**Images of Elvis Presley in American Culture, 1977-1997** George Plasketes, 1997 Was Al Gore only half kidding at the 1992 Democratic Convention when he compared Bill Clinton to the King Why does Elvis s name and image still pop up in so many movies television shows and songs From black velvet paintings comic books and postage stamps to impersonators movie characters and sports stars Images of Elvis Presley in American Culture 1977 1997 provides a surprisingly broad vista from which to view American popular culture An insightful exploration of America s overwhelming and enduring cultural fascination with the expanding and elusive Elvis myth this book combines historical textual and sociocultural analysis with a wide range of resource materials to examine the many images of Elvis in American culture Focusing on the period following his death in 1977 up to the present Elvis Presley in American Culture 1977 1997 informs and entertains popular readers and academicians in American studies popular culture radio television film sociology music and 20th century American history Elvis fans Elfans and collectors of Elvis Presley materials and memorabilia also need to add this perspective enhancing book to your personal libraries Author George Plasketes shows us how representations reflections responses and references to Elvis in art artifacts film video television music performance literature memorabilia and alleged sightings continue to make American culture a mystery terrain of endless Elvistas The repetition of these images is a link to our cultural identity Elvis Presley in American Culture 1977 1997 provides the necessary critical analysis and the resource guide to the various representations of Elvis during the past 20 years to give readers an engaging and informative way to pursue and interpret the expansive and ever evolving Elvis myth and its importance to American popular culture *Weekly World News*, 1991-07-23 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world s only reliable news source since 1979 The online hub [www.weeklyworldnews.com](http://www.weeklyworldnews.com) is a leading entertainment news site **Elvis Has Left the Building** Dylan Jones, 2014-08-14 An interesting look at how 1977 marked the explosion of punk alongside this heartbreaking though not altogether surprising loss of a legend USA Today In the late 1970s punk music was setting out to destroy everything Elvis Presley had come to represent But punk couldn t destroy The King himself he had already done that succumbing to his excesses at Graceland on August 16 1977 Ever since Elvis has permeated the world in ways that are bizarre and inexplicable a pop icon while alive he has become almost a religious icon in death a modern day martyr crucified on the wheel of drugs celebrity culture junk food and sex In *Elvis Has Left the Building* Dylan Jones takes us back to those heady days around the time of his death and the simultaneous rise of punk Evoking the hysteria and devotion of The King s numerous disciples and imitators Jones offers a uniquely insightful commentary on Elvis s life times and outrageous demise Recounting how the artist single handedly changed the course of popular music and culture he also delves deep into the cult of The King and reveals what Elvis s death meant and still means to us today I m not sure punk would have existed without Elvis In fact I m not sure a lot of things would have existed without him Dylan Jones is the right

Connecticut Characters Randall Beach, 2023-06-01

*Connecticut Characters Profiles of Rascals and Renegades* is a collection of the most popular profiles and colorful accounts written by long time columnist Randall Beach His columns were written over a span of 40 years and are fondly remembered by many New Haven Register readers When Randall began writing the column some of his newsroom colleagues dubbed the subjects creep of the week because often the subjects were so odd and eccentric But none of them were creeps they simply had a different way of looking at the world and of living He always strove to give them dignity along with recognition His writings always strike an affectionate tone and are often humorous but never mocking The individuals that he wrote were from all over Connecticut well beyond the New Haven area The collection focuses on some well known people such as former Yale University President A Bartlett Giamatti but mostly the profiles are of people some colorful who are part of the fabric of the state It's a remarkable and fascinating collection of profiles about people from all different walks of life around Connecticut
