## **Genesis Volume 1 Ot Daily Study Bible Series:**

**Genesis** John C. L. Gibson, 1981-01-01 For decades millions of Christians have discovered William Barclay's Daily Study Bible to be the ideal New Testament commentary series for both devotional reading and serious Bible study. Now carrying forward brilliantly the pattern established by Barclay, The Daily Study Bible has been extended into a coverage of the entire Old Testament. Invaluable for individual devotional study, for group discussion and for classroom use, The Daily Study Bible now provides a useful, reliable and eminently readable way to discover what the Old Testament writers were saying then and what God is saying today. *Hidden Bible Taboos Forbidden By Organized Christianity* James Slobodzien, 2014-05-01 Have you ever wondered about the Mysteries of God's wisdom or the secret to knowledge Jesus condemned the religious leaders of his day for taking away the Key to Knowledge? Luke 11:52. This remarkable article anthology may have accidentally uncovered some of these ancient mysteries that are now considered TABOO to help you to read and really understand the Bible. Less Could the 7 Pillars or dimensions of Wisdom Pro 9:1 possibly be related to the Key to Knowledge? *Hidden Bible Taboos* began as one short essay that just for fun proposed a 7 Dimension Theory of Everything but several readers encouraged me to continue researching it and I soon discovered that it is the nature of the Universe for things to exist in 7s. For example, there are 7 types of Matter and 7 forms of Energy in the universe. When we consider Time, the 7 Day calendar week continues to be universal and immemorial in its observance among all nations and in all times. Space, our earthly physical space, is divided up into 7 Continents, 7 Oceans and 7 Seas. After studying the multiple patterns of 7s in the universe's numerical DNA, I turned my focus to ancient cultures and was shocked to find that in the ancient wisdom writings including Christianity, the number 7 stands for spiritual perfection and divine completeness. For example, the Bible's book of Isaiah mentions the 7 Spirits of God, the Father, Isaiah 11:2. The Apostle John mentions the 7 Stars of God, the Son, Rev 1:20, and the Apostle Paul mentions the 7 Gifts of God, the Holy Spirit, Rom 12:6-8. In addition, Zechariah mentions the 7 Eyes of the Lord which range throughout the earth, Zech 4:10. This incredible phenomenon of multiples of 7 cannot be explained by chance or human design. It is in these 7 Pillars of God's Wisdom that I have experienced a paradigm shift that has opened my eyes to see this divine tapestry to gain a better understanding of the Bible. The 7 Dimension articles were written as independent brief essays over a period of 7 years. After receiving comments from many readers over the years, sometimes secretly, a theme became apparent that seemed to be pointing to the fact that these divine truths of the 7 dimensional 7D biblical patterns of 7 were not being taught by the professional religious leaders of Catholic and Protestant Churches because they were forbidden by custom or tradition. They are TABOO. This compilation of independent articles indirectly provides a historical overview of the ancient world that leads up to the time of Jesus and the Early Church and reveals some Taboos related to sex, drugs, violence, and racism. The majority of the Taboos in this book, however, are not related to ancient mysterious pagan practices. The most significant Taboos in this book are coming from professional church leaders of organized religions of Christianity today who forbid their church

members from knowing and practicing what is written in the New Testament and commanded by Jesus and his Apostles

Hidden Bible Taboos is a collection of these 7D articles that have accidentally uncovered and systematically integrated ancient religious mythologies archeological mysteries scientific and historical facts and End Time prophecies to reveal the Christian Sun god conspiracy It is not a formal theological treatise on spirituality and or religion as it is a work in progress that is very very far from perfect With the above disclaimer to having and or knowing the absolute truth I would like to present what I believe to be the 7 dimension 7D origins of ancient religious knowledge and ageless wisdom that have been passed down to us by our ancestors So put on your 7D glasses

Dedication This book is dedicated to Peter Waldo Founder of the Waldensians and the 50 million other Christians who were persecuted and slaughtered by the Organized Religion of Christianity Papacy in the middle ages and later Spiritual Religious Reading Material Warning The contents of this article anthology may shock and inspire you into developing your spiritual life Don t let yourself or your friends go without reading this life changing book

Genesis ,2006-07-14 In this second of two volumes on the book of Genesis John Gibson examines epics of faith as portrayed primarily by Abraham Jacob and Joseph He considers the dramatic stories of Genesis in their historical context relates them to the New Testament and shows their applicability to today s church Illustrated by maps with suggestions for further reading this companion to Genesis Volume 1 also by Gibson makes the happenings in Genesis as relevant to today s men and women as they were to the people of ancient times Carrying forward brilliantly the pattern established by Barclay s New Testament series the Daily Study Bible has been extended to cover the entire Old Testament as well Invaluable for individual devotional study for group discussion and for classroom use the Daily Study Bible provides a useful reliable and eminently readable way to discover what the Scriptures were saying then and what God is saying today

Genesis Stephen K. Ray,2023-08-10 Everything in the Bible and in the Catholic Church starts with the Book of Genesis The Greek word genesis means beginning and this inspired text reveals to us not only our origins but our purpose our meaning and God s plan for mankind Yet Genesis can be daunting especially given the scientific discoveries of the last few centuries Stephen K Ray author of Crossing the Tiber breaks down this sacred and profoundly influential book wrestling with the complex intersection of history and theology Thoroughly Catholic in his approach Ray is unafraid to draw from sources of all kinds from Jewish and Protestant commentaries from archaeology from geography and even from modern literature Genesis A Bible Study Guide and Commentary uncovers the excitement and drama of this
