Elites And Leadership In Russian Politics:

Elites and Leadership in Russian Politics Graeme Gill, 2016-07-27 The fall of the Communist regime in the USSR and Russia's search for a democratic and prosperous market based future is one of the most compelling episodes of the end of the twentieth century. A central part in this drama is being played by political elites. These essays written by some of the leading scholars in the field analyse various aspects of the role being played by elites and leaders in Russian politics. Among the issues dealt with are the origins of the Russian elites including the issue of continuity with the Soviet past, the relationship between political and economic elites, the means taken by elites to structure politics and their relations, the dynamic of elite politics and the nature of post communism. These essays deal with many of the crucial questions facing Russia today.

Elites and Democratic Development in Russia Vladimir Gel'man, Anton Steen, 2003-09-02 The transformation from Communist rule towards democratic development in Russia cannot be fully understood without taking the elites into full consideration. *Elites and Democratic Development in Russia* examines how elites support and challenge democracy and why they are crucial to Russian democracy in particular. In this innovative volume twelve respected scholars investigate how elites have affected the transition from Communist rule towards democratic development in Russia. They discuss how the elites' degree of integration on national and regional levels may constitute the main condition for the consolidation of the emerging political regime and interpret the complex post communist elite patterns of behaviour and attitudes into a theoretical framework of elitist democracy. This book will appeal to those interested in democratization, elites, post Soviet Russia and post communist studies.

Political Elites and the New Russia Anton Steen, 2004-06-01 *Political Elite and the New Russia* convincingly argues that although reforms in Russia have been initiated by those close to the President, in fact local and national elites have been the crucial strategic actors in reshaping Russia's economy, democratising its political system and decentralising its administration. This book analyses the role of elites under Yeltsin and Putin, discussing the extent to which they form a coherent political culture and how far this culture has been in step with or at odds with the reform policies of the Kremlin leadership.

The Ashgate Research Companion to Political Leadership Mikhail A. Molchanov, 2016-03-23 Discussing the major theories of political leadership with a focus on contemporary challenges that political leaders face worldwide, this research companion provides a comprehensive and up to date resource for an international readership. The editors combine empirical and normative approaches to emphasize the centrality of political culture as well as the limits of culture and the universal demands of innovative adaptation. The volume examines **Institutions, Ideas and Leadership**

in Russian Politics Julie Newton, William Tompson, 2010-06-23 A stimulating and thought provoking collection that challenges some of the emerging conventional wisdom about contemporary Russia. It examines the role of leadership, institutions and ideas and the interactions among them in shaping Russia's post Soviet transformation.

[Russian Politics from Lenin to Putin](#) S. Fortescue, 2010-05-13 Seven leading specialists present chapters devoted to key themes in Soviet and

post Soviet Russian politics Those themes include the personal versus the institutional in the political process legitimacy and legitimation and change and collapse of a mono organisational society While the book focuses on these major themes individual chapters deal with wide ranging and even unusual cases Graeme Gill analyzes the legitimating functions of Moscow s architecture Sheila Fitzpatrick uses the archives to draw a picture of Stalin the boss dealing with his closest colleagues Eugene Huskey provides a detailed description of post Soviet Russian pantouflage and Archie Brown and Peter Reddaway present their different takes on Gorbachev and the Soviet collapse Stephen Fortescue provides an overview of policy making processes from Lenin and Putin and Leslie Holmes updates the concept of goal rational legitimacy

International Bibliography of Political Science Compiled by the British Library of Political and Economic Science,2000-02 IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge on the social sciences **Russia's Gamble**

Vladimir Gel'man,2025-06-09 In February 2022 Russia launched a full scale military assault on Ukraine aimed at re establishing Russian control over the Ukrainian state economy and society similar in many ways to the Soviet period This goal however was not achieved and most likely will not be achieved in the future Rather the Russian special military operation has resulted in extraordinary disasters and losses for Russia for Ukraine and for the entire world This book examines the origins of the Russian assault on Ukraine and offers an explanation of why it has not achieved its aims Why did Russian elites and leaders propose prepare for and implement the assault on Ukraine in such a poorly prepared and heavily destructive way In seeking to answer these questions Gel man focuses on Russia s domestic agenda and its dynamics after the collapse of the Soviet Union The personalist nature of the Russian authoritarian political regime its vulnerability to bad governance major misperceptions by the Russian elites and leadership and reliance of the Kremlin upon previous experience of Russian impunity were all key factors that led to Russia s fateful decision to attack Ukraine and have continued to shape Russia s mistake ridden conduct of the war since then Gel man also considers what lessons can be learned from Russia s military assault for understanding the global agenda and for the study of domestic and international politics in the twenty first century This book written by a leading expert on Russian politics will be of great value to students and scholars in politics and to anyone interested in Russia and in the causes and consequences of the war against Ukraine Collective

