Gentlemen Of Property And Standing Anti Abolition Mobs In Jacksonian America

Nikki Marie Taylor

Gentlemen Of Property And Standing Anti Abolition Mobs In Jacksonian America:

Gentlemen of Property and Standing Leonard L. Richards, 1970 Applying modern social science methods to the newspaper accounts court records and correspondence of the time Mr Richards reconstitutes these mobs examines the pattern of their action and defines the structure of prejudice in the ante bellum North **"Gentlemen of Property and Standing"** Leonard L. Richards (historicus), 1975 **Blackface Nation** Brian Roberts, 2024-05-31 As the United States transitioned from a rural nation to an urbanized industrial giant between the War of 1812 and the early twentieth century ordinary people struggled over the question of what it meant to be American As Brian Roberts shows in *Blackface Nation* this struggle is especially evident in popular culture and the interplay between two specific strains of music middle class folk and blackface minstrelsy The Hutchinson Family Singers the Northeast's most popular middle class singing group during the mid nineteenth century is perhaps the best example of the first strain of music The group's songs expressed an American identity rooted in communal values with lyrics focusing on abolition women's rights and socialism Blackface minstrelsy on the other hand emerged out of an audience based coalition of Northern business elites Southern slaveholders and young white working class men for whom blackface expressed an identity rooted in individual self expression anti intellectualism and white superiority Its performers embodied the love crime version of racism in which vast swaths of the white public adored African Americans who fit blackface stereotypes even as they used those stereotypes to rationalize white supremacy By the early twentieth century the blackface version of the American identity had become a part of America's consumer culture while the Hutchinsons songs were increasingly regarded as old fashioned *Blackface Nation* elucidates the central irony in America's musical history much of the music that has been interpreted as black authentic and expressive was invented performed and enjoyed by people who believed strongly in white superiority At the same time the music often depicted as white repressed and boringly bourgeois was often socially and racially inclusive committed to reform and devoted to challenging the immoralities at the heart of America's capitalist order *Abolitionism and American Reform* John R. McKivigan, 1999 First Published in 2000 Routledge is an imprint of Taylor Francis an informa company **Liberty Power** Corey M. Brooks, 2016-01-14 American politics and society were transformed by the antislavery movement But as Corey M Brooks shows it was the antislavery third parties not the Democrats or Whigs that had the largest and least understood impact Third party abolitionists exploited opportunities to achieve outsized influence and shaping the national debate Political abolitionists key contribution was the elaboration and dissemination of the notion of the Slave Power the claim that slaveholders wielded disproportionate political power and therefore threatened the liberties and political power of northern whites By convincing northerners of the Slave Power menace abolitionists paved the way for broader coalitions and ultimately for Abraham Lincoln's Republican Party *Mutiny on the ^Amistad^R* Howard Jones, 1997-11-20 This volume presents the first full scale treatment of the only instance in history where African blacks seized by slave dealers won their freedom and returned home

Jones describes how in 1839 Joseph Cinqu led other blacks in a revolt on the Spanish slave ship Amistad in the Caribbean The seizure of the ship by an American naval vessel the arrest of the Africans in Connecticut and the Spanish protest against the violation of their property rights created an international controversy The Amistad affair united Lewis Tappan and other abolitionists who put the laws of nature on trial in the United States by their refusal to accept a legal system that claimed to dispense justice while permitting artificial distinctions based on race or color

Women Who Changed the World

Candice Goucher,2022-01-24 This indispensable reference work provides readers with the tools to reimagine world history through the lens of women s lived experiences Learning how women changed the world will change the ways the world looks at the past Women Who Changed the World Their Lives Challenges and Accomplishments through History features 200 biographies of notable women and offers readers an opportunity to explore the global past from a gendered perspective The women featured in this four volume set cover the full sweep of history from our ancestral forbearer Lucy to today s tennis phenoms Venus and Serena Williams Every walk of life is represented in these pages from powerful monarchs and politicians to talented artists and writers from inquisitive scientists to outspoken activists Each biography follows a standardized format recounting the woman s life and accomplishments discussing the challenges she faced within her particular time and place in history and exploring the lasting legacy she left A chronological listing of biographies makes it easy for readers to zero in on particular time periods while a further reading list at the end of each essay serves as a gateway to further exploration and study High interest sidebars accompany many of the biographies offering more nuanced glimpses into the lives of these fascinating women

