Elijah and Elisha in Socioliterary Perspective Robert B. Coote, 1992 Original text to be scanned is 5 5 x 8 5 please center for 6 x 9 trim The Social Visions of the Hebrew Bible J. David Pleins, 2001-01-01 J David Pleins presents a sociological study of the Hebrew Bible seeking to uncover its social vision by examining biblical statements about social ethics He does this within the framework provided by Israel's social institutions the social locations of its actors and the historical struggles for power and survival that are reflected in the transmission of the texts **Elijah, Yahweh, and Baal** Hermann Gunkel, 2014-11-18 Elijah Yahweh and Baal is a masterpiece presented with authority by a twentieth century accomplished and unsurpassed exegete It is now translated by a disciple whose elegant rendition sounds as if Hermann Gunkel had originally written himself the book in English Andre LaCocque The Chicago Theological Seminary Chicago IL Written a century ago for a church audience eager to learn how the best scholarship of the day could illuminate one of the Bible's most absorbing stories this little book shows Gunkel at the height of his powers of critical perspicuity explanatory finesse and reverent sensitivity the ideal Bible study leader at once learned captivating and devout Moreover Gunkel encompasses his subject as few today could or would in such short scope combining philological acumen aesthetic appreciation comparative perspective and attention to communal folk tradition his pioneer distinction and constants of human religiosity The translation includes astute notes by the editor and a helpful list of more recent resources Robert B Coote San Francisco Theological Seminary San Francisco CA Hermann Gunkel who died in 1932 is one of the greatest teachers and God Fathers of Old Testament study He has taught us the most about the artistic imaginative dimensions of the text His interpretation of the Elijah narrative in this volume is a treasure that merits continuing attention We may be grateful indeed to K C Hanson for bringing it to us in English and to Wipf and Stock for its publication Gunkel continues to be our teacher and God Father in wise shrewd reading of the text Walter Brueggemann Columbia Theological Seminary Decatur GA **The Politics of Pessimism in Ecclesiastes** Mark R. Sneed, 2012-02-27 Scholars attempt to resolve the problem of the book of Ecclesiastes heterodox character in one of two ways either explaining away the book's disturbing qualities or radicalizing and championing it as a precursor of modern existentialism This volume offers an interpretation of Ecclesiastes that both acknowledges the unorthodox nature of Qoheleth's words and accounts for its acceptance among the canonical books of the Hebrew Bible It argues that instead of being the most secular and modern of biblical books Ecclesiastes is perhaps one of the most religious and primitive Bringing a Weberian approach to Ecclesiastes it represents a paradigm of the application of a social science methodology Elisha and the End of Prophetism Wesley J. Bergen, 1999-05-01 The stories of Elisha the prophet have received scant attention in recent years perhaps because they are so enigmatic This study places the Elisha material firmly within the narrative of Genesis 2 Kings and examines the effect these stories have on the reader's perception of the role of the prophet Using the narratological theories of Mieke Bal David Jobling and others Bergen shows that the

Elisha stories present prophetism in a negative light confining prophets to a rather limited scope of action in the narrative world

Resurrection in Mark's Literary-Historical Perspective Paul Fullmer, 2007-06-19 Through a careful reading of several ancient texts such as Chariton's Callirhoe Fullmer identifies an ancient storytelling convention with roots in the Homeric tradition in which narratives of death and revival accentuate significant points in a story In Mark's Gospel resurrection narratives accentuate the power of Jesus' ministry Mark 5:21-43 as well as the ironic disloyalty of Jesus' disciples as their failure is first assured Mark 9:14-29 and later realized Mark 16:1-18 The reader of this study will come to appreciate how the irony of the Gospel a literary feature that is prominent in novelistic literature is furthered by a novelistic application of the resurrection theme These observations affirm an identification of the genre of the Gospel as novelistic literature The study also examines themes of death and revival in texts of the Hebrew Bible revealing a recurrent constellation of motifs In these texts Fullmer convincingly traces a Prophetic resurrection topos with characteristics that are compared to an Epic resurrection topos identified in the Homeric tradition He then demonstrates how the two topoi merge in later novelistic texts of Hellenistic Judaism such as the Gospel of Mark witnessing to a widespread amalgamation of cultures that characterizes the Hellenistic period This study supports a growing appreciation of the ethnic hybridity of the context that produced Mark's Gospel contributing to the work of scholars who question an often overdrawn dichotomy between Jewish and Greek culture in the Hellenistic period Moreover the significant influence of epic non-biblical traditions upon the Gospel becomes manifest without an assertion of direct dependence upon Homeric epic Overall the study provides a model for the examination of specific themes of the Gospel in light of related ancient literature which enhances modern understanding and appreciation of Mark's story

