## **Good Bye And Other Stories:**

Goodbye My Love and Other Stories Marcus A. Stockton, 2017-11-16 There are two ways that a person can walk in this life You can either walk into your blessing or walk into your curse How can you do that You can do that by doing things that are natural for you to do Success at anything is not by chance or by luck It is seeing things you have already been doing brought to fruition Therefore successful people are not surprised by their success They actually knew it would happen before it happened The blessing is the reward for a life of integrity and commitment to achieving goals and setting standards What is the curse It is all the negatives that we curse our lives with the negative friends the negative conversations the negative situations An unsuccessful person who continues to put himself or herself in those situations in those conversations and around those people will bring a curse to their lives that they will never be able to shake I am grateful for the friends and the relationships that I have been blessed with in my life They have helped me to overcome all the obstacles of life And that is what any man needs incarcerated or free people who believe in him when no one else in the world does *Goodbye Old Friends & Other Stories* Len Custer, 2001-12-27 This is a collection of 14 absorbing short stories on a variety of interesting subjects In *Goodbye Old Friends* an elderly man is faced with losing his beloved team of mules His health is failing and the care and companionship of his faithful friends of 15 years is his only reason to continue living As he sits alone during the night before the mules are to be taken by his son he reflects on his long and adventurous life The final goodbye to his old friends is a heart wrenching scene The other 13 stories cover a wide spectrum of subject matter Good-bye, Son and Other Stories Janet Lewis, 2019-08-27 Good bye Son and Other Stories Janet Lewis's only collection of short fiction was first published in 1946 but remains as quietly haunting today as it was then Set in small communities of the upper Midwest and northern California in the 30s and 40s these midcentury gems focus on the quiet cycles connecting youth and age despair and hope life and death A mother's encounters with her deceased son an aging woman sitting with the new knowledge of her troubled older sister's death and a teenager disillusioned by her own mortality are among the characters mostly women and girls whom Lewis delivers Her understated style and knack for unadorned observation embed us with them as they reckon with the disquieting forces incomprehensible and destructive to some enlightening to others that move us from birth through life to death In the process Lewis has crafted a paean to the living Good-bye and Other Stories Yoshihiro Tatsumi, 1988 Yoshihiro Tatsumi has assembled an unusual collage of postwar Japanese life Once unity order and harmony were the cornerstones of society Now individuals families and lovers find themselves imprisoned by small minds and tiny spaces Domestic battles are the new front of a quiet war Loneliness is pervasive emotional detachment a necessity and good bye is the only proper response to caring The scars of a deeply wounded nation are visible in the chaotic lives of its people A young bride's husband is jailed on their wedding night Faithful for four years she confirms his suspicions and erases her virginal image the night before his release A prostitute rids herself of the one man who truly cares for her her father A disabled
