Geographic Aspects of Population Dynamics in Jamaica L. Alan Eyre, 1970      Geographic Aspects of Population Dynamics in Jamaica Lawrence Alan Eyre, 1972      Caribbean Geography Thomas A. Rumney, 2012-05-18 The islands and seascapes gracing the Caribbean Sea have long been areas of interest and research for geographers and other scholars from around the world The lands and waters of the Caribbean region have stimulated an extensive body of research and writing across the many fields of geography This book collects organizes and presents as many of these scholarly publications as possible to aid in the teaching study and further scholarship of the geography of this area Chapters are organized into the following categories general works cultural and social geography economic geography historical geography physical geography political geography and urban geography The types of publications noted include atlases books book chapters articles master s theses and doctoral dissertations Entries in each chapter are arranged alphabetically by author s last name Where there is more than one publication per author the earliest is listed first and the rest are listed chronologically after the first entry This volume is a convenient and useful collection of existing references on the geography of the Caribbean region that can assist teachers and students in both the study and research of the area      The Geography of Urban-Rural Interaction in Developing Countries Robert Potter, Tim Unwin, 2017-10-30 Originally published in 1989 The Geography of Urban Rural Interaction in Developing Countries addresses the nature and importance of the interaction between urban and rural areas within Third World national territories providing much needed comparative cross cultural and cross national material The book discusses the various theories of urban rural interaction and summarises the topic in the form of the movement of people goods money capital new technology energy information and ideas Case studies are drawn from different areas of the Third World including Africa Asia the Middle East and the Caribbean and illustrate in detail the nature of urban rural interaction      **Urban Life in Kingston Jamaica** Diane Austin-Broos, 2017-10-12 This book first published in 1984 recounts the daily life the politics religion and leisure pursuits of Jamaicans in working and middle class Kingston The study is based upon the author s observations of life in Selton Town and Vermont two neighborhoods of Kingston between 1971 and 1982 The author analyses the local social conflicts and ideologies thereby demonstrating how larger issues of class domination and cultural hegemony pervade neighbourhood life The study provides a detailed contextual account of the significance of belonging to different classes It provides a different perspective of Caribbean anthropology combining the techniques of ethnography and political economy      Urbanization and Urban Growth in the Caribbean Malcolm Cross, 1979-06-14 This book originally published in 1979 as part of the Urbanization in Developing Countries series examines the nature and impact of unplanned urban growth in the Caribbean Unlike other parts of the underdeveloped world Caribbean societies are unique in having been created by European economic and strategic needs The original instrument for this domination was the plantation that generated the infamous history of migration from Africa and Asia and which

continues to exert an important influence in determining the structure and growth of major urban centres The book also surveys some distinctive features of Caribbean societies including family life religions and social divisions apparently based on race and colour and concludes by affirming the need to redirect development strategies from Western models towards the creation of a uniquely Caribbean identity based on the redevelopment of land and the revival of agriculture Examples are drawn from Cuba Haiti Puerto Rico and the Commonwealth Caribbean
