Gobel, 2012-03-14 I'm about to lose my wife and I don't want to lose my son too That depressing thought kept racing through my mind all day long as my five year old boy Frankie and I were enjoying our first day ever at an amusement park in 1994 My marriage was shot and beyond repair and I now faced many a parent's dread what effect would the divorce have on my son and how will I maintain any semblance of a normal rapport with him The answer miraculously was only hours away Right before exiting the immense park for the evening my rambunctious boy somehow lured me onto the thrill arena's big roller coaster for a ride That solitary coaster journey hooked us up for life to the joys of gallivanting upon these flying machines and for the next fifteen summers that's basically all we did We ultimately shared over 300 days together in amusement parks as we traveled 40 000 miles by car plane and sleeper car train to every thrill park in the country that housed anything close to resembling a roller coaster The divorce came soon enough and inflicted its normal dose of hardship and despair But it proved to be no match for the wonderful memories that accompanied all of our trips and the steadfast bond that grew between us merely in pursuit of our beloved joyrides Flying With Frankie is our story FLYINGWITHFRANKIE.COM Ashes to Ashes Jamie Campbell, 2012-12-29 What would you do if you found out that everything you have ever been told was a lie Jasmine Parker always believed that her parents died in a house fire that completely destroyed her childhood home and tore her family apart Now after thirteen years she is about to discover that there was far more to it after an anonymous note was delivered to her with four little words It wasn't an accident In the small town of Avalon where everyone knows everything about each other it's difficult to keep secrets Every citizen becomes a suspect when Jasmine seeks out answers about why her parents had to die in such tragic circumstances But one of them is going to make sure that she doesn't solve any of the mystery ever With everything to lose and only peace of mind to gain Jasmine must decide whether the answers are worth trading her life for Will she be their next victim Or will she be able to expose the murderer before it's too late **Samuel L. Schmucker** Jack Davis, Dorothy Ryan, 2001 **The Mummy's Curse** Jasmine Day, 2006-09-27 The most penetrating study of the curse ever conducted The Mummy's Curse uncovers forgotten nineteenth century fiction and poetry revolutionizes the study of mummy horror films and reveals the prejudices embedded in children's toys Examining original surveys and field observations of museum visitors demonstrate that media stereotypes to which museums inadvertently contribute promote vilification of mummies which can invalidate demands for their removal from display Jasmine Day shows that the curse's structure and meaning has changed over time as public attitudes toward archaeology and the Middle East were transformed by events such as the discovery of Tutankhamun's tomb

The riddle of the curse of the pharaohs is finally solved via a radical anthropological treatment of the legend as a cultural concept rather than a physical phenomenon A must for anyone interested in this ancient and mystifying legend **The Joy**
