Goodbye Danube Rosemary Ryan Imregi, 2018-02-03 Benci Irene and their four children live in Budapest Hungary In the fall of 1956 they find themselves along with the rest of the country caught in a revolution that is ignited by young men and women Fed up with a communist regime that has ruled since World War II they march in protest determined to rid their city of total control from a government with no conscience Because Benci is a former soldier and a college professor his life is threatened if he doesn't report for duty to fight his fellow citizens Ignoring those orders Benci and his family prepare to flee Hundreds have already died in what started as peaceful demonstrations A neighbors twelve year old son is killed for the crime of looking out a window Their neighbors look to Benci for guidance He is a man who is a world champion fencer which has earned him a celebrity status among his countrymen Reluctantly he takes on the challenge to lead about two dozen citizensmen women and children Along the way they face death several times and a frightening walk across a swaying bridge made of nothing more than planks and rope Keeping the children safe and protected from the realities of their situation becomes the harshest most emotional role Irene has ever played as a mother Irenes entire world has always been devoted to her children Mara ten Vera eight Andow seven and Gari five Now more than ever they need her the most Once they arrive safely in Austria everyone rejoices that is whoever is still alive Of the two dozen who started out on this long journey only fifteen remain Irene cannot share the jubilation she is heartbroken Their freedom forced her to abandon her homeland and forsake her family especially her mother Gitta who proclaimed that she was too old to make such a journey My slowing you down could end in disaster for you and the children No its better that I stay here The story continues until the children are young men and women Because of Irenes fear of strangers due to years of not being able to trust anyone she refuses to attend functions at Rutgers University where Benci is employed She will not allow a stranger to babysit her children which leads to a bitter divorce and Irene though devastated never accepts any responsibility for the failed marriage

Goodbye to All That? Dan Stone, 2014 Shows how the anti fascist consensus prevalent throughout Europe following World War II has been crumbling since the 1970s and how globalization deregulation the erosion of social democratic welfare capitalism in the West and the collapse of the Communist alternative in the East are leading to a social divisive politically dangerous rise of fascism that could threaten the peace of Europe

Goodbye, Eastern Europe Jacob Mikanowski, 2024-07-23 In light of Russia's aggressive 2022 invasion of Ukraine Goodbye Eastern Europe is a crucial elucidative read a sweeping epic

chronicling a thousand years of strife war and bloodshed from pre Christianity to the fall of Communism illuminating the remarkable cultural significance and richness of a place perpetually lost to the margins of history Eastern Europe has gone out of fashion since the fall of the Soviet Union Ask someone today and they might tell you that Estonia is in the Baltics or Scandinavia that Slovakia is in Central Europe and that Croatia is in the eastern Adriatic or the Balkans In fact Eastern Europe is a place that barely exists at all except in cultural memory Yet it remains a powerful marker of identity for many with a fragmented and wide ranging history defined by texts myths and memories of centuries of hardship and suffering Goodbye Eastern Europe is a masterful narrative about a place that has survived being forgotten Beginning with long lost accounts of early pagan life Mikanowski offers a kaleidoscopic tour of the various peoples who made Eastern Europe their home over the centuries including the Roma Jews and Muslims the great kingdoms of the medieval period the rise and fall of the Ottoman Habsburg and Russian empires the dawn of the modern era the ravages of fascism and Communism the birth of the modern nation state and beyond A student of literature history and the ghosts of his own family's past Mikanowski paints a magisterial portrait of a place united by diversity and eclecticism and of people with the shared story of being the dominated rather than the dominating The result is a loving and ebullient celebration of the distinctive and vibrant cultures that stubbornly persisted at the margins of Western Europe and Russia and a powerful corrective that re centers not only our understanding of how the modern Western world took shape but also the ways in which Eastern Europe has evolved throughout history to become what it is today *Goodbye Transylvania* Samuel Bistrian, 2008-11 An inspiring read from beginning to the end A young boy who lives in a communist village dares to dream beyond the horizons of a limited world to a world with limitless opportunities This book chronicles the fight that hungry citizens pursue for the God given right of freedom and the struggles most immigrants face in their transition to the New World It is a glimpse into what made America great and what continues to make it the greatest nation in the world the opportunity to become anything you want SAMUEL BISTRIAN was born in Romania A graduate of Dallas Baptist University he is the founder of the Light House Cultural Center in Dallas Texas He travels extensively around the world and is involved in various humanitarian and missions projects He and his wife Alejandra currently reside in Dallas with their two daughters Ilona and Emma **Always Say Goodbye** Stuart M. Kaminsky, 2024-05-01 From the Edgar Award winning author a novel of danger despair and determination with an incredibly taut plot that keeps twisting back on itself Mystery Scene Four years ago Lew Fonesca's wife was struck and killed in a hit and run within sight of their apartment He fled Chicago driving mindlessly until his car gave up the ghost in Sarasota FL Working from a cheap office behind the Dairy Queen on Highway 301 he makes a threadbare living as a process server and savors his clinical depression like a fine wine Life's a sneaky mistress though and has a way of suckering you into caring Lew's found that he's really good at helping people get out of bad situations That he matters And Lew's therapist who alternately acts as his conscience and his sparring partner tells him that unless he's willing to leave the planet it's about time that he

goes back to Chicago and closes the door to the past so he can finally get on with the rest of his life Lew hates to admit it but he s beginning to see her point So Lew returns to his hometown to friends and family and to a grief that threatens to engulf him He s resolved to dig until he finds out who killed his wife In doing so he ll uncover both sweet and painful memories of his past He ll also confront a murderer who ll not hesitate to kill again to make sure secrets stay buried Will keep readers hurtling along to the very end Publishers Weekly A psychologically acute and fast moving crime series Booklist *Why Now Is The Perfect Time to Wave a Friendly Goodbye to Quebec* Lowell Green,2013-12-29 Few Canadians have fought harder or longer for national unity and bilingualism than Lowell Green That was then says Green I have come full circle and am now convinced that it would be best for all concerned if Quebecers were to buck up their courage cut the cord and just as many other countries have done become master in their own house As is his style Green with humour insight and well researched facts pulls no punches in making very powerful and persuasive arguments for what he calls a velvet divorce from Quebec Includes the opinions of 90 different Canadians **Lily's Daughter** Susan Gerstein,2012 Susan Gerstein nee Zsuzsa Osvath is an artist living in New York City She is married to David and is the mother of Lisa In Lily s Daughter she remembers her early life growing up in Nazi occupied war torn and ultimately Communist dominated Hungary culminating in her daring escape into the West *Goodbye Office, Hello World!