The Most Absolute Abolition Jesse Olsavsky,2022-08-17 Jesse Olsavsky s *The Most Absolute Abolition* tells the dramatic story of how vigilance committees organized the Underground Railroad and revolutionized the abolitionist movement These groups based primarily in northeastern cities defended Black neighborhoods from police and slave catchers As the urban wing of the Underground Railroad they helped as many as ten thousand refugees building an elaborate network of like minded sympathizers across boundaries of nation gender race and class Olsavsky reveals how the committees cultivated a movement of ideas animated by a motley assortment of agitators and intellectuals including famous figures such as Frederick Douglass Harriet Tubman and Henry David Thoreau who shared critical information with one another Formerly enslaved runaways who grasped the economy of slavery developed their own political imaginations and communicated strategies of resistance to abolitionists serve as the book s central focus The dialogues between fugitives and abolitionists further radicalized the latter s tactics and inspired novel forms of feminism prison reform and utopian constructs These notions transformed abolitionism into a revolutionary movement one at the heart of the crises that culminated in the Civil War

An Unfinished Revolution Abraham Lincoln,Karl Marx,2011-05-16 Karl Marx and Abraham Lincoln exchanged letters at the end of the Civil War with Marx writing on behalf of the International Working Men s Association Although they were divided by far more than the Atlantic Ocean they agreed on the urgency of suppressing slavery and the cause of free

labor In his introduction Robin Blackburn argues that Lincoln's response to the IWA was a sign of the importance of the German American community as well as of the role of the International in opposing European recognition of the Confederacy The International went on to attract many thousands of supporters in over fifty regions of the US and helped to spread the demand for an eight hour day enacted by Congress in 1868 for Federal employees Blackburn shows how the International in America born out of the Civil War sought to radicalize Lincoln's unfinished revolution and to advance the rights of labor uniting black and white men and women native and foreign born The International contributed to a profound critique of the capitalist robber barons who enriched themselves during and after the war It inspired an extraordinary series of strikes and class struggles in the postwar decades In addition to a range of key texts and letters by both Lincoln and Marx this book includes Raya Dunaevskaya's assessment of the impact of the Civil War on Marx's theory and a survey by Frederick Engels of the progress of US labor in the 1880s

Holy Warriors James Brewer Stewart,1996 Revised to include important new scholarship James Brewer Stewart's eloquent survey of the abolitionist movement is also a superb analysis of how the antislavery movement reinforced and transformed the dominant features of pre Civil War America Revealing the wisdom and na vet of the crusaders convictions and examining the social bases for their actions Stewart demonstrates why despite the ambiguity of its ultimate victory abolition has left a profound imprint on our national memory

The Meaning of Slavery in the North Martin H. Blatt,David R. Roediger,2018-12-07 Southern cotton planters and Northern textile mill owners maintained what has been called an unholy alliance between the lords of the lash and the lords of the loom This collection of essays focuses on the central role of slavery in the early development of industrialization in the United States as well as on the interconnections among the histories of African Americans women and labor

The Abolition of White Democracy Joel Olson, Racial discrimination embodies inequality exclusion and injustice and as such has no place in a democratic society And yet racial matters pervade nearly every aspect of American life influencing where we live what schools we attend the friends we make the votes we cast the opportunities we enjoy and even the television shows we watch Joel Olson contends that given the history of slavery and segregation in the United States American citizenship is a form of racial privilege in which whites are equal to each other but superior to everyone else In Olson's analysis we see how the tension in this equation produces a passive form of democracy that discourages extensive participation in politics because it treats citizenship as an identity to possess rather than as a source of empowerment Olson traces this tension and its disenfranchising effects from the colonial era to our own demonstrating how after the civil rights movement whiteness has become less a form of standing and more a norm that cements while advantages in the ordinary operations of modern society To break this pattern Olson suggests an abolitionist democratic political theory that makes the fight against racial discrimination a prerequisite for expanding democratic participation

The Fight for Interracial Marriage Rights in Antebellum Massachusetts Amber D. Moulton,2015-04-06 Though Massachusetts banned slavery in 1780 prior to the Civil War a law prohibiting marriage

between whites and blacks reinforced the state's racial caste system Amber Moulton recreates an unlikely collaboration of reformers who sought to rectify what they saw as an indefensible injustice leading to the legalization of interracial marriage

