Good Bye To All That An Autobiography:

Goodbye to All That Robert Graves,2000 *Good-Bye to All That* Robert Graves,2025-01-01T00:00:00Z First published in 1929 and therefore now public domain in the US *Good Bye to All That* is an autobiography by Robert Graves when the author was 34 years old It was my bitter leave taking of England he wrote in a prologue where I had recently broken a good many conventions The title may also point to the passing of an old order following the cataclysm of the First World War the supposed inadequacies of patriotism the interest of some in atheism feminism socialism and pacifism the changes to traditional married life and not least the emergence of new styles of literary expression are all treated in the work bearing as they did directly on Graves s life The unsentimental and frequently comic treatment of the banalities and intensities of the life of a British army officer in the First World War gave Graves fame notoriety and financial security but the book s subject is also his family history childhood schooling and immediately following the war early married life all phases bearing witness to the particular mode of living and thinking that constitute a poetic sensibility *Goodbye to All that* Robert Graves,1960 Robert Graves superb autobiography tells the story of his life at public school and as a young officer during the First World War It is a permanently valuable work of literary art and indispensable for the historian either of the First World War or of modern English poetry Apart however from its expetional value as a war document this book has also the interest of being one of the most candid self portraits of a poet warts and all ever painted Thesketches of friends lof Mr Graves like T E Lawrence are beautifully vivid Times Literary Supplement *Good-bye to All that* Robert Graves,1995 The objects of this autobiography written at the age of thirty three are simple enough an opportunity for a formal good bye to you and to you and to you and to me and to all that forgetfulness because once all this has been settled in my mind and written down and published it need never be thought about again money Thus begins Robert Graves s classic 1929 autobiography with its searing account of life in the trenches of the First World War and yet this opening passage together with much significant material has been unavailable since 1957 when a middle aged Graves totally revised his text robbing it of the painfully raw edge that had helped to make it an international bestseller By 1957 major changes in his private life had taken place Graves was no longer living with the American poet Laura Riding under whose influence and in whose honor the original had been written By cutting out all references to Riding by deleting passages which revealed the mental strains under which he had labored and by meticulously editing the entire text Graves destroyed most of what had made it so powerful but also removed it from the only context in which it could be fully understood We are pleased to offer the original 1929 edition on the occasion of Graves s 100th anniversary edited and annotated by Robert Graves s nephew and biographer whose lucid introduction greatly enhances its value **Goodbye to All that** Robert Graves,1977 Robert Graves s autobiography tells the story of his life at public school and as a young officer during the First World War *Modern Classics Goodbye To All That* Robert Graves,2000-10-03 An autobiographical work that describes firsthand the great tectonic shifts in English society following

the First World War Robert Graves's *Goodbye to All That* is a matchless evocation of the Great War's haunting legacy published in Penguin Modern Classics In 1929 Robert Graves went to live abroad permanently vowing never to make England my home again This is his superb account of his life up until that bitter leave taking from his childhood and desperately unhappy school days at Charterhouse to his time serving as a young officer in the First World War that was to haunt him throughout his life It also contains memorable encounters with fellow writers and poets including Siegfried Sassoon and Thomas Hardy and covers his increasingly unhappy marriage to Nancy Nicholson *Goodbye to All That* with its vivid harrowing descriptions of the Western Front is a classic war document and also has immense value as one of the most candid self portraits of an artist ever written Robert Graves 1895-1985 was a British poet novelist and critic He is best known for the historical novel *I Claudius* and the critical study of myth and poetry *The White Goddess* His autobiography *Goodbye to All That* was published in 1929 quickly establishing itself as a modern classic Graves also translated Apuleius Lucan and Suetonius for the Penguin Classics and compiled the first modern dictionary of Greek Mythology *The Greek Myths* His translation of *The Rubiyat of Omar Khayyam* with Omar Ali Shah is also published in Penguin Classics If you enjoyed *Goodbye to All That* you might like Ford Madox Ford's *Parade's End* also available in Penguin Modern Classics His wonderful autobiography Jeremy Paxman Daily Mail

Goodbye to All That Robert Graves, 2018-04-24 On the hundredth anniversary of the end of World War I a hardcover edition of one of the best and most famous memoirs of the conflict *Goodbye to All That* was published a decade after the end of the first World War as the poet and novelist Robert Graves was preparing to leave England for good The memoir documents not only his own personal experience as a patriotic young officer of the horrors and disillusionment of battle but also the wider loss of innocence the Great War brought about By the time of his writing a way of life had ended and England and the modern world would never be the same In Graves's portrayal of the dehumanizing misery of the trenches his grief over lost friends and the surreal absurdity of government bureaucracy Graves uses broad comedy to make the most serious points about life and death

Goodbye to All That Robert Graves, 2025-02-04 The poet's account of trench life still grips the reader making his WWI memoir a classic of English autobiography and a subversive tour de force The Guardian *Goodbye to All That* is English poet and soldier Robert Graves's bitter leave taking of England after his experiences during World War I A testimony to the shifts in society following the war the book offers an unsentimental and often satiric account of life as a British Army officer facing the intensity of battle as well as the personal history that led to his becoming a poet Finding refuge in Majorca Graves wrote *Goodbye to All That* in eleven weeks His accounts of trench warfare and his descriptions of war atrocities incited controversy making the book a literary sensation and funding Graves's vow to never make England my home again Consisting of Graves's memorable encounters with fellow writers and poets such as Siegfried Sassoon and Thomas Hardy and the changing societal views on married life *Goodbye to All That* is a classic war memoir and a candid portrait of artistic life

Good Bye To All That An Autobiography Introduction

In today's digital age, the availability of Good Bye To All That An Autobiography books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Good Bye To All That An Autobiography books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Good Bye To All That An Autobiography books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Good Bye To All That An Autobiography versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Good Bye To All That An Autobiography books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Good Bye To All That An Autobiography books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Good Bye To All That An Autobiography books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Good Bye To All That An Autobiography books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals.
