all say we did it ourselves Lao Tzu s thought on leadership is a rather deep one extending beyond the physical For Lao Tzu a leader does his job best when he can make his men accomplish their mission without him actually taking part in the physical endeavors A leader is someone who brings out his men s best potential not someone who does most of the work One of the greatest military leaders in the world's history the French general and emperor Napoleon Bonaparte appears to same almost the same thoughts of leadership with Lao Tzu When I give a minister an order I leave it to him to find the means to carry it out For him leadership is not about directing people all the way through getting a job done Being a leader involves choosing the right men to do the right job and letting them do it their way **Better Nutrition** ,2003-11 Reaching nearly 1 million readers monthly Better Nutrition celebrates 70 years as a leading in store distributed magazine for health conscious consumers Widely distributed to thousands of health food stores and grocery chains across the country Better Nutrition provides authoritative well researched information on food nutrition dietary concerns supplements and other natural products Student Success with Less Stress Carlton R.V.
