The Good News About Hard Times Jonathan H. Wilson, 2015-08-21 James our life coach James the brother of Jesus was not a believer until after the Resurrection Then his whole life changed He was made the leader of the early church We often think of the great apostle Paul as the greatest leader in the early church but whose counsel did Paul seek when he had to make a crucial decision three times Was it not James whose counsel he sought James was Paul's life coach and by reading and studying the sacred and inspired writings of James he can then become our life coach **Good News, Bad News**

Jeremy Iggers, 2018-02-12 In Good News Bad News Jeremy Iggers argues that journalism's institutionalized conversation about ethics largely evades the most important issues regarding the public interest and the civic responsibilities of the press Changes in the ownership and organization of the news media make these issues especially timely although journalism's ethics rest on the idea of journalism as a profession the rise of market driven journalism has undermined journalists professional status Ultimately argues Iggers journalism is impossible without a public that cares about the common life Written in an accessible style Good News Bad News is important reading for journalists communication scholars and students Public dissatisfaction with the news media frequently gives rise to calls for journalists to live up to the ethical standards of their profession But what if the fault lies in part with the standards themselves Jeremy Iggers argues that journalism's institutionalized conversation about ethics largely evades the most important issues regarding the public interest and the civic responsibilities of the press Changes in the ownership and organization of the news media make these issues especially timely although journalism's ethics rest on the idea of journalism as a profession the rise of market driven journalism has undermined journalists professional status Ultimately argues Iggers journalism is impossible without a public that cares about the common life A more meaningful approach to journalism ethics must begin with a consideration of the role of the news media in a democratic society and proceed to look for practical ways in which journalism can contribute to the vitality of public life Written in an accessible style Good News Bad News is important reading for journalists communication scholars and students

Wisdom in Troubled Times Pastor Stephen Kyeyune, 2018-06-30 This book is written in the form of a devotional It consists of my minisermos as posted daily on social media It addresses the tussles we encounter daily It is good for spiritual maturity

relationships and wisdom A devotional journal compared to a memoir should have some uplifting qualities and should be inspiring and illuminating That's what this book is intended to accomplish This book will help you discover your purpose for living and hence your divine destiny What you believe about God defines your life Losing sight of God causes us to lose who we are really are The Word is a prism through which we filter our changing self image God's primary goal is to change us so that we can see as He sees Christ Himself became wisdom from God to us in order for us the church to display the multifarious wisdom of God to the whole universe God may not fix everything broken in your life now but He is willing to renew your thinking so that you are able to think as He would have you think desire what He says is best and do what He calls you to do This book could be a viable clutch missing at your fingertips greatly needed in a culture in which post truth is the word of the year I mean today's culture where people are economical with the truth where people sweeten it or tell the truth improved

Sophia C. Opzoomer,1885 Wordcraft Jack Hart,2021-04-09 Legendary writing coach Jack Hart spent twenty six years at the Oregonian and has taught students and professionals of all stripes including bloggers podcasters and more than one Pulitzer Prize winner Good writing he says has the same basic attributes regardless of genre or medium Wordcraft shares Hart s techniques for achieving those attributes in one of the most broadly useful writing books ever written Originally published in 2006 as A Writer s Coach the book has been updated to address the needs of writers well beyond print journalists Hart breaks the writing process into a series of manageable steps from idea to polishing Filled with real world examples both good and bad Wordcraft shows how to bring such characteristics as force brevity clarity rhythm and color to any kind of writing Wordcraft now functions as a set with the second edition of Hart s book Storycraft on the art of storytelling also available from Chicago Hard Times, Good People Sid Spurgeon,2024-09-19 There is one question that victims of the Great Depression knew not to ask what did I do to deserve this The answer was the same for nearly everyone it was your turn Homer and Ella Dickinson suffered the worst of times lost jobs and lost homes as life and tragedies caved in on them They were forced to relocate six times while Homer looked for permanent employment When all that was going on they had kids to care for and sadly two children to bury and mourn As the Depression loosened its grip Homer found steady work for the railroad in Pendleton Oregon The family started again with their two remaining sons George and Gibb then terrible luck World War II The oldest son George went to war in the summer of 1943 and trained as a paratrooper for the 82nd Airborne On the night of June 5 or very early morning on June 6 he parachuted into Nazi occupied France during the D Day invasion George would be part of a very large task force of courageous young American men who fought their way into

Germany George survived and returned to Pendleton and soon married his high school sweetheart an intelligent young woman from the Umatilla Indian Reservation Of course there were comments complaints and whispered insults about the mixed race marriage of George Dickinson and Sulema Lopez Both families were very supportive of the marriage and headed off many rude and unwanted objections that were aimed at George and Sulema That support eased much of the tension that may have arisen and the couple led very fulfilling adult lives that were blessed by twins The person most responsible for the family's strength and cohesion during the hardest times was Ella who had enough love and compassion for anyone who entered her circle Her motto God loves you so do I was introduced to her by her father a Baptist pastor She lived it and took care of her little corner of the world right up to the time of her death Hard Times Good People is about those who step up and take on life's most demanding challenges and setbacks To get through those times took nothing short of everyday heroes

Pfautsch,2021-10-17 There are many situations and actions in our world today that can easily lead us to believe we are living at a time when evil is more prevalent than it has ever been Hatred and divisiveness all too frequently are being substituted for love of God and neighbor In reality all human beings have lived through diabolical times From the time Satan serpent tempted and persuaded Eve in the Garden of Eden to eat of the forbidden fruit evil has existed in the world Dealing with evil is a struggle for human beings It can become an even greater struggle when society accepts and endorses evil practices In our Church and in our Nation there have been questionable practices some of which are accepted by our society that make it more difficult to maintain or increase our faith in God We will examine a few such evils in this book **Catalog of Copyright Entries.
