

# GENTRY CULTURE IN LATE-MEDIEVAL ENGLAND

edited by Raluca Radulescu and Alison Truelove

# Gentry Culture In Late Medieval England

**Benjamin Thompson, John Watts**

## **Gentry Culture In Late Medieval England:**

**Gentry Culture in Late-Medieval England** Raluca Radulescu, Alison Truelove, 2005 Essays in this collection examine the lifestyles and attitudes of the gentry in late medieval England Through surveys of the gentry's military background administrative and political roles social behavior and education the reader is provided with an overview of how the group's culture evolved and how it was disseminated

*Gentry Culture in Late Medieval England* Raluca L. Radulescu, Alison Truelove, 2005 Essays in this fascinating and important collection examine the lifestyles and attitudes of the gentry in late medieval England They consider the emergence of the gentry as a group distinct from the nobility and explore the various available routes to gentility Through surveys of the gentry's military background administrative and political roles social behaviour and education the reader is provided with an overview of how the group's culture evolved and how it was disseminated Studies of the gentry's literacy creation and use of literature cultural networks religious activities and their experiences of music and the visual arts more directly address the practice and expression of this culture exploring the extent to which the gentry's activities were different from those of the wider population Joining the editors in contributing essays to this collection is an impressive array of eminent scholars all specialists in their respective fields Christine Carpenter Peter Fleming Maurice Keen Philippa Maddern Nicholas Orme Tim Shaw Thomas Tolley and Deborah Youngs As a whole the book offers a broad view of gentry culture that explores reassesses and sometimes even challenges the idea that members of the gentry cultivated their own distinctive cultural identity It will appeal to students looking for a comprehensive introduction to late medieval gentry culture as well as to researchers interested in gentry studies more generally

**Gentry culture in late-medieval England** Raluca Radulescu, Alison Truelove, 2020-01-03 Essays in this fascinating and important collection examine the lifestyles and attitudes of the gentry in late medieval England They consider the emergence of the gentry as a group distinct from the nobility and explore the various available routes to gentility Through surveys of the gentry's military background administrative and political roles social behaviour and education the reader is provided with an overview of how the group's culture evolved and how it was disseminated Studies of the gentry's literacy creation and use of literature cultural networks religious activities and their experiences of music and the visual arts more directly address the practice and expression of this culture exploring the extent to which the gentry's activities were different from those of the wider population Joining the editors in contributing essays to this collection is an impressive array of eminent scholars all specialists in their respective fields Christine Carpenter Peter Fleming Maurice Keen Philippa Maddern Nicholas Orme Tim Shaw Thomas Tolley and Deborah Youngs As a whole the book offers a broad view of gentry culture that explores reassesses and sometimes even challenges the idea that members of the gentry cultivated their own distinctive cultural identity It will appeal to students looking for a comprehensive introduction to late medieval gentry culture as well as to researchers interested in gentry studies more generally

**Political culture in later medieval England** Michael J.

Braddick,2020-01-03 This is an important collection of pioneering essays penned by the late Simon Walker a highly respected historian of late medieval England One of the finest scholars of his generation Walker s writing is lucid inspirational and has permanently enriched our understanding of the period The eleven essays featured here examine themes such as kingship lordship warfare and sanctity There are specific studies on subjects such as the changing fortunes of the family of Sir Richard Abberbury Yorkshire s Justices of the Peace the service of medieval man at arms Janico Dartasso Richard II s views on kingship political saints and an investigation of rumour sedition and popular protest in the reign of Henry IV An introduction by G L Harriss looks back across Walker s career and discusses the historiographical context of his work Both the new and previously published pieces here will be essential reading for those working on the late medieval period Romance and the Gentry in Late Medieval England

Michael Johnston,2014-05 showing that contrary to the commonly held view that romances are representative of the popular culture of their day in fact such texts appealed primarily to the gentry England s elite landowners who lacked titles of nobility **Kingship and Masculinity in Late Medieval England**

Katherine Lewis,2013-09-05 Kingship and Masculinity in Late Medieval England explores the dynamic between kingship and masculinity in fifteenth century England with a particular focus on Henry V and Henry VI The role of gender in the rhetoric and practice of medieval kingship is still largely unexplored by medieval historians Discourses of masculinity informed much of the contemporary comment on fifteenth century kings for a variety of purposes to praise and eulogise but also to explain shortcomings and provide justification for deposition Katherine J Lewis examines discourses of masculinity in relation to contemporary understandings of the nature and acquisition of manhood in the period and considers the extent to which judgements of a king s performance were informed by his ability to embody the right balance of manly qualities This book s primary concern is with how these two kings were presented represented and perceived by those around them but it also asks how far Henry V and Henry VI can be said to have understood the importance of personifying a particular brand of masculinity in their performance of kingship and of meeting the expectations of their subjects in this respect It explores the extent to which their established reputations as inherently manly and unmanly kings were the product of their handling of political circumstances but owed something to factors beyond their immediate control as well Consideration is also given to Margaret of Anjou s manipulation of ideologies of kingship and manhood in response to her husband s incapacity and the ramifications of this for perceptions of the relational gender identities which she and Henry VI embodied together Kingship and Masculinity in Late Medieval England is an essential resource for students of gender and medieval history

