committed the unpardonable sin Like most Mormons he probably wants to believe that I was never one of the people who could have been so enlightened as to be eligible for Outer Darkness But he does not know that to be the case A better reason for Lambson s excusing me of ever having fidelity is that it calms his own nerves He wants the confirmation bias that claims that the only reason that anyone would experience doubts about the Church was because they never attained his knowledge of it or experience with it That gives him license not to honestly stop and consider the possibility that he is wrong Well I answered you don t know me and you don t know my story Does anyone I wondered Does anyone even care I not only served a mission for this Church I had suffered for the cause I had put my name and my family s name to protect an organization that told me that it was normal to doubt its authenticity but that faith must drive me to disregard that doubt It is difficult to describe the pain of my sacrifice being so summarily dismissed by an ecclesiastical leader     **Don't Shoot the Messenger** MYRA CARTER. WARNER THD,2025-02-21 Don t Shoot the Messenger is the beginning of straightening out misunderstandings among people who call themselves Christians For a quick example Jesus the Christ did not die for our sins people He died for us Read on to find out what that means     **A Friendly Warning to the Latter-day Saints, Or Mormons, Etc** Mormons,1860     **One-Minute Answers to Anti-Mormon Questions** Stephen W. Gibson,2005-02 Criticisms of the LDS Church are frequently based on intentional misinterpretations of Mormon doctrine This book provides useful clarifications and rebuttals of many of those misrepresented doctrinal and historical areas It gives simple but authoritative answers to more than sixty often asked questions posed by anti Mormon detractors The answers are direct and nonconfrontational providing readers with a friendly teaching way of responding to those who question them     **Offenders for a Word** Daniel C. Peterson,Stephen David Ricks,1998 This book reveals the tactics many anti Mormons employ in attacking the Church of Jesus Christ of Latter day Saints In clear straightforward terms the authors explain the true beliefs of the church and how to see through the word games that critics use to attack it Offenders for a Word answers critics objections to Latter day Saint beliefs regarding the Godhead polygamy salvation by grace and works eternal progression the premortal existence the role of the Prophet Joseph Smith the nature of the Holy Ghost and much more
