Genesis On Planet Earth:

Genesis on Planet Earth William Day, 1984 **Our Planet Earth** Debbie &. Richard Lawrence, 2016-02-01 Updated Full color In this book you will learn how God designed earth as a special place for us to live Learn about rocks volcanoes earthquakes and glaciers See how the Great Flood changed the surface of the earth and why fossils support what the Bible says This book will help you reveal God s design for our planet to your child 35 lessons Full color **The Planets** David McNab, James Younger, 1999-01-01 A companion to the television series covers such topics as the discovery of Pluto the Orion nebula and the Viking space missions **The Study** Joseph Mills, 2016-04-21 This book under construction over the past fifty years uses history and fiction to connect the dots of known and unknown periods in the development of the human race It presumes that God lives on a heavenly planet Xeros somewhere in our vast universe that all humans begin at Level 3 and have the opportunity to move up to Level 2 Angels and then to Level 1 Archangels that He is colonizing planets throughout this universe and that a battle between God and Satan good v evil permeates His every decision The book focus is on planet earth the use of a natural disaster to exterminate the dinosaurs the story of Adam and Eve and the process of populating planet earth the story of Noah and the great flood and the story of Jesus Christ the Son of God who was sent to save mankind The book then explains the development of Christianity the hidden story of the Nephilim the Rapture and Revelation Armageddon the thousand year reign and the new Heaven and the new Earth In summary The Study offers a message to the reader that each Level 3 person makes choices every day that each human being is so helpless without God s protection that the end of life on planet earth is very close and that one must believe in Jesus Christ to achieve life everlasting **The Planet Earth Before Adam** Solomon Olufemi Samuel, 2020-05-30 THE PLANET EARTH BEFORE ADAM is a book born out of my childhood curiosity to find out the origin of sin and other forms of evil Reading through the pages of my Bible from Genesis only to see the Devil entered the garden to deceive man Where did he come from Did God created him like that If God knew that man would fall why did He made him in the first place These and many more are questions that I couldn t get answers to in the early part of Genesis I later discovered the following that there was actually a Bible proven Earth before Adam that Lucifer was not the archangel in charge of music as we have been made to believed that he was the king and priest over the planet Earth that this is why Adam was also a king and priest Melchizedek the Theophany that appeared to Abraham was called the king and priest after who Jesus Christ the mediator of the New Testament was made the King and Priest forever after the order of Melchizedek This is the reason the new creature in Christ Jesus is made a king priest because it takes these two offices and anointings to bring this planet under the governing influence of God just as He intended from the beginning This book will definitely give your christian life a serious push **Creation Made Free** Thomas Jay Oord, 2010-01-01 Open Theology offers an advantageous framework for engaging the sciences With its emphasis upon creaturely freedom relationality realist epistemology and love Open Theology makes a fruitful dialogue partner with leading

fields and theories in contemporary science In Creation Made Free leading proponents of open theism explore natural and social scientific dimensions of reality as these dimensions both inform and are informed by Open Theology Important themes addressed include evolution creation ex nihilo emergence theory biblical cosmology cognitive linguistics quantum theory and forgiveness

Creation and Double Chaos Sjoerd Lieuwe Bonting,2004-12-01 Scientist and theologian Sjoerd Bonting offers a new overarching framework for thinking about issues in religion and science He looks at the creation controversy itself including biblical perspectives traditional doctrines and the particular potential contribution of chaos theory Finally Bonting extends this perspective a combination of chaos theory and chaos theology he calls double chaos into a framework that addresses traditional questions about evil divine agency soteriology the understanding of disease possible extraterrestrial life and the future

Our Ancient Ancestors' Lost History Reconstructed William Lucas,2018-12-17 Most of the researchers archaeologists anthropologists and many more who have appeared on the History Channel s Ancient Aliens have admitted their belief that extraterrestrials created humanity And those creators were none other than the Anunnaki those who came from heaven of the Sumerians Why has no one realized the Anunnaki needed someone to create bodies for them It is obvious they couldn t use the bodies they used on higher worlds on our earth People don t realize the Sumerians were just as much in the dark as people of today are The Anunnaki came to our planet over two hundred thousand years before the Sumerians time and those Anunnaki are the same beings that the Western world s Bible calls sons of God in Genesis 6 4 where it s stated that the sons of God gave children to the daughters of men The Urantia Book claims that surgeons from a higher universe came to our planet and took genes from the most advanced humans and with bioengineering created bodies for those sons of God in Genesis 6 4 This is where all the confusion originates Instead of the Anunnaki creating the humans humans bodies were created for the Anunnaki They came to help civilize humanity There were one hundred of these sons of God that came fifty men and fifty women The Bible often calls both men and women sons of God there s no distinction Hebrew 12 6 7 This happened during the time of Lucifer s rebellion Sixty of the sons of God rebelled along with Lucifer they are the ones that had children by humans with bodies made of human genes In the book of Enoch they are referred to as Watchers and fallen angels emphasizing that they were from higher worlds or heaven

