read is what they read well almost As for Back in the USSR if we are able to sell the initial edition of this book and make a return on our investment we hope to publish that As for the current whereabouts of Tat jana and Kristina we have no idea They were last seen disappearing into the depths of the Black Sea in their decommissioned Project 865 Piranha submarine This supposed disappearance happened on 23 August 1994 Rumour on the internet has it they would not reappear for another twenty three years
