## **Gentlemen Start Your Engines:**

**Gentlemen, Start Your Engines!** Ola Borishade, 2011-03-17 *Gentlemen Start Your Engines* is a manual on inspiration goal pursuit and purposeful living. It clearly explains the Christian worldview and how it forms a basis for human existence. The author provides Biblical answers to common existential questions beginning with the concept of God. In a thought provoking style, the book prompts the reader to ask basic philosophical questions. This questioning approach creates a depth of discussion that will stimulate and engage an open mind. The book transitions into a set of latter chapters that are meant to activate and propel. The author postulates that the realization of God's given purpose must lead on to the urgent pursuit of vision. Men are particularly challenged to locate themselves in their strategic role in God's Grand Plan. **Gentlemen, Start Your Engines** Wilbur Shaw, 1955 An engaging first person account of life and auto racing in the first half of the 20th century.