What Happened on the Cross Nick Peros,2020-08-07 What Happened on the Cross offers a new and biblical understanding of how salvation was accomplished upon the cross showing that the Penal Substitution view common since the 1500s does not have a biblical basis and also showing that the Christus Victor understanding is inadequate The book is founded upon the understanding that Jesus Christ is the Second Adam and that is the foundation of how we are to understand how salvation was accomplished Both the shedding of blood and death were essential in the accomplishment of salvation and What Happened on the Cross shows why these were essential Using over 740 Scripture verses to make its argument the book gives a comprehensive picture from Genesis to Revelation of the many aspects involved in the accomplishment of salvation above

all showing clearly that the cross had nothing to do with punishment for sins our sins were never punished upon the cross rather our sins were forgiven Understanding how salvation was accomplished upon the cross and that it was about forgiveness not punishment both exalts God and his greatness demonstrates his perfect love and justice as well as liberates our hearts towards him

Bringing the Catholic Church Into the Twenty-First Century Frank Baker, Professor and Director of Health Psychology Program Division of Occupational Health Frank Baker, 2013-03 With 95 percent of Catholic school students abandoning the regular practice of their faith before completing their educations there is an urgent need for reform in regard to how the Faith is taught While the Church maintains there is a God the materialistic world says that both God and religion are false In time science may indeed prove both to be false if steps are not taken to provide evidence that God exists Author Frank Baker believes that Faith teachings should be made to conform to the same standards as academic teachings meaning that what s being taught should be backed up with actual evidence Bringing the Catholic Church Into the Twenty First Century seeks to present irrefutable evidence that among other things there is a God and the soul does indeed survive after death The book also explores the creation story as told by Genesis and contrasts it with the teachings of modern science If those responsible for teaching the Faith were to read this book and put its principals into practice the Catholic Church would stand a better chance of adapting to the rigors of an increasingly scrutinous world and finding a means to thrive in the twenty first century Born and raised in Melbourne Australia author Frank Baker now lives in Bundaberg in Queensland After 34 years working for the Gas Fuel Corporation Frank is now retired and spends his time writing playing croquet ballroom dancing and playing cards He is also currently the treasurer of the Moore Park Beach Arts Festival This is his first book Publisher s website <http://sbpra.com/FrankBaker>

Jesus Christ Is Lord and Is Worshipped in Infinite Multiple Universes Throughout Infinity Stanley Lotegeluaki, 2011-01-05 When Jesus comes back at the Second Coming He will provide us with Antigravity vehicles teleportation Super intelligent Robots Memory Absorption machines that will allow us to put memory from computers directly into our brain no more school He will provide us with Spaceships some 7000 miles long or just one mile long Jesus will provide the medical cure for aging or wrinkles women take note Also He will give us Transmutation capability to change dirt or any substance to any other substance We can take dirt and rearrange it into food tomatoes bananas meat or a one ton car Anything you want Just ask Him Jesus will give the nations universes to live in United African Continent has already petitioned Him for 10 billion galaxies in this universe and a trillion universes in the Mega Mega universe What will China Russia Vietnam Iran Japan etc petition Jesus when He comes back The Parallel futures of the White race the Black race and the Asian race They will all be given universes to live in by The God of Israel Jesus was Melchizedec Heb 7 So He must have been King of Salem in Genesis Jesus was also King over the Canaanites Satan has never been to hell and when he does go there at the Second coming it is to be beaten and thrown out of hell by the inhabitants thereof Is 14 The Bible says it took God Generations Gen 2 4 not just Seven days to create the earth That means Evolutionists

