Mt Cook Whilst this question is somewhat tricky in itself the answers given allow most geographers to eliminate the 3 wrong answers quickly to come up with answer C Instead of this approach we have kept the quiz more like shown below to make this strategy of quizzing harder for the challenger What is the highest mountain in Turkey A Mt Elbrus B Mt Davamond C Mt Ararat D Mt Bazarduzu Although it may be easy for some seasoned geographers this question by the choices given is harder for the most part and will hopefully trigger more conversation thought before answering Order your copy now for hours of endless fun Be sure to check out other books in our range by clicking on the Author Page
