* Victoria S. Harrison,2012-12-06 *The Apologetic Value of Human Holiness* begins by providing the first comprehensive account of the model of human holiness developed by the leading theologian Hans Urs von Balthasar In so doing the book also provides the first detailed explication of his Christocentric philosophical anthropology Part 2 argues that von Balthasar anticipates some key developments in late twentieth century Anglo American analytical philosophy and that certain of these developments in particular the internal realism of Hilary Putnam provide powerful support for von Balthasar s theological philosophy The final part elucidates von Balthasar s core intuition that human holiness is of immense apologetic value for religious faith and concludes with a new internalist theory of religious pluralism *The Apologetic Value of Human Holiness* will be seen as an important and original contribution to both Philosophy of Religion and Theology and is likely to prove essential reading in upper level undergraduate and postgraduate courses in both subjects **The Feminine Genius of Catholic**

**Christ the Logos of Creation: An Essay in Analogical Metaphysics** John R. Betz, 2023-09-28 The Prologue of the Gospel of John identifies Jesus Christ as the eternal Word or Logos of the Father who became flesh for the salvation of the world Yet the world that Christ saves is his world from the beginning for he is also the Logos of creation the one through whom all things were made John 1:3 This divinely revealed claim has profound implications not only for theology but also for metaphysics whose relation to Christian doctrine was undermined over the course of the twentieth century such that the Christian faith has become an increasingly private affair rather than a credible account of reality and an invitation to participate more fully in it With *Christ the Logos of Creation* John Betz seeks to recover a Christ-centered analogical metaphysics and to establish the indispensability of such metaphysics for Christian theology and the Christian vision of reality In Part I he dispels the fog of confusion about analogical metaphysics and addresses the ecumenical issues posed by Karl Barth's famous rejection of the *analogia entis* Part II demonstrates how analogical metaphysics helps to explain Christian doctrine and sheds new light on the interrelationship between individual doctrines including Trinitarian theology Christology and soteriology and theological anthropology In Part III Betz explores how this analogical perspective can aid in resolving a number of theological disputes including the metaphysical relationship between nature and grace and the issue of divine humility Finally Part IV outlines further directions toward a fully Christological metaphysics that is proportionate both to the challenges of modern theology and the reality of our life in Christ the Logos