are right about the time span and method Theologians misunderstood God designed and guided Evolutionary process is correct Generations is to be noted Where is Jesus Whatever happened to the end time war between Christians and the U S S R Did you know during Moses plagues the God of Israel turned Satans nation to look like frogs bugs and lice etc What did you think real demons looked like Read this book for more **Cosmic Commons** John Hart,2013-11-14 Cosmic Commons explores terrestrial extraterrestrial intelligent life Contact It uses a thought experiment to consider the ecological economic ethical ecclesial impacts of Contact analyzing incidents around the world described by credible witnesses two of whom are interviewed for the book including Roswell and the Hudson River Valley It discusses government and academic efforts to use ridicule and coercion to suppress Contact investigations supports a scientific method to research ETI reports in a field that should excite scientists and calls on academics to publicly disclose their Contact experiences It traces Earth ecological and economic injustices to the European Enlightenment and the Discovery Doctrine by which European nations rationalized invasion of distant continents genocide and seizure of the territories and natural goods of native peoples It advocates a change in humans Earth conduct to avoid replicating in space the policies and practices that wrought economic injustice and ecological devastation on Earth provides an innovative cosmological praxis ethics theory and practice toward that end and develops a Cosmic Charter based on UN documents to guide humankind in space and in ETI encounters Permeated by a profound sense of the sacred Cosmic Commons explores a positive relationship between religion and science as humankind ventures into space **The Sabbath Truth in the Bible and Its Central Role in the Atonement** , Black Zion Yvonne Patricia Chireau,Nathaniel Deutsch,2000 This is an exploration of the interaction between African American religions and Jewish traditions beliefs and spaces The collection s argument is that religion is the missing piece of the cultural jigsaw and black Jewish relations need the religious roots of their problem illuminated *Ancient Alien Theory Decoded* Robert Sickler,2015-10-22 For those who undertake a serious investigation of unidentified flying objects UFO there can be no questioning their reality Still our government would have people believe UFOs are natural earthly phenomenon Ancient alien theorist however claim unidentified flying objects are highly advanced alien mechanical devices Furthermore the theorist would have us believe aliens are associated with the genesis of mankind and during our formative years they guided us with both technology and the teaching of civil moral standards On the one hand we have our government saying it is nothing and on the other hand we have ancient alien theorists saying ancient aliens were the gods we used to worship We cannot help but wonder why the government denies alien existence and at the same time ancient alien theorists preach a coming alien salvation It is only when the ancient alien theory is decoded that elements of truth are revealed THE TRUTH OF THE ORIGIN OF THE UNIVERSE Sabrie Soloman,2024-06-12 God s Signature in DNA The Rapture The Great Tribulation Armageddon War World War III The concept of God s signature in DNA is a fascinating topic that explores the intricate design and complexity of the human genome Many creationists and religious believers see the complexity and precision of

DNA as evidence of an intelligent designer or creator pointing to the existence of a higher power The idea that DNA contains a signature of God s handiwork is a theme often discussed in religious and philosophical circles highlighting the wonder and mystery of life itself Moving on to the topics of the Rapture the Great Tribulation and the Armageddon War these concepts are deeply embedded in Christian eschatology or the study of end times The Rapture is believed to be the biblical event where believers are taken up to heaven to be with God before a period of tribulation and judgment on earth The Great Tribulation is a period of intense suffering and turmoil that is prophesied to occur before the final battle of Armageddon believed by the author to be World War III These apocalyptic beliefs have captured the imagination of many believers and have inspired countless books movies and religious teachings While interpretations of these events may vary among different Christian denominations the underlying message of hope redemption and faith in the face of adversity remains a central theme

The Broken Bible John E. The Seventh-Day Sabbath and Its Redemptive Function in God's Everlasting Covenant of Grace A.M.Simataa,2012-05 This special and remarkablebook The Seventh day Sabbath and its Redemptive Function in God s Everlasting Covenant of Grace by A M Simataa addresses topical issues in the Bible quite pertinent to the 21st Century Christianity The author takes a defensive approach of the gospel and brings to the surface some of the least understood teachings of the Bible Although written from a Seventh day Adventist s perspective people of

differing religious background and persuasions will find this book very instructive If you have been looking for a book that pains takingly discusses the Gospel seriously and biblically this is the book you have been searching for Some of the topics featured in the book include The Truth about the Bible Sabbath The Judgment of the Living Heavenly New Jerusalem The Marriage Supper of the Lamb and the Rapture The Remnant Church in the Parables Mr A M Simataa teaches at a High School in Windhoek Namibia He likes sharing the Gospel with others and spends some of his spare time witnessing to others The central role of the Seventh day Sabbath in the Redemption of our race is the least understood topic in the Bible today Most believers have even dismissed its relevance to today s Christianity However the truth is that the Sabbath is at the heart of Christ s work to save human beings in accordance with God s plan The Sabbath is so central to the work of atonement that Christ is referred to in the Bible as the Lord of the Sabbath The issue of the Sabbath will become pertinent as we near the End and every human being will be required to take a stand in the conflict involving the Sabbath question This book will plant your feet on a solid foundation **What, Why & How ?** William Wilson, 2007 Wilson writes simply and significantly about the teachings of Jesus Christ in order to help readers to build their bridge of faith over the river of diversity and deception which blocks their path Practical Life
