

The Origin of the Word Gospel: Uncovering Its Meaning

Gospel And Its Meaning

LM Reder

Gospel And Its Meaning:

The Gospel and Its Meaning Harry Lee Poe, 1996 The Gospel speaks to a broad range of concerns concerns that differ from person to person group to group culture to culture Yet the practice of the twentieth century church has been to concentrate on one part of the Gospel repentance and justification as if it were the whole and to proclaim that part uniformly often without meaningful context that would demonstrate the relevance of Christ to the hearer The Gospel and Its Meaning breaks fresh ground for evangelism It equips the students of evangelism with theological foundations for reaching diverse groups from Hindi pantheists to radical environmentalists without compromising the Gospel s integrity The Gospel and Its Meaning Identifies the basic elements of the Gospel Shows the relationship of these elements to specific doctrines of theology Identifies theologians and systems that have focused on particular doctrines Shows which elements of the Gospel deal most clearly with various issues of evangelism Suggests avenues of ministry that can address each evangelistic issue By showing how different parts of the Gospel address the concerns of people within and without the Judeo Christian worldview The Gospel and Its Meaning helps those in any kind of evangelistic ministry to develop a means for connecting the Gospel directly to the world of the hearer while distinguishing it clearly from philosophies of relativism and pluralism **Biblical**

Interpretation in Early Christian Gospels Thomas R. Hatina, 2020-03-19 This volume is the fourth in a set of volumes which together explore current approaches to the study of scripture in the Gospels Thomas R Hatina s latest edited collection begins with an introduction surveying methodological approaches used in the study of how scriptural allusions quotations and references function in John with subsequent essays grouped into four categories that represent the breadth of current interpretive interests The contributors begin with historical critical approaches before moving to rhetorical and linguistic approaches literary approaches and finally social memory approaches Each study contains not only recent research on the function of scripture in John but also an explanation of the approach taken making the collection an ideal resource for both scholars and students who are interested in the complexities of interpretation in John s context as well as our own

Biblical Interpretation in Early Christian Gospels Thomas Hatina, 2008-10-18 The second title in a proposed five volume work volume two following on from the volume on Mark s Gospel concentrates on Matthew s Gospel Contributors consider the function of embedded scripture texts in the context of the Gospels written and read heard in their early Christian settings The project is wide ranging with essays on the function of scripture in the compositional history of the gospels and the collection is broad in scope as a result of current interest in the integration of methods especially historical and narrative ones Advancements over the last 20 years in the study of genre and narrative criticism have left a void in the study of the function of embedded biblical texts in the Gospels This collection of essays will move the study of scripture within scripture forwards *The Meaning and Uses of βασιλεία in the Gospel of Matthew* Tobias Ålöw, 2024-04-02 Contrary to the prevailing view that is a verbal noun signifying God s rule this study demonstrates how the term s pragmatic range in

Matthew's Gospel covers both five distinct types of use and their integration into a coherent concept. The study which is the first to examine all occurrences of in the First Gospel from the perspective of semantic monosemy extends and enhances our appreciation of the Matthean Zentralbegriff and engenders a more accurate apprehension of the nature and aims of the Matthean narrative and the theological views it conveys. The Irenaeus Testimony to the Fourth Gospel: Its Extent, Meaning and Value Frank Grant Lewis, 2008-12-03

Dictionary of Jesus and the Gospels Joel B. Green, Scot McKnight, I. Howard Marshall, 1992-02-18 Edited by Joel B Green Scot McKnight and I Howard Marshall this reference work encompasses everything relating to Jesus and the Gospels

The Gospel and the Catholic Church Michael Ramsey, 2009 Michael Ramsey's modern classic *The Gospel and the Catholic Church* is as relevant today as it was when it was first published some 70 years ago. In it Ramsey understands the church as a reflection the death and resurrection of Christ and then argues that the various expressions of Christianity today each express their own gifts in accordance with the Resurrection whether they are Catholic Protestant Evangelical Eastern or Anglican. A rewarding read for whomever undertakes it this book will broaden your view of the church and deepen your appreciation for the many forms of Christian expression.

The Gospel of the Christ Thomas Lewis Stegall, 2009-07 The Gospel of the Christ is a clear biblical reply to the question of what a person must believe about Jesus Christ to possess eternal life. While Christianity has historically maintained that faith in Jesus Christ is essential for everlasting life this raises the vital question what is the necessary content of this faith. Written against the backdrop of the controversy within Free Grace circles over the crossless gospel and the contents of saving faith Thomas Stegall goes well beyond a carefully documented analysis of his own movement. The Gospel of the Christ provides a systematic exegetically based treatment of biblical teaching on the subject of the gospel and the meaning of the title the Christ. The end result is a comprehensive biblical and theological study of Jesus Christ's person and work in the contents of saving faith.