Jesus and Purity Halakhah Thomas Kazen, 2021-12-03 This study traces Jesus' attitude to impurity within the historical context at the end of the Second Temple period when practices of ritual purity came to play an increasing role in Jewish society and an expansionist trend gained in influence and support The traditional focus on sayings material and criteria of authenticity in historical Jesus research is modified narrative traditions with implicit purity issues are appealed to and extra canonical traditions are included The main areas examined are the most important fathers of impurity leprosy skin diseases genital discharges and corpse contamination Jesus is found to have acted in ways that could have been understood by some of his contemporaries as indifference to these types of impurity His behaviour is shown on several points to clash with current purity halakhah and dominant expansionist ideals In an attempt to interpret his actions within the Jewish context and culture of the Second Temple period three explanatory models are provided Jesus' attitude can be seen as part of a moral trajectory in Judaism It can be understood as a response to a regional Galilean dilemma It can be viewed in a power perspective as an expression of Jesus' eschatological struggle against demonic evil The result is that Jesus may be understood as operating within the purity paradigm of his time yet seemingly indifferent in the eyes of some pushing it to the breaking point Such a reconstruction makes subsequent developments intelligible in which various Christian currents drew conflicting conclusions Those looking to Jesus' behaviour for some sort of guidance today may perhaps find contemporary analogies

Jezebel Lesley Hazleton, 2009-03-17 There is no woman with a worse reputation than Jezebel the ancient queen who corrupted a nation and met one of the most gruesome fates in the Bible Her name alone speaks of sexual decadence and promiscuity But what if this version of her story handed down to us through the ages is merely the one her enemies wanted us to believe What if Jezebel far from being a conniving harlot was in fact framed In this remarkable new biography Lesley Hazleton shows exactly how the proud and courageous queen of Israel was vilified and made into the very embodiment of wanton wickedness by her political and religious enemies Jezebel brings readers back to the source of the biblical story a rich and dramatic saga featuring evil schemes and underhanded plots war and treason false gods and falser humans and all with the fate of entire nations at stake At its center are just one woman and one man the sophisticated Queen Jezebel and the stark prophet Elijah Their epic and ultimately tragic confrontation pits tolerance against righteousness pragmatism against divine dictates and liberalism against conservatism It is in other words the original story of the unholy marriage of sex politics and religion and it ends in one of the most chillingly brutal scenes in the entire Bible Here at last is the real story of the rise and fall of this legendary woman a radically different portrait with startling contemporary resonance in a world mired once again in religious wars

Horsley, 2022-03-25 In this innovative study Horsley builds on his earlier works concerning the problematic and misleading categories of magic and miracle to examine in depth the meaning and importance of the narratives of healing and exorcism in the Gospels Incorporating his work on oral performance and turning to important works in medical anthropology a new image emerges of how these narratives help us re evaluate Jesus s place in first century Galilee and Judea In his exorcisms and healings Jesus in interaction was empowering the villagers in their struggles for renewal of personal and communal dignity in resistance to invasive Roman rule

Nameless, Blameless, and Without Shame Gina Hens-Piazza, 2003 Nameless Blameless and Without Shame is a character study of two obscure women before a king 2 Kings 6 24 33 It explores the violence encoded in the texts by the privileged powerful The character study connects these cannibal mothers to portraits of other pairs of biblical mothers and their plight the two mothers before Solomon Sarah and Hagar Rachel and Leah This prompts us to search for counter stories in the biblical tradition and in our own lives opposing the violence embedded there The text and the tradition of interpretation would urge us to disregard scorn or even indict these two women and all they represent However the character analysis emerging out of this literary assessment argues in favor of elevating these nameless mothers as blameless Chapters are Building Character A Story Within Stories Literary Criticism and the Tale of Two Cannibal Mothers A Postmodern Literary Study of Two Cannibal Mothers Before a King Stories Speak of Other Stories and Character Counter Texts and Conclusion Gina Hens Piazza PhD is an associate professor of biblical studies at the Jesuit School of Theology at the Graduate Theological Union in Berkeley She has written and lectured extensively on topics of
