Parliament, 1890 Report of the Dominion fishery commission on the fisheries of the province of Ontario 1893 issued as vol 26 no 7 supplement **Endless Education** Carl C. Campbell, 1997 Endless Education is the first comprehensive study of education in Trinidad and Tobago during the long thirty year regime of the People s National Movement PNM from 1956 to 1986 Carl Campbell focuses on the efforts by Williams and the PNM to use education as an instrument of postcolonial nation building and the consequent tensions and conflicts between him and the churches between creoles and Indians and between Tobago and Trinidad His study concludes that the goal of national integration through education eluded the planners and that diversity not unity characterized the education system Significantly Campbell finds that as in many other facets of national life only partial and incomplete decolonization was attained in education This study is useful as a source book in schools colleges and at the University of the West Indies Readers who reside outside of the Caribbean and who want to know more about the social history of one of the most important English speaking Caribbean islands should find this book of more than passing interest This is the companion volume to Campbell s *The Young Colonials A Social History of Education in Trinidad and Tobago 1834 1939* The University of the West Indies Press 1996 Bulletin ,1909 Educational Times ,1890 Education Outlook ,1914 Western Teacher ,1908 **Michigan School Moderator** ,1908 *Team Teachers in Japan* Takaaki Hiratsuka, 2023-07-14 This book provides insights into the professional and personal lives of local language teachers and foreign language teachers who conduct team taught lessons together It does this by using the Japanese context as an illustrative example It re explores in