**Household knowledges in late-medieval England and France** Glenn D. Burger,Rory G. Critten,2019-10-17 This collection investigates how the late medieval household acted as a sorter user and disseminator of different kinds of ready information from the traditional and authoritative to the innovative and newly made Building on work on the noble and bourgeois medieval household it considers bourgeois gentry and collegiate households on both sides of the English Channel

The book argues that there is a dynamic and reciprocal relationship between domestic experience and its forms of cultural expression Contributors address a range of cultural productions including conduct texts romances and comic writing estates management literature medical writing household music and drama and manuscript anthologies Their studies provide a fresh illustration of the late medieval household s imaginative scope its extensive internal and external connections and its fundamental centrality to late medieval cultural production

**The Livery Collar in Late Medieval England and Wales** Matthew Ward,2016 5 Livery Collars in Wales and the Edgecote Connection Political Society in Later Medieval England Benjamin Thompson,John Watts,2015 Essays on the connections between politics and society in the middle ages showing their interdependence *Lords and Lordship in the British Isles in the Late Middle Ages* Rees Davies,2009-06-11 It is well known that political economic and social power in the British Isles in the Middle Ages lay in the hands of a small group of domini lords In his final book the late Sir Rees Davies explores the personalities of these magnates the nature of their lordship and the ways in which it was expressed in a diverse and divided region in the period 1272 1422 Although their right to rule was rarely questioned the lords flaunted their identity and superiority through the promotion of heraldic lore the use of elevated forms of address and by the extravagant display of their wealth and power Their domestic routine furnishings dress diet artistic preferences and pastimes all spoke of a lifestyle of privilege and authority Warfare was a constant element in their lives affording access to riches and reputation but also carrying the danger of capture ruin and even death while their enthusiasm for crusades and tournaments testified to their energy and bellicose inclinations Above all underpinning the lords control of land was their control of men a complex system of dependence and reward that Davies restores to central significance by studying the British Isles as a whole The exercise and experience of lordship was far more varied than the English model alone would suggest Loyalty to the Monarchy in Late Medieval and Early Modern Britain, c.1400-1688 Matthew Ward,Matthew Hefferan,2020-06-30 This book explores the place of loyalty in the relationship between the monarchy and their subjects in late medieval and early modern Britain It focuses on a period in which political and religious upheaval tested the bonds of loyalty between ruler and ruled The era also witnessed changes in how loyalty was developed and expressed The first section focuses on royal propaganda and expressions of loyalty from the gentry and nobility under the Yorkist and early Tudor monarchs as well as the fifteenth century Scottish monarchy The chapters illustrate late medieval conceptions of loyalty exploring how they manifested themselves and how they persisted and developed into early modernity Loyalty to the later Tudors and early Stuarts is scrutinised in the second section gauging the growing level of dissent in the build up to the British Civil Wars of the seventeenth century The final section dissects the role that the concept of loyalty played during and after the Civil Wars looking at how divergent groups navigated this turbulent period and examining the ways in which loyalty could be used as a means of surviving the upheaval

**English Identity and Political Culture in the Fourteenth Century** Andrea Ruddick,2013-11-21 A study of the nature of national sentiment in fourteenth century

England in its political and constitutional context

### **Christian Culture and Society in Later Catholic England**

,2024-08-05 This book in memory of F Donald Logan explores different aspects of Christian culture and society in England from the twelfth to the sixteenth century Although this period has traditionally been interpreted in terms of decline and decay this excessively gloomy picture has slowly given way over the last eighty years or so to a more positive view of Christian civilization during these centuries The twenty two studies brought together here seek to build on this ongoing reassessment of Later Catholic England especially in those areas in which Professor Logan himself had done so much to deepen our understanding of Christian English society Contributors are Travis Baker Caroline Barron Nicholas Bennett Barbara Bombi Paul Brand Janet Burton James G Clark Karen Corsano Virginia Davis Charles Donahue Jr Anne J Duggan Joan Greatrex Diana Greenway Michael Haren R H Helmholz Philippa Hoskin Henry Ansgar Kelly Frederik Pedersen Seymour Phillips Michael J P Robson Jens R hrkasten Jane Sayers R N Swanson Daniel Williman and Patrick Zutshi **Christianity**

**and Romance in Medieval England** Rosalind Field,Phillipa Hardman,Michelle Sweeney,2010 The essays collected here show how the romances of medieval England engaged with contemporary Christian culture and demonstrate the importance of reading them with an awareness of that culture **Fatherhood and Its Representations in Middle English Texts**

