What do a chamber pot a famous poet a family feud and a long ago suitor all have in common Elizabeth Barrett Browning might have written about the length and breadth of love but Abby Randolph has given up on all that preferring to spend her time between her cluttered needs work apartment and an overcrowded antiques mart optimistically named Objects of Desire Yet Abby can t help but wonder what happened to her earlier passionate self Then the Antiques Roadshow comes to town and Abby joins thousands of Boston s hopefuls at the crack of dawn artifact in hand But there among the carousel horses and bedraggled stuffed animals Abby s rather squalid piece of porcelain gets the star treatment And from the moment the show airs everything changes friendships her career love affairs even the way she views herself and others as life comes rushing back at Abby Randolph full force **Elizabeth Barrett Browning** Dorothy Mermin,1989-06-15 Elizabeth Barrett Browning

1806 61 was the first major woman poet in the English literary tradition Her significance has been obscured in this century by her erasure from most literary histories and her exclusion from academic anthologies Dorothy Mermin s critical and biographical study argues for Barrett Browning s originative role in both the Victorian poetic tradition and the development of women s literature Barrett Browning s place at the wellhead of a new female tradition remains the single most important

fact about her in terms of literary history and it was central to her self consciousness as a poet Mermin's study shows that Barrett Browning's anomalous situation was constantly present to her imagination and that questions of gender shaped almost everything she wrote Mermin argues that Barrett Browning's poetry covertly inspects and dismantles the barriers set in her path by gender and that in her major works *Sonnets from the Portuguese* *Aurora Leigh* her best political poems *A Musical Instrument* difficulty is turned into triumph incorporating the author's femininity her situation as a woman poet and her increasingly substantial fame Mermin skillfully interweaves biography and close readings of the poems to show precisely how Barrett Browning's life as a woman writer is a part of the essential meaning of her art Both her personal and her literary achievements are exceptionally well documented especially for her formative years Mermin makes extensive use of the poet's early essays a diary covering most of her twenty sixth year and the enormous number of letters that have survived Ranging from her earliest ambitions through her long periods of discouragement and illness to her happy married life with Robert Browning this comprehensive study of Elizabeth Barrett Browning is essential reading for students of the Victorian period English literature and women's studies
