The Gothick North Sacheverell Sitwell,1929      **The Oxford Critical and Cultural History of Modernist Magazines** Peter Brooker,Andrew Thacker,2009-03-26 The first of three volumes charting the history of the Modernist Magazine in Britain North America and Europe this collection offers the first comprehensive study of the wide and varied range of little magazines which were so instrumental in introducing the new writing and ideas that came to constitute literary and artistic modernism in the UK and Ireland In thirty seven chapters covering over eighty magazines expert contributors investigate the inner dynamics and economic and intellectual conditions that governed the life of these fugitive but vibrant publications We learn of the role of editors and sponsors the relation of the arts to contemporary philosophy and politics the effects of war and economic depression and of the survival in hard times of radical ideas and a belief in innovation The chapters are arranged according to historical themes with accompanying contextual introductions and include studies of the New Age Blast the Egoist and the Criterion New Writing New Verse and Scrutiny as well as of lesser known magazines such as the Evergreen Coterie the Bermondsey Book the Mask Welsh Review the Modern Scot and the Bell To return to the pages of these magazines returns us a world where the material constraints of costs and anxieties over censorship and declining readerships ran alongside the excitement of a new poem or manifesto This collection therefore confirms the value of magazine culture to the field of modernist studies it provides a rich and hitherto under examined resource which both brings to light the debate and dialogue out of which modernism evolved and helps us recover the vitality and potential of that earlier discussion      The Arts ,1929      Among Our Books Carnegie Library of Pittsburgh,1929      **The Gothick North** Sacheverell Sitwell,1929      **The National Union Catalog, Pre-1956 Imprints** Library of Congress,American Library Association. Committee on Resources of American Libraries. National Union Catalog Subcommittee,1978      *Julian of Norwich's Legacy* S. Salih,D. Baker,2009-11-09 Julian of Norwich the best known of the medieval mystics today The text of her Revelation has circulated continually since the fifteenth century but the twentieth century saw a massive expansion of her popularity Theological or literary historical studies of Julian may remark in passing on her popularity but none have attempted a detailed study of her reception This collection fills that gap it outlines the full reception history from the extant manuscripts to the present day looking at Julian in devotional cultures in modernist poetry and present day popular literature and in her iconography in Norwich both as a pilgrimage site and a tourist attraction      *More Books* Boston Public Library,1929      The Gothick North Sacheverell Sitwell,1929      *The Gothic Stained Glass of Reims Cathedral* Meredith Parsons Lillich,2011 Examines the stained glass windows in the Gothic cathedral of Reims within the context of the evolution of the French monarchy and medieval art Provided by publisher      *Gothic Legacies* Laura Cleaver,Ayla Lepine,2012-03-15 As this exciting contribution to interdisciplinary studies in the arts shows the art and architecture of the Middle Ages were reworked reframed and reinterpreted in diverse ways from as early as the sixteenth century In addition the definition of

Gothic art and architecture was used questioned and challenged in a range of literature from the Renaissance onwards The diverse essays in Gothic Legacies Four Centuries of Tradition and Innovation in Art and Architecture demonstrate that the Gothic spirit manifested itself in many visual forms including furniture set design cathedrals book illustration and urban architecture Edited by Laura Cleaver and Ayla Lepine Gothic Legacies showcases new research by scholars who are united by an interest what Gothic could mean in particular contexts and how it was used across different periods cultures and media The book s twelve essays are divided into thematic sections which identify recurring themes in discussions of the Gothic The authors explore debates around the understanding and use of spolia and ideas about heritage the relationships between Gothic art and literature and the invocation of concepts of the Gothic in opposition to other categorisations notably Classicism and Modernism In doing so they shed light on rich dialogues between the present and the past real or imagined Featuring interdisciplinary and international contributions from medieval and modern period scholars with fresh academic perspectives this volume constitutes a valuable resource for anyone with an interest in how and why the art of the Middle Ages was to play such an important role in forming and revising personal national and international identities in subsequent works of art and architecture *Travel Magazine* ,1929 *Handbook of Medieval Studies* Albrecht Classen,2010-11-29 This interdisciplinary handbook provides extensive information about research in medieval studies and its most important results over the last decades The handbook is a reference work which enables the readers to quickly and purposely gain insight into the important research discussions and to inform themselves about the current status of research in the field The handbook consists of four parts The first large section offers articles on all of the main disciplines and discussions of the field The second section presents articles on the key concepts of modern medieval studies and the debates therein The third section is a lexicon of the most important text genres of the Middle Ages The fourth section provides an international bio bibliographical lexicon of the most prominent medievalists in all disciplines A comprehensive bibliography rounds off the compendium The result is a reference work which exhaustively documents the current status of research in medieval studies and brings the disciplines and experts of the field together *The Architect and Building News* ,1929 **The Legacy of the Middle Ages** Charles George Crump,1927 *The British Library General Catalogue of Printed Books to 1975* British Library,1985 [American Gothic: Reflections on Gothic Architectural Scholarship in America, 1925-2025](#) ,2025-08-04 This book chronicles the contributions of American scholars to the study of European Gothic architecture It traces this history through a series of biographical case studies of major figures ranging from Arthur Kingsley Porter to Robert Branner and Jean Bony to Caroline Bruzelius calling attention to their influence as mentors and to the character of their professional networks These biographical chapters are supplemented by thematic essays and a roundtable discussion of current issues in the field Altogether the book explains how working from overseas presents both significant challenges and valuable perspectives allowing American scholars to enrich dialog in the field Contributors are Robert Bork Caroline Bruzelius