Rachel E. Moss,2013 The figure and role of the late medieval father is reappraised through a close reading of a range of documents from the period including both letters and romances Late medieval English society placed great weight on the practices of primogeniture patrilineal descent and patriarchal government and the significance of the father had cultural resonance beyond the rule of law Yet despite aburgeoning interest in both the family and gender the father has to date received little attention from medievalists This book takes an interdisciplinary approach to the analysis of the fictions of fatherhood the ideological constructs that underpinned late medieval conceptions of fathers and patriarchy Its focus on gentry and mercantile readers and writers also offers new insights into the literary culture of late medieval England by considering how texts were produced and received within gentry and bourgeois communities and demonstrates the ability of texts to not only reflect but also shape hegemonic norms and cultural anxieties Through close examination of late medieval letters and romances it shows how the father was the dominant figure not only of medieval domestic life but also of the medieval imagination Dr RACHEL E MOSS is a Lecturer in History at the University of Northampton

**Experiences of**

**Poverty in Late Medieval and Early Modern England and France** Anne M. Scott,2016-04-15 Exploring a range of poverty experiences socioeconomic moral and spiritual this collection presents new research by a distinguished group of scholars working in the medieval and early modern periods Collectively they explore both the assumptions and strategies of those in authority dealing with poverty and the ways in which the poor themselves tried to contribute to exploit avoid or challenge the systems for dealing with their situation The studies demonstrate that poverty was by no means a simple phenomenon It varied according to gender age and geographical location and the way it was depicted in speech writing and

visual images could as much affect how the poor experienced their poverty as how others saw and judged them Using new sources and adopting new approaches to known sources the authors share insights into the management and the self management of the poor and search out aspects of the experience of poverty worthy of note from which can be traced lasting influences on the continuing understanding and experience of poverty in pre modern Europe **Historians on Robin Hood**

Stephen H. Rigby,2024-11-19 Offers a comprehensive thematic introduction to a wide range of medieval writings about the outlaw hero from a series of different historical perspectives By the fifteenth century churchmen were complaining that laypeople preferred to hear stories about Robin Hood rather than to listen to the word of God But what was the attraction of this outlaw for contemporary audiences The essays collected here seek to examine the outlaw s legend in relation to late medieval society politics and piety They set out the different types of evidence which give us access to representations of Robin and his men in the pre Reformation period ask whether stories about the outlaw had any basis in reality and explore the many different purposes for which his legend was adapted The volume is divided into six parts the sources for the medieval legend of Robin Hood and its origins social structure social conflict kingship law and warfare piety and the church and the outlaw s legend in Wales and Scotland Key issues addressed by its essays include the dating of the surviving tales attitudes to social hierarchy representations of gender and masculinity the extent to which the tales drew upon or shaped contemporary attitudes towards law and justice the development of Robin Hood plays and games and whether the legend emerged from or appealed to particular social groups It not only sheds new light on a character who whether real or not is one of the most important and memorable figures in the history of medieval England but also explores the extent to which the outlaw became popular in Scotland and Wales **Contested Language in Malory's Morte Darthur R.**

Lexton,2014-06-18 Examining Malory s political language this study offers a revisionary view of Arthur s kingship in the Morte Darthur and the role of the Round Table fellowship Considering a range of historical and political sources Lexton suggests that Malory used a specific lexicon to engage with contemporary problems of kingship and rule **Insular Books** Margaret Connolly,Raluca Radulescu,2015-06-11 Insular Books discusses literary texts written in Anglo French Middle English Older Scots and Middle Welsh The particular focus of the collection is one type of manuscript the miscellany essentially a multi text manuscript whose contents are of a varied nature often accumulated over time and added by different users **Church Building and Society in the Later Middle Ages** Gabriel Byng,2017-12-14 The construction of a church

was undoubtedly one of the most demanding events to take place in the life of a medieval parish It required a huge outlay of time money and labour and often a new organisational structure to oversee design and management Who took control and who provided the financing was deeply shaped by local patterns in wealth authority and institutional development from small villages with little formal government to settlements with highly unequal populations This all took place during a period of great economic and social change as communities managed the impact of the Black Death the end of serfdom and the slump

of the mid fifteenth century This original and authoritative study provides an account of how economic change local politics and architecture combined in late medieval England It will be of interest to researchers of medieval socio economic and art history

## **Gentry Culture In Late Medieval England** Book Review: Unveiling the Magic of Language

## **Gentry Culture In Late Medieval England Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Gentry Culture In Late Medieval England free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Gentry Culture In Late Medieval England free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Gentry Culture In Late

Medieval England free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Gentry Culture In Late Medieval England. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Gentry Culture In Late Medieval England any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Gentry Culture In Late Medieval England Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Gentry Culture In Late Medieval England is one of the best book in our library for free trial. We provide copy of Gentry Culture In Late Medieval England in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Gentry Culture In Late Medieval England. Where to download Gentry Culture In Late Medieval England online for free? Are you looking for Gentry Culture In Late Medieval England PDF? This is definitely going to save you time and cash in something you should think about.
