## **Gospel And The End Of Time The Message Of First And Second Thessalonians:**

**A Case for Historic Premillennialism** Craig L. Blomberg, Sung Wook Chung, 2009-02-01 Many evangelical readers who have learned the basics of eschatology from popular authors and more recently from novelists assume that dispensational premillennialism with its distinctive teachings about the pretribulation rapture of the church is the only reliable view of the end times and the return of Christ This volume however offers a compelling case for an alternative perspective one that was widely prevalent throughout church history The contributors all respected scholars in their respective fields suggest that classic premillennialism offers believers a more coherent and viable approach to understanding eschatology Their studies which examine eschatology from biblical theological historical and missiological approaches provide a broadly accessible argument for returning to the perspectives of historic premillennial eschatology *The 1 and 2 Thessalonians Commentary Collection* Michael W. Holmes, Gary Shogren, John Byron, 2017-04-25 This 1 and 2 Thessalonians commentary bundle features volumes from the NIV Application Commentary Series Zondervan Exegetical Commentary Series and Story of God Bible Commentary Series authored by Michael W Holmes Gary S Shogren and John Byron The diverse features from each of the volumes gives you all the tools you need to master the books of 1 and 2 Thessalonians **The Gospel & the End of Time** John R. W. Stott, 1991 The apostle Paul wrote to the Thessalonian church that the gospel began in time has been proclaimed throughout time and will be fulfilled upon Christ's return at the end of time He went on to boldly address how the church spreads the gospel Now a noted evangelist and Christian statesman opens up Paul's letters to readers in a way that will enlighten and uplift *Sacra Pagina: First and Second Thessalonians* Earl J. Richard, 2021-03-04 The letters First and Second Thessalonians are traditionally associated with the Pauline foundation of the Macedonian Church at Thessalonica The first is seen as representing Paul's earliest epistolary efforts and as providing two successive moments in his long relationship as advisor to that community Soon after leaving the area for the southern province of Achaia Paul addresses the concerns of the new Gentile converts and at a later period responds more directly to queries received from the thriving and successful community The second document written in Paul's name and at a later date attempts to calm the apocalyptic fervor of the community by reiterating its traditional eschatological and Christological teaching After treating these introductory matters this study provides a new translation of each section of the canonical text explains in notes the pertinent textual and linguistic features of the text and then offers in a series of interpretive messages a literary rhetorical and thematic analysis of the biblical documents The constant concern of this commentary is to provide assistance to modern readers in discerning the relationship between the authors and their intended readers Short bibliographies suggest other important modern studies *Subject Guide to Children's Books in Print 1997* Bowker Editorial Staff, R R Bowker Publishing, 1996-09 *The Gospel of Matthew* Watson E. Mills, 1993 **1 & 2 Thessalonians** Jacob W. Elias, 1995-06-09 Jacob W Elias invites us to listen in while Paul and his missionary companions encourage and warn believers in ancient

Thessalonica Elias shows Paul dealing pastorally with everyday concerns of church life while reminding his converts about the big picture What God has done through the death and resurrection of Jesus Christ will yet be brought to glorious completion The church has an active role to play in God s redemptive mission in the world Today apocalyptic biblical texts are often ignored or misused But Elias tells how the gospel proclaimed to the Thessalonians undergirds the nurture of churches marked by faith love and hope

Beale, 2025-06-06 Fascination with the end times is not just a recent phenomenon. The young church at Thessalonica, having taken root during Paul's brief stay there, pondered when the end might come, as well Paul, in order to instruct them more fully, wrote them two letters which taken together expound the already and not yet character of the end times. His instruction and counsel can serve us well today. Throughout this commentary, G. K. Beale explains what each letter meant to its original hearers and its application for us today.
