*Sons Of Heaven* Terrence Cheng, 2007-05-21 *Sons of Heaven* is an epic novel set against the backdrop of one of modern history's most haunting events the Tiananmen Square Massacre In June 1989 the world watched in horror as China's military was mobilized to suppress a student movement that stood for peaceful democracy Hundreds were killed others say thousands No one knows for sure But the image that remains most powerful is that of a lone young man looking confused yet terribly brave as he held his ground before a rolling line of tanks Who was he and why did he do what he did No one has ever been able to determine his identity or fate Within the pages of *Sons of Heaven* in a stunning blend of history and fiction Terrence Cheng has vividly created a life for this young hero and given him a voice Cheng imagines the young man's life as he goes away to America to complete his education He falls in love with a beautiful young American girl who opens up to him a free life filled with opportunity When he returns to China he is embittered and disillusioned only the potential for political change seems to revive him Also unraveled is the story of the young man's older brother an ardent member of the Red Army who is ordered to capture his little brother In the end their political differences turn deadly On one level this is a novel of history as played out in modern China but first and foremost it is about the

universal ties of family and the difficult process of boys learning to become men Also under scrutiny is the life and history of Deng Xiaoping China's leader who is suspected of giving the final orders to turn the People's Army against its own people What historical and political factors affected his decisions that fateful summer Was Deng the monster that the world made him out to be A revolving narrative of family faith and courage Sons of Heaven braids the lives of peasants and soldiers politicians and gods It is a powerful novel of one of the most memorable and moving moments of our time Praise for SONS OF HEAVEN This remarkably structured and textured debut epic seeks to attach a face to the mysterious man who by stepping in front of the rolling army tanks became the most recognizable symbol of the massacres Cheng succeeds in his endeavor a multifaceted and sophisticated portrait of the Chinese people is rendered This is a rare find This is not the first novel to center around Tiananmen but it may be the best Publishers Weekly starred review A superb first novel Sons of Heaven succeeds because its focus is relentlessly personal and moral San Francisco Chronicle Filled with carefully measured doses of history romance and adventure Stylistically and thematically daring Miami Herald Terrence Cheng enters history in such a profound and provocative way his retelling of the events in and around Tiananmen Square is subversive lyrical and full of control Cheng is a painter and a cinematographer and a wordsmith all at once Colum McCann author of Dancer T his brave insightful and gifted writer seeks to compassionately understand these fictional and actual but fictionalized characters backgrounds motivations and uncertainties to help readers grasp the moment from divergent perspectives Eugene Weekly Compelling powerful a first class thriller set on the stage of world history that is hard to put down Pittsburgh Post Gazette Cinematic powerful Atlanta Journal Constitution Who cannot think of those days in June 1989 without recalling the image of an unknown protester facing off against a tank thanks to Terrence Cheng's Sons of Heaven we shall have an enduring reminder Denver Post An irresistible peek into the human face of modern China USA Today The writing here is terse and often beautiful this clash between pole *Distant Lover* Gloria Mallette, 2004 Bestselling author Gloria Mallette returns with a tale of a woman's quest to confront the good the bad and the ugly truths about her past Eighteen years after leaving home Tandi Crawford returns to her father's house with a young son and a failed marriage behind her She begins to search for answers to the questions that have haunted her all her adult life her mother's mysterious death her father's indifference and the first love she can't forget *Dangerous Descent* Evie Jacobs, 2024-09-02 Pilot Elise Hughes left the family business in the Florida Keys and now flies the rich and powerful to and from the Rocky Mountains When she has to execute a by the book emergency landing it's no big deal But being stranded in a small town with her handsome new colleague is something else entirely Obsessed with getting justice for his murdered father undercover FBI agent Eric Erickson believes retribution is finally within reach Until things get complicated And dangerous And he's forced to face a few too many realities including Elise's connection to a well known crime boss After Elise is kidnapped by the same man who took Eric's father he has a choice to make find Elise or exact revenge Meanwhile she has a choice of her own trust the dangerous family she never knew

**Two Tales of Old Kodiak** Steve Descloux, 2021-06-09 Let this author take you back with a

couple memories to an earlier wilder Kodiak Alaskawhen the seafood industry was booming and the town never went to sleep when trappers were popular and often sold most of their prime furs to the locals and tourists when the churches and the bars ran neck and neck in number and the congregation was always greatest in the latter The Wreck of the Rustler will give the reader a feel for what living on Kodiak Island meant in the 1950s and 60s and take a few boat rides around the island one of which became a terrifying nightmare for the four young boys aboard when the skipper and other adults drank too much whiskey The boat plowed into a rockpile on a windy Christmas night and began taking on water For hours impending death loomed in their thoughts as they helped in the fight to save the vessel and aid toward their eventual rescue by Coast Guard helicopters Confessions of a Seal Hunter is a descriptive recollection of a small scale commercial seal hunt down the east side of Kodiak Island during which an untried boy took his first steps into manhood learning the skills of work and survival as

he followed his skipper down the island in a small skiff dreading his first kill with the club learning to skin the seals and care for the hides working brutal long hours every day to help increase the catch and learning that a workingman was expected to carry his share of the load no matter how tired wet and cold he was      *Found in the Street* Patricia Highsmith,2016-07-12