Leadership in Soviet Politics Graeme Gill,2018-03-21 This book studies the way in which the top leadership in the Soviet Union changed over time from 1917 until the collapse of the country in 1991 Its principal focus is the tension between individual leadership and collective rule and it charts how this played out over the life of the regime The strategies used by the most prominent leader in each period Lenin Stalin Khrushchev Brezhnev and Gorbachev to acquire and retain power are counterposed to the strategies used by the other oligarchs to protect themselves and sustain their positions This is analyzed against the backdrop of the emergence of norms designed to structure oligarch politics The book will appeal to students and

scholars interested in the fields of political leadership Soviet politics and Soviet history *Patterns In Post-soviet Leadership* Timothy Colton, Robert C Tucker, 2019-06-04 This book summarizes leadership and general political developments in the Soviet Union since the onset of the reforms It explores new developments and old continuities in elite politics in the Russian Federation and other post Soviet states during the period of transition and consolidation **Constraining Elites in Russia and Indonesia** Danielle N. Lussier, 2016-10-13 This book studies why some democracies survive and others fail by examining the experiences of Russia and Indonesia *Elites and Classes in the Transformation of State Socialism* David Lane, 2017-09-08 The year 2011 marks the twentieth anniversary of the end of the Soviet Union This may be an appropriate time to evaluate the adoption by previously state socialist societies of other economic and political models The transition has sometimes been described in positive terms as a movement to free societies with open markets and democratic elections Others have argued that the transition has created weak poverty stricken states with undeveloped civil societies ruled by unresponsive political elites Which is the more accurate assessment David Lane examines a few of the theoretical approaches that help explain the trajectory of change from socialism to capitalism He focuses on two main approaches in this volume elite theories and social class Theories dwelling on the role of elites regard the transformation from socialism to capitalism as a type of system transfer in which elites craft democratic and market institutions into the space left by state socialism Lane contrasts this interpretation with class based theories which consider transformation in terms of revolution and explain why such theories have not been considered the best way of framing the transition in the post socialist states While recognizing that elites can play important roles and have the capacity to transform societies Lane contends that elite theories alone are inadequate to explain a system change that brings free markets In contrast he proposes a class approach in which two groups characterize state socialism an administrative class and an acquisition class Socializing Democratic Norms T. Flockhart, 2005-01-31 This volume offers a timely and important study on how norms are transferred from the international into the domestic domain through processes of socialization It seeks to understand the process of change in post Cold War Europe from a divided continent into a community with a common identity based on shared values and ideas It also offers an explanation for why the process of change has occurred easily in some countries and with more difficulty or not at all in others *Elite Dualism and Leadership Selection in China* Xiaowei Zang, 2004-03-01 Who are the top political leaders in China What are the major criteria in elite recruitment How is job promotion in high politics determined By studying over one and a half thousand top political Chinese leaders this book seeks to answer these questions and as a result defines how Chinese leadership is stratified Unlike existing research on Chinese leaders *Elite Dualism and Leadership Selection in China* draws on extensive statistical information and data analysis It evidences how political development in the reform era has led to the division of labour between the Chinese Communist Party CCP and the government in governance leading to two distinctive career paths in the two political systems respectively Key issues examined include the different criteria the CCP

and the government demand the requirements for promotion the effect of university education on the rate of mobility the different affiliations of the two groups the role of cooptation in leadership selection Many of the elites discussed are still leading figures in China making this book the most up to date and extensive biographical data set in elite studies This allows for a meaningful analysis of elite behaviour in China for the first time in Chinese Studies This book will be useful to both students of Chinese studies and comparative politics and will also interest researchers political commentators statesmen and China watchers