Gender and Race in Antebellum Popular Culture Sarah N. Roth, 2014-07-21 In the decades leading to the Civil War popular conceptions of African American men shifted dramatically The savage slave featured in 1830s novels and stories gave way by the 1850s to the less threatening humble black martyr This radical reshaping of black masculinity in American culture occurred at the same time that the reading and writing of popular narratives were emerging as largely feminine enterprises In a society where women wielded little official power white female authors exalted white femininity using narrative forms such as autobiographies novels short stories visual images and plays by stressing differences that made white women appear superior to male slaves This book argues that white women as creators and consumers of popular culture media played a pivotal role in the demasculinization of black men during the antebellum period and consequently had a vital impact on the political landscape of antebellum and Civil War era America through their powerful influence on popular culture

Parker Pillsbury Stacey M. Robertson, 2018-09-05 Parker Pillsbury one of the most important and least examined antislavery activists of the nineteenth century was a man of intense contradictions Was he a disruptive eccentric who lashed out at authority proclaiming Lincoln the worst president in the nation's history or a sensitive visionary committed to social justice In the first full length biography of this remarkable American Stacey M Robertson depicts a man who became a leading voice in the antebellum period Crisscrossing the North for twenty five years Pillsbury denounced slavery to all who would listen In his travels he often endured the violent rage of mob opposition but he also received the passionate support of fellow advocates Robertson's vivid portrayal of this itinerant agitator revises standard views of the antislavery movement by highlighting the interplay between activists such as Pillsbury and the national leadership which they often challenged She also reveals how Pillsbury one of the nation's first male feminists struggled to reject the notion of male dominance in his political philosophy public activism and personal relationships The biography of a man devoted to justice and equality this book places his motivations and experiences in the context of nineteenth century social reform but never strays far from Pillsbury himself His voice irascible and fiery whimsical and compassionate offers a vivid reminder that history is the story of individual lives

Contrary Notions Michael Parenti, 2007-08 Internationally acclaimed award winning author Michael Parenti is one of America's most astute and engaging political analysts Parenti's work has enlightened and enlivened readers for many years covering a wide range of subjects Here is a rich selection of his most lucid and penetrating writings on real history political life empire wealth class power technology culture ideology media environment sex and ethnicity Also included are a few choice selections drawn from his own life experiences and political awakening Parenti goes where few political observers dare to tread Time and again he takes the extra step beyond the parameters of permissible opinion and time and again he succeeds in carrying the reader with him The selections herein that are reprinted from previously

published works have been revised and updated Other offerings appear here for the very first time Radical in the true sense of the word Parenti digs at the roots which sustain our public consciousness Los Angeles Times Book Review Prominent leftist public intellectual Parenti has built a reputation for himself as a trenchant yet engaging and accessible critic of capitalism imperialism and other forms of exploitation and violence and this diverse collection of his writings will not disappoint his fans nor probably convince his detractors Over the course of the collection he takes on the corporate media intellectual repression in academia the stolen presidential elections of 2000 and 2004 not that he s a fan of Al Gore or John Kerry right wing judicial activism free market orthodoxies and mythologies racism sexism homophobia postmodern attacks on Marxism the distortions of dominant history ill informed demonizations of the Venezuelan political process his own life and many other topics Book News Inc A prolific author a charismatic speaker and a regular guest on radio and television talk shows Parenti communicates his message in an accessible provocative and historically informed style that is unrivaled among fellow progressive activists and thinkers Aurora Online Michael Parenti is a critically acclaimed author and an extraordinary public speaker He received his Ph D in political science from Yale University and has taught at a number of colleges and universities in the United States and abroad He is the author of twenty books including Superpariotism The Assassination of Julius Caesar Inventing Reality and Democracy for the Few *Fighting for Defeat* Michael C. C. Adams,1992-01-01 *Fighting for Defeat* argues that the Union army s lack of success in the eastern theater early in the Civil War was due largely to its fear that the Confederate army was invincible Certain to arouse discussion this study by Michael C C Adams combines probing social and psychological analysis blood rushing description of events and candid pictures of President Lincoln and Generals George McClellan and Ulysses Grant among many others It was first published in 1978 with the main title Our Masters the Rebels **Civil War St. Louis** Louis S. Gerteis,2001-11-26 In the Civil War rough and tumble St Louis played a key role as a strategic staging ground for the Union army A citadel of free labor in a slave state it also harbored deeply divided loyalties that mirrored those of its troubled nation Until now however the fascinating story of wartime St Louis has remained largely unchronicled By the mid nineteenth century St Louis had become the nation s greatest inland city providing a gateway to the West a riverine crossroads for national commerce and an ideal base for expansion minded industrialists from the abolitionist Northeast Yet as Louis Gerteis reveals many of its citizens were staunchly dedicated to both slavery and the southern agrarian tradition For them especially federal martial law was an outrage one that only served to nail the coffin shut on their loyalty to the Union Gerteis s rich and engaging narrative encompasses a wide range of episodes and events involving the lynching of freeman Francis McIntosh and murder of publisher Elijah Lovejoy the infamous Dred Scott saga which began in St Louis city politics and martial law battles in and around the city at Camp Jackson Wilson s Creek and Pea Ridge major river campaigns manufacture of ironclad combat ships prison camps and hospitals and efforts to secure civil rights for blacks while denying the same to former Confederates who would not swear loyalty to the Union Featuring famous

