Elijah Danielle Pajak, 2017-03-02 This visual adaptation of the story of Elijah the prophet from 1 Kings 18 is rich with vivid and symbolic imagery The story centers on the confrontation between Elijah and the false prophets of Baal where he challenges them and their god to bring fire down from heaven wherein the god who answers by fire is the one true God It is a simple story with powerful concepts Each beautifully illustrated page brings these concepts to life through a unique blend of graphite and color showcasing this story through provocative startling and moody atmospheres all leading towards the final confrontation with the Divine This entire book is a wonderful work of art each page meticulously crafted to paint the dramatic landscape of the holy battlefield of gods and men

Living Logos Greg Maillet,2025-09-03 Can art be a bridge to religious experience as John Paul II argued in his Letter to the Artists 1999 In the twenty first century there is no more prolific positive response to this question than the art of Michael D O'Brien O'Brien's sixteen novels have been translated into fourteen languages and his paintings grace many Catholic churches in North America In *Living Logos* the first full overview of O'Brien's extraordinary career Greg Maillet explores nine O'Brien novels and examines the theological aesthetic that this unique author achieves Maillet discusses not only the iconic cover paintings of O'Brien's novels but also his most famous character Father Elijah and goes into greater detail on two of O'Brien's most recent novels *By the Rivers of Babylon* and *Letter to the Future* Like all of O'Brien's art these recent novels have realistic settings but stretch readers' imaginations into an eternal sacred world in which the Living God has the final word

The Mantle of Elijah Israel Zangwill,2001-04-01 *The Man Who Did Not Die* James Hartwell Willard,2019-12-18 In *The Man Who Did Not Die* James Hartwell Willard crafts a haunting exploration of mortality and identity employing a blend of speculative fiction and philosophical inquiry Through its richly textured narrative the novel delves into the nuances of a protagonist who inexplicably transcends death prompting profound reflections on the nature of existence and the human condition Willard's prose is both lyrical and thought provoking situated within a literary context that echoes the existential themes of modernist literature while engaging with the metafictional techniques reminiscent of postmodern narratives The book's intricate structure invites readers to interrogate not only the character's journeys but also the very act of storytelling itself James Hartwell Willard a writer known for his deep understanding of philosophical concepts and the complexities of human experience draws upon his background in literature and art history to inform this work His travels and diverse experiences have enriched his perspective allowing him to tackle weighty themes with both gravity and grace *The Man Who Did Not Die* stands as a testament to Willard's exploration of life's biggest questions fueled by his curiosity about the intersections of reality and imagination Readers seeking a novel that stimulates both intellectual engagement and emotional resonance will find Willard's work deeply rewarding *The Man Who Did Not Die* not only challenges conventional narrative forms but also invites readers into a contemplative dialogue about life death and everything in between Highly recommended for those who appreciate literature that crosses genre boundaries while provoking essential questions about what it means to be alive

Four Novels in Jung's 1925 Seminar Matthew A. Fike, 2020-01-27 C G Jung believed that popular fiction often conveyed unvarnished psychological truths In this volume Matthew A Fike skillfully analyzes the novels under consideration in Jung s 1925 seminar on analytical psychology corrects Jung s ill informed perspectives and sheds light on a neglected area of Jungian literary studies Jung originally planned to discuss several novels about the anima Henry Rider Haggard s *She* Pierre Beno t s *L Atlantide* and Gustav Meyrink s *The Green Face* At the request of his participants he dropped Meyrink and included a text about the animus Marie Hay s *The Evil Vineyard* Fike demonstrates that Haggard s *She* and Beno t s *L Atlantide* portray anima possession the visionary and psychological modes and traditional versus Jungian approaches to history Meyrink s smorgasbord of Jungian theory and religion makes *The Green Face* a fictional counterpart to *The Red Book* and both Meyrink and Hay depict states of higher consciousness that transcend the archetypes The distinction between archetypal and spiritual possession demonstrates that *The Evil Vineyard* is a ghost story and the study concludes with Hay s dozens of allusions which provide important metacommentary *Four Novels in Jung s 1925 Seminar* the first comprehensive study of all four texts complements seminal works by Cornelia Brunner and Barbara Hannah critiques the seminar discussion recorded in William McGuire s edition of *Analytical Psychology Notes of the Seminar Given in 1925 by C G Jung* and incorporates Jung s own comments on the four novels in *The Collected Works* Thus it provides an essential addition to Jungian literary studies and will appeal both to students and practitioners of Jungian analytical psychology and to scholars of British French and German literature

Pavonetti,2011-08-18 This annotated bibliography with descriptions of nearly 700 books representing more than 70 countries provides stories that will help children understand our differences while simultaneously demonstrating our common humanity Speaking in the Past Tense Herb Wyile,2009-10-22 Speaking in the Past Tense participates in an expanding critical dialogue on the writing of

historical fiction providing a series of reflections on the process from the perspective of those souls intrepid enough to step onto what is practically by definition contested territory Herb Wyile from the Introduction The extermination of the Beothuk the exploration of the Arctic the experiences of soldiers in the trenches during World War I the foibles of Canada's longest serving prime minister the Ojibway sniper who is credited with 378 wartime kills these are just some of the people and events discussed in these candid and wide ranging interviews with eleven authors whose novels are based on events in Canadian history These sometimes startling conversations take the reader behind the scenes of the novels and into the minds of their authors Through them we explore the writers motives for writing the challenges they faced in gathering information and presenting it in fictional form the sometimes hostile reaction they faced after publication and perhaps most interestingly the stories that didn't make it into their novels Speaking in the Past Tense provides fascinating insights into the construction of national historical narratives and myths both those familiar to us and those that are still being written
