Ella Delorias Buffalo People:

Ella Deloria's The Buffalo People Ella Cara Deloria, Julian Rice, 1994 The five narratives in this book the third in Julian Rice's examination of the work of Ella Deloria demonstrate Deloria's artistry in portraying the central values of Lakota Sioux culture The introductory stories illustrate courage in three extraordinary women and Deloria's ability to subordinate her voice to that of different narrators Another tale The Prairie Dogs explains how the warriors and chiefs societies the strongest forces for social cohesion came into being The longest story The Buffalo People concerns the origin of tribal identity based on such ideal qualities as the strength and generosity of the buffalo and the resiliency and grace of the corn Following the noted storyteller Makula Breast or Left Heron Deloria improvises upon the poetic conventions of oral performance from simple asides to traditional set speeches of the Buffalo Woman ceremony Blending careful observation with creative skill these stories offer new and often surprising perspectives on Lakota culture They will entertain and instruct any reader with an interest in Native American societies of the past and present

Ella Deloria's Iron Hawk Ella Cara Deloria, Julian Rice, 1993 Ella Deloria the bilingual and bicultural Lakota ethnologist and linguist wrote hundreds of traditional narratives autobiographies anecdotes and reminiscences in both Lakota and English during the 1920s and 1930s Iron Hawk represents the culmination of Deloria's colloquial style of synthesizing from memory rather than transcribing from tape or written notes The story traces the development of a culture hero from his early education by a grandfather through a series of instructive adolescent mistakes to the achievement of marriage and leadership in the tribe But in refusing to romanticize camp circle life Deloria also includes Iron Hawk's captivation by a seductive woman and his return to the work of tribal continuance when he is rescued by his son A series of interpretive chapters follow the text to provide suggestions for literary criticism as well as information on child rearing and the symbolism of meadowlarks fire clothing and eastward movement