figures like Thomas Hart Benton John C Fremont Claiborne Jackson Ulysses S Grant and Sterling Price Gerteis s study also sheds considerable light on the participation of women and the status of blacks throughout the conflict offering gripping images of black and white Missourians contending with the issue of emancipation Ultimately Gerteis offers a compelling portrait of a war torn city teeming with wounded soldiers displaced civilians runaway slaves federal prisoners and profiteers that was forever changed by its wartime experiences even as it anchored Union victory in the west *The Root and the Branch* Sean Griffin,2024-05-21 The Root and the Branch examines the relationship between the early labor movement and the crusade to abolish slavery between the early national period and the Civil War Tracing the parallel rise of antislavery movements with working class demands for economic equality access to the soil and the right to the fruits of labor Sean Griffin shows how labor reformers and radicals contributed to the antislavery project from the development of free labor ideology to the Republican Party s adoption of working class land reform in the Homestead Act By pioneering an antislavery politics based on an appeal to the self interest of ordinary voters and promoting a radical vision of free soil and free labor that challenged liberal understandings of property rights and freedom of contract labor reformers helped to birth a mass politics of antislavery that hastened the conflict with the Slave Power while pointing the way toward future struggles over the meaning of free labor in the post Emancipation United States Bridging the gap between the histories of abolitionism capitalism and slavery and the origins of the Civil War The Root and the Branch recovers a long overlooked story of cooperation and coalition building between labor reformers and abolitionists and unearths new evidence about the contributions of artisan reformers transatlantic radicals free Black activists and ordinary working men and women to the development of antislavery politics Based on painstaking archival research The Root and the Branch addresses timely questions surrounding the relationships between slavery antislavery race labor and capitalism in the early United States

Frontiers of Freedom Nikki Marie Taylor,2005 Nineteenth century Cincinnati was northern in its geography southern in its economy and politics and western in its commercial aspirations While those identities presented a crossroad of opportunity for native whites and immigrants African Americans endured economic repression and a denial of civil rights compounded by extreme and frequent mob violence No other northern city rivaled Cincinnati s vicious mob spirit *Frontiers of Freedom* follows the black community as it moved from alienation and vulnerability in the 1820s toward collective consciousness and eventually political self respect and self determination As author Nikki M Taylor points out this was a community that at times supported all black communities armed self defense and separate but independent black schools Black Cincinnati s strategies to gain equality and citizenship were as dynamic as they were effective When the black community united in armed defense of its homes and property during an 1841 mob attack it demonstrated that it was no longer willing to be exiled from the city as it had been in 1829 *Frontiers of Freedom* chronicles alternating moments of triumph and tribulation of pride and pain but more than anything it chronicles the resilience of the black community in a

particularly difficult urban context at a defining moment in American history

Gentlemen Of Property And Standing Anti Abolition Mobs In Jacksonian America Introduction

In today's digital age, the availability of Gentlemen Of Property And Standing Anti Abolition Mobs In Jacksonian America books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Gentlemen Of Property And Standing Anti Abolition Mobs In Jacksonian America books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Gentlemen Of Property And Standing Anti Abolition Mobs In Jacksonian America books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Gentlemen Of Property And Standing Anti Abolition Mobs In Jacksonian America versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Gentlemen Of Property And Standing Anti Abolition Mobs In Jacksonian America books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF

files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Gentlemen Of Property And Standing Anti Abolition Mobs In Jacksonian America books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Gentlemen Of Property And Standing Anti Abolition Mobs In Jacksonian America books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Gentlemen Of Property And Standing Anti Abolition Mobs In Jacksonian America books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Gentlemen Of Property And Standing Anti Abolition Mobs In Jacksonian America books and manuals for download and embark on your journey of knowledge?