The Gospel of John in Modern Interpretation Stanley E. Porter, Ron C. Fay, 2018-10-30 The Gospel of John in Modern Interpretation provides a unique look at the lives and work of eight interpreters who have significantly influenced Johannine studies over the last two centuries. The chapters contain short biographical sketches of the scholars that illuminate their personal and academic lives followed by summaries and evaluations of their major works and concluding with an analysis of the ongoing relevance of their work in contemporary Johannine scholarship. Key thinkers surveyed include C. H. Dodd Rudolph Bultmann Raymond Brown Leon Morris and R. Alan Culpepper. An introduction and conclusion by general editors Stanley Porter and Ron Fay trace the development of Johannine scholarship from F. C. Baur to the present and examine how these eight scholars' contributions to Johannine studies have shaped the field. Anyone interested in the recent history of the study of John will find this volume indispensable.

The Four Gospels, 1862 The Written Gospel Markus Bockmuehl, Donald A. Hagner, 2005-07-28 This book comprehensively surveys the origin, production and reception of the canonical gospels in the early church. The discussion unfolds in three steps. Part One traces the origin of the gospel of Jesus

its significance in Jewish and Hellenistic contexts of the first century and its development from eyewitness memory to oral tradition and written text Part Two then more specifically examines the composition design and intentions of each of the four canonical gospels Widening the focus Part Three first asks about gospel writing as viewed from the perspective of ancient Jews and pagans before turning to the question of reception history in the proliferation of apocryphal gospels in the formation of the canon and in the beginnings of a gospel commentary tradition [A Handbook on the Jewish Roots of the Gospels](#) Craig Evans,David Mishkin,2022 A survey of the historical theological and practical issues of reading the Gospels as Jewish literature Includes over thirty articles by well known experts on current topics relating to Jesus and the Gospels in light of new developments in archaeology ancient texts and Jewish society in late antiquity **The Meaning of "Make Disciples" in the Broader Context of the Gospel of Matthew** Lindsay D. Arthur,2022-05-09 Students of the Bible are generally comfortable with their understanding of the command make disciples Matt 28 19 Indeed most of them would argue that the Gospel writer Matthew spells out very clearly the meaning of the term in the Great Commission Matt 28 16 20 by utilizing three key words viz go ing baptizing and teaching This point of view is the result of centuries of scholarly opinion that has looked primarily if not solely to these three adjacent participles of make disciples Matt 28 19 and not to the entire Gospel of Matthew for the meaning of the command This book does not suggest that going baptizing and teaching are not to be considered in determining the essence of Christian disciple making Rather it contends that the three terms should not be our only source of meaning This problem is tackled herein by demonstrating that Matthew establishes a framework within the Great Commission itself that points to a fuller meaning of make disciples in the broader context of his Gospel and that the Gospel writer expects his reader to draw on his entire Gospel to grasp the full meaning of this important command **The Fourth Gospel in First-Century Media Culture** Anthony Le Donne,Tom Thatcher,2013-05-03 Werner Kelber s The Oral and the Written Gospel substantially challenged predominant paradigms for understanding early Jesus traditions and the formation of written Gospels Since that publication a more precise and complex picture of first century media culture has emerged Yet while issues of orality aural performance and mnemonics are now well voiced in Synoptic Studies Johannine scholars remain largely unaware of such issues and their implications The highly respected contributors to this book seek to fill this lacuna by exploring various applications of orality literacy memory and performance theories to the Johannine Literature in hopes of opening new avenues for future discussion Part 1 surveys the scope of the field by introducing the major themes of ancient media studies and noting their applicability to the Fourth Gospel and the Johannine Epistles Part 2 analyzes major themes in the Johannine Literature from a media perspective while Part 3 features case studies of specific texts Two responses by Gail O Day and Barry Schwartz complete the volume **The Sunday Magazine** ,1882 *The Theology of Saint Paul, Volume 2* Fernand Prat,2021-09-05 [Introduction to the Synoptic Gospels](#) Paton James Gloag,1895 **The Gospel in the Law** Charles Taylor,1869 **The Fourth Gospel in Four Dimensions** Dwight Moody Smith,2008

Compelling perspectives on the Gospel of John from a premiere scholar of the subject This multidimensional volume from the leading American scholar of Johannine studies brings together D Moody Smith s germinal works from the past two decades along with some original articles published here for the first time The resulting collection augments current understanding of the Gospel of John with fresh insights and research and points the way toward opportunities for new inquiry The collection is structured around four focal issues that define contemporary studies of John In the first section Smith places the book within its Jewish milieu attempting to account for the tension between the work s seeming anti Jewishness and its familiarity with Jewish life and thought Next Smith engages the relationship between John and the historical figure of Jesus especially the extent to which John s representation of Jesus reflects knowledge of independent traditions as well as the self consciousness of his own community The third section examines John s account against the Synoptic Gospels assessing the evidence of John s access to an independent record of the passion and the possibility that John adopted the gospel genre from Mark Finally Smith explores how the Gospels and especially that of John evolved into scripture and how they have come to be interpreted in conjunction with one another

A Commentary on the Greek Text of the Epistle of Paul to the Colossians John Eadie, 1856

Decoding **Gospel And Its Meaning**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force.
