shrouded in mystery for centuries It is simultaneously a sacred hallucinogenic plant used in secret rituals a personified God and an important cosmological principle Summarizing all previous research on the subject David Spess goes far beyond his predecessors and shows that soma provides an important key to the understanding of the earliest systemized methods of medicine psychology magic rejuvenation longevity and alchemy Most significant is that his intensive research provides the most compelling case yet for actual identification of the plants that served as the basis for the divine hallucinogen *Nelumbo nucifera* the sacred lotus of India as well as some members of the *Nymphaea* genus With the renewed interest in the ritual use of psychoactive substances shamanism psychic phenomena and alternative modalities of healing Soma provides a much needed bridge between Eastern and Western esoteric traditions Contained within the enigmatic verses about soma in the Rig Veda is a secret about ourselves and the nature of our relationship to the world and cosmos Soma makes this knowledge available to us once again

The Alchemical Harry Potter Anne J. Mamary, 2021-01-05 When Harry Potter first boards the Hogwarts Express he journeys to a world which Rowling says has alchemy as its internal logic The *Philosopher's Stone* known for its power to transform base metals into gold and to give immortality to its maker is the subject of the conflict between Harry and Voldemort in the first book of the series But alchemy is not about money or eternal life it is much more about the transformations of desire of power and of people through love Harry's equally remarkable and ordinary power to love leads to his desire to find but not use the *Philosopher's Stone* at the start of the series and his wish to end the destructive power of the Elder Wand at the end This collection of essays on alchemical symbolism and transformations in Rowling's series demonstrates how Harry's work with magical objects people and creatures transfigure desire power and identity As Harry's leaden existence on Privet Drive is transformed in the company of his friends and teachers the Harry Potter novels have transformed millions of readers inspiring us to find the gold in our ordinary lives