Elections, the Ethnic Factor and Patronal Politics in the Russian Regions Stanislav Shkel, 2025-03-25 This book focuses on the intricacies of elections within Russian ethnic republics and political loyalty in these regions Many of the ethnic republics support the Russian president and the ruling party to a significantly greater degree than the national average and serve as crucial regional pillars in maintaining the stability of electoral authoritarianism in Russia Why are non Russian voters so supportive to the Russian president How does the ethnic factor contribute to the situation and what are the specific mechanisms involved Through a comparative analysis of five ethnic republics Tatarstan Bashkortostan Komi Chuvashia and Yakutia the author addresses these questions and uncovers the specific mechanisms of electoral loyalty alongside some erosion of electoral support for the authorities in recent years This volume will be of interest to readers seeking to improve their understanding of contemporary Russia's political regime the logics of its sustainability and potential points of vulnerability as well as academic scientists and students of modern authoritarianism ethnopolitics elections and Russian politics

The Soviet and Post-Soviet Review, 1999

Altered States Andrew P. Cortell, Susan Peterson, 2003-01-01 Challenging dominant assumptions in international relations Altered States demonstrates that national political institutions change more frequently and less dramatically than is commonly thought and with important consequences for the political landscape Combining theory with solid empirical research including archival evidence and interviews the contributors explore the causes and consequences of institutional transformation in the United States Western and Eastern Europe Russia and the former Soviet Republics and Cuba Altered States highlights the dynamic and interactive relationship between national political institutions and reform minded policy entrepreneurs a perspective that will interest scholars and policy makers alike

Contemporary Russian Politics Neil Robinson, 2019-04-16 Vladimir Putin's return to the Kremlin for a fourth presidential term in 2018 has seen Russian democracy weaken further and Russia's relations with the West deteriorate seriously Yet within Russia Putin's position remains unchallenged and his foreign policy battles have received widespread public support But is Putin as safe as his approval ratings lead us to believe And how secure is the regime that he heads In this new book Neil Robinson places contemporary Russian politics in historical perspective to argue that Putin's regime has not overcome the problems that underpinned the momentous changes in twentieth century Russian history when the country veered from tsarism to Soviet rule to post communist chaos The first part of the book outlining why crises have been perennial problems for Russia is followed by an exploration of contemporary Russian political institutions

and policy to show how Putin has stabilised Russian politics But while Putin s achievements as a politician have been considerable in strengthening his personal position they have not dealt successfully with the enduring problem of the Russian state s functionality Like other Russian rulers Putin has been much better at establishing a political system that supports his rule than he has at building up a state that can deliver material wealth and protection to the Russian people As a result Robinson argues Russia has been and remains vulnerable to political crisis and regime change **The Return of Ideology** Cheng Chen,2016-07-06 As Russia and China leave communism behind they struggle to forge a new political ideology for a new era **Elites, Crises, and the Origins of Regimes** Mattei Dogan,John Higley,1998 Most political regimes whether authoritarian or democratic are born in abrupt brutal and momentous crises In this volume a group of prominent scholars explores how these seminal events affect elites and shape regimes Combining theoretical and case study chapters the authors draw from a wide range of historical and contemporary examples to challenge mainstream developmental explanations of political change which emphasize incremental changes and evolutions stretching over generations

Elites And Leadership In Russian Politics Introduction

In the digital age, access to information has become easier than ever before. The ability to download Elites And Leadership In Russian Politics has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Elites And Leadership In Russian Politics has opened up a world of possibilities. Downloading Elites And Leadership In Russian Politics provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Elites And Leadership In Russian Politics has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Elites And Leadership In Russian Politics. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Elites And Leadership In Russian Politics. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Elites And Leadership In Russian Politics, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Elites And Leadership In Russian Politics has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the

most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Elites And Leadership In Russian Politics Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Elites And Leadership In Russian Politics is one of the best book in our library for free trial. We provide copy of Elites And Leadership In Russian Politics in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Elites And Leadership In Russian Politics. Where to download Elites And Leadership In Russian Politics online for free? Are you looking for Elites And Leadership In Russian Politics PDF? This is definitely going to save you time and cash in something you should think about.
